I smiled widely as I saw Angel, I ran to her and hugged her tightly. I miss her so much.

"I miss you!" I squealed and she squealed too.

"Hey Alex." I gave him a brief hug.

"Hey Rosey." He said and Angel hugged Max and Luke.

"I want to sit with you on the plane." She said excitedly towards me and I nodded happily. She smiled widely but Alex suddenly shook his head.

"She's sitting with me." Alex said and he got a glared from Angel.

"I miss her." Angel said to Alex and I chuckled.

"I'll let you both sit together if you let me go to Starbucks with her.. alone." I said to Alex and Angel nodded to his husband. Alex sighed and nodded. I pulled Angel away from all of them and walked to starbucks.

"I'm so happy that you're back for good." She smiled.

"Yeah.. it's good to be back here." I said as I looked at the menu.

"Green tea frap one, grande." I ordered and Angel ordered the same.

"Hello? Oh my gosh! You're Angel Selosvone!" I heard a squealed from behind and there's 2 girls behind us.

"Hello." Angel greeted them nicely.

"Can I take a picture with you? Oh my you're so beautiful!" The girl with blonde hair said.

"Of course!" Angel said and I helped them to take photos. They left and we got our drinks.

"I have a famous friend."

"I'm just ordinary babe.. I only work what I love and beside this year will be my last to act.. I want to open a clothing line." She said as she sipped her drink.

"Clothing line?" I asked as we took a sit on one of the empty chairs.

"Yeah.. I'm so excited. Besides acting I really want to design clothes and something like that."

"I'm so happy for you.. that's a really good thing! I'll buy your clothes a lot then." I winked and she chuckled.

"You no need to buy it.. I'll always give you." She winked and I chuckled.

"Can't wait!" I smiled.

We talked for awhile and decided to go back to the boys. We walked towards the waiting room before boarding. We're going to stay in France for 3 days 2 nights. I really want to go to the Eiffel Tower again, I miss it.

"Come here you." Alex gestured Angel to go to him. She smiled and kissed his cheek. She sat beside him, the A couple is really a cute couple.

"Where is Luke?" I asked.

"Your dad call him." Max answered and I nodded. I sat beside Max because that's the only empty seat left.

"So what do you guys talk about? Talking about me?" Alex asked and I shook my head seeing this cocky human being.

"Of course.. no." Angel teased him and I chuckled.

"I'm hungry, you guys want anything? I want to go buy McDonald." Alex asked and I shook my head.

"Buy me a burger." Max said and Alex nodded. He stood up and pulled Angel with him. Now, we both were left alone. I remembered that I brought a dark chocolate. I took it out.

"Want one?" I asked Max, I turned to him waiting for his respond.

"Of course." He smiled, I shared with him and we both ate it.

"When we will meet Mr. Boston?" I asked.

"After we landed.. We have to meet him straight away. Why?" He asked.

"Nothing." I shook my head.

"Do you want to go to the Eiffel Tower?" He asked and my eyes widen.

"How do you know?" I asked and he chuckled.

"Rose you love that tower.. you always say that it's your dream to live there." He remembered?

"Not now.. I love New York more." I said.

"Wanna go there after meeting Mr. Boston?" He asked and I looked him.

"Can we?"

"That's why I booked 3 days 2 nights Rose, we need vacation for a bit even it's only for awhile." I smiled and put a small bite of chocolate into my mouth.

"I really want to eat the pizza restaurant near there." I saidz

"The cheesy one?" He asked and I nodded. I agreed to him about that and chuckled.

"I miss that.. and you're right, we need a relax time." I said.

"It's been a long time since I went on a vacation." He announced.

"You like to go for a drive.. you never do that?" I asked and he shook his head.

"Just focus working and working."

"That's not good Max, it will cause stress." I said and he smiled looking at me.

"I know but somehow I manage to find a way not to stress."

"How's everybody when I'm gone?" I asked and he chuckled.

"They're all fine."

"Still hanging out a lot with the boys?" I asked.

"We've been so busy lately." He answered.

"Max.. working and working without rest will make you stress and It's not even healthy for you." I looked at him worried and suddenly he smiled.

"I'll learn to take a rest."

"Go on a vacation.. take 2 weeks off."

"Thankyou Rose." I looked at him confuse.

"Thankyou for?"

"Just.. everything." That made me smile.

"Will you go to the Eiffel Tower with me?" I asked and his eyes widen.

"Can I?"

"Yes or No Max.. it's a yes and no question." I raised my eyebrows.

"Of course yes.. I'll love that." He smiled widely.

"Great."
