

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 147

Rose Hastingson

Max already fell asleep at the hospital bed and now it's currently 10.02, I smiled as I know this is my opportunity to go out. Janet told me that Sky has this program connected to her phone so it's quite difficult to go out but she'll find a way.

We talked through email so Sky won't know. She asked me to pick her up at her house at 10.15, I brought my dress since I arrived at the hospital in the morning to it's easy for me to change.

Sky is a deep sleeper so she can slip from his arms and go out. Too bad Angel has work so she can't join us, that's a perks of having a friend who is a famous actress.

I quickly got into my car and made my way to Janet's house, I emailed and told her that I'm already on my way. I focused on driving and as I arrived at her house, she tiptoed her way to my car. She looked beautiful, her blonde hair curled and her dress is beautiful.

"Hey." She greeted as she got into my car, I smiled.

"You look hot."

"Look at you!" She pointed and I smirked. I parked my car at the parking lot basement under the hospital so I changed my dress there, crazy right? I'm wearing a black dress and it's so tight so it really shows my curves.

I pressed on the gas and ready to party. I drove to the place where Violet's birthday party held.

"Sky already asleep?"

"He's tired so yeah." She chuckled.

"You curled your hair."

"He asked about it but I told him I like my curl to be more loose when I get up in the morning. He believes it." Janet squealed happily.

"I have to greet my friend there for a while, is it okay?" I asked.

"Sure." She smiled.

"So Max doesn't know?" Janet asked.

"He's asleep, just like Sky." I laughed and she nodded.

"They both are really deep sleeper so they won't know." Janet said and I smirked.

"That's thing though, I really need to party. I'm bored." I sighed.

"Me too, writing book is kind stressing and I haven't got any idea again" She hissed and I chuckled.

"Let's party hard tonight."

"If Sky finds out, he might do all his program thing to all of my communication app. I have to buy a secret phone later on."

"Good idea though." I turned to her and gave her a thumbs up.

We arrived at the club, this is a famous club because it's on the top of the building and it has a great views. We went up to the rooftop and found Violet right on the entrance of the venue.

"Hey!"

"Hey Rose!" Violet squealed and she hugged me.

"Happy birthday!" I said.

"Thankyou."

"Oh.. this is Janet. Janet this is Violet." I introduced them and they shook their hands. I found Violet's expression suddenly drop. I raised my eyebrows and held her hand.

"Hey lighten up.. this is your birthday." I said to her.

"I'm not really quite happy.. My boyfriend cheated on me." She said and her face showed it all. I hugged her.

"Bryan cheat on you with who?"

"Joanna.. remember Joanna?" She asked.

"What? Unbelievable!"

"Yeah.. I don't want to talk about it now Rose.. I want to have a lot of drink today." I nodded and she walked back to her seat. Me and Janet walked to the middle of the dance floor to dance.

Dance and drink, dance and drink.

"Hello sexy." Suddenly 2 hot guys walked to us, one guy is blonde haired guy with a blue eyes and one guy has a light brown hair with green eyes. They're handsome and I think they're younger than us.

"Hello handsome." A little flirt won't hurt right?

"Hey." Janet smiled.

"Wanna dance?" The blonde asked Janet and she nodded.

"How about you beautiful?" The light brown hair guys asked me.

"Of course." I smirked and we danced. We just dance nothing special, no touching or something like that until I heard.

"Hands off my wife!" I turned to see Sky looked at Janet in a really angry expression. Sky looked at the guy who dance with her, the blonde guy's eyes widen.

"Don't even think about checking her ass, asshole!" I turned to see Max standing behind me glaring at the poor guy. My eyes widen as I saw Max wearing a full suit even though his leg was bandaged.

"Let's go Janet.. Next time I'm going to handcuff your hand with mine so you can't go anywhere when I sleep." Sky hissed taking his wife hand. Janet pouted but not saying anything, I felt bad. I planned to walk to her but Max caught my wrist.

"I didn't let you go but you still go." He said coldly.

"It's Violet's birthday!" I tried to defend myself.

"I don't accept an excuses babe." He dragged me away from the dance floor and walked out from the club. I saw Sky and Janet were arguing.

"You're mean." I heard Janet say and crossed her arms in front her chest.

"Do you how guys looked at you? This dress is the second problem!" He pointed at her sexy dress.

"I need inspiration." She tried to defend herself.

"I'm the one who ask her to co-" Janet put her hand on my mouth to stop me from saying. I jumped as I felt Max's arm on my waist. There's a electricity feeling that made me jump.

"Inspiration? I can give you inspiration!" Sky said.

"I need to enjoy my young age." Sky shook his head hearing his wife.

"I'm going to punish you." Max whispered on my ear and I shivered. I love it when he do that.

"Punish me what?" I turned to him and looked straight into his eyes. I gave him my seducing eyes. He crashed his lips to mine, his hands traveled everywhere around my body and I can't stop shivering from his touch. I'm overdose.

"We'll go down first." Sky said.

"Bye Rose, have fun making out." I heard Janet said and Max was still kissing me hard. He pinned me to the wall, he lifted me up and I circled my legs around his waist. He put his hands on my thigh and slowly going up under my dress.

"Max." I said between kisses as he carried me inside the lift as the lift opened. Pressing God knows what button.. I kept kissing him, I'm loving this feeling. He carried me out and suddenly he put me on a bed. Sliding off my spaghetti strapped to the sides and caressing my bare shoulder.

Trailing kisses there and slowly went down. That's how our night started.
