

## UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 168

Maximillion Cesantio

I just finished work today, ready to go home for a rest because I clearly have a really tiring day today. My head was just all over the place because of the deals.

Suddenly my phone rang and it's Alexander North. I quickly answered it and put it on loud speaker.

"Hey dude, what's up?" I asked him as I answered the call.

"Oh hey.. let's meet up."

"Is there something wrong?" I asked.

"Just wanted to talk dude, it's been a long time. You've been spending your time with Rose a lot." He said like a nagging wife.

"Alex.. I'm getting her back. I have to try hard." I said.

"Oh come let's meet up!"

"Okay fine, at the usual club?" I asked as I put back my files into the drawer.

"Dude, there's a new club just 6 blocks from yours, wanna try it?" He suggested.

"No, I like the usual club better."

"Oh come on dude, I'm bored."

"Angel's not with you?"

"She met her friends in our house and I don't want to interrupt her." I sighed.

"Okay fine.. let's meet up there."

"Okay going there now." Alex said and ended the phone call. I walked out from my office. I took my car and tried to find the new club that Alex mention.

I have a plan to go to Rose's house today but I think Alex wants to tell me something. He always asked to meet up when he got something wrong with his company or things private.

After a couple of times looking for the club, I found it. I parked my car and walked inside. Okay.. this club is different than our usual club. There's 2 floors and it has big rounded table and sofa. I walked to one of them and waited for Alex to come.

I played my phone when suddenly I felt someone touching my shoulder. I looked up and saw a red head smiling at me. She wore a tight black dress.

"Hey handsome." She gave me a kiss on my ear and I quickly wiped it.

"Go away." I said firmly and looked at her seriously, she walked to me and sat beside me. She clinged her arms to mine and I quickly shoved her.

"Are you deaf?" I asked coldly to her and she just smirked.

"Wanna play rough tonight?" She asked seductively and batted her eyelashes. I looked around for the manager and finally my eyes landed on one. I gestured him to come.

"Shove this bitch away will you?" I said coldly as he came to me. The girl kept clinging on me and I started to run out of patience. I stood up and glared at her.

"I'm sorry sir.. Bianca get off there." So her name is Bianca, she kept sitting there and now her hand caressed my thigh. I decided to just walk away from there and walked to find a staff to ask if they have any private room.

"Where do you think you're going handsome? I can make you feel satisfied tonight." She back hugged me and I quickly pushed her away. I glared at her.

"Well thank you for the offer Bianca but I'm not interested." I said coldly and glared. She slapped me and walked away swaying her hips. I rolled my eyes and just ignored the sting on my face. I walked to the bar.

"Do you have any private room here?" I asked.

"No sir.. we don't have any private room."

"Hey sexy." I looked to my right and found a brown haired girl winking at me and I rolled my eyes. I took my phone and decided to call Alexander to just meet at our usual bar.

"Who are you calling babe?" Suddenly the brown hair girl took away my phone and I glared at her. I took my phone back and walked away. Oh gosh this place has a lot of b\*\*\*\*, I'm going to kill Alex for suggesting me.

"Hey call me." A girl slipped a small paper to my hands and I tore it in front of her. Her face fell and I smirked walking away again and walked to the main door to get out.

"Hello handsome." Suddenly a girl stopped me and her eyes gave a really sexy stare. I smirked.

"Hey sexy."

"So.. how about if we hang out tonight?" She asked as she put her hand to my chest and slowly trailing down. I smirked. She looked at me seductively and leaned closer.

"That would be a great idea."

"So, what's your name mister?" She asked in a really seductive voice and took my hand. She pulled me back inside the club and dragged me to the corner of the bar.

"Max.. Max Cesantio.. what's yours?" I asked and she sat on my lap, she started caressing my cheek with the back of her hand and slowly leaned her body to me.

"My name is Samantha.. Samantha Collins." She whispered to my ear and I smiled. I pulled her closer to me more.

"So what do you want to do with me Samantha?"

"I wanted to make you scream my name tonight" She whispered and started kissing my cheek slowly trailing to my neck.

"Don't tempt me now Samantha." I whispered back.

"Do you have a girlfriend Max?" She asked.

"I have this one girl.. I love her so much.. uhmm."

"Oh too bad. I like you a lot handsome. Can you forget her tonight?"

"I think I can do that. " I smiled and she gave me a peck on my lips.

"Let's go Max.. I can't wait to taste you." I smirked and she stood up. She pulled my hand until I got up. She circle her arms to my neck and I smiled.

"You pass it bad boy."

"Pass what?" I looked at her with questioning eyes.

"I love you." She said.

"Uhmm Samantha, I only love one girl." I said and she looked into my eyes.

"Her name is?" She asked.

"Rose Hastingson."

"Who is she?" She tilted her head and pouted.

"Rose Hastings." I repeated.

"You make me sad, Max. I wanted you tonight so can you forget her and be with me for tonight." She pouted and stared at me with her seductive eyes.

"Don't say things like that. That words really affect me so bad." I closed my eyes and she chuckled.

"So you don't want it?"

"I only want that with Rose Hastings. I'm sorry Samantha, I promise I won't hurt her and cheat on her again. I love her so much" I said and looked into her eyes, she smiled.

"Too bad." She winked.

"Bye Samantha." I said and put her arms down, I walked away but she caught my hand.

"Okayokay fine.. cut it." She said.

"I'm sorry Samantha, I can't betray her. I love Rose so much." I said and she hissed. She glared at me and I chuckled.

"Stop it, i'm not playing it again!" She said and stomped her feet annoy.

"Samantha didn't I told-" She kissed me passionately and I kissed her back with the same pace.

I pulled her away and can't wait to have her all night long. She's going to regret seducing me like that because I won't let her go tonight.

Oh Rose Hastings.. you're so in trouble for acting to be Samantha Collins.
