

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 169

Rose Hastingson

I gathered with the girls and talked about how to test Max and yes I have test him. We tested Max already and it's more than 15 times and yes he passed all of it. He doesn't know that I've been watching all the time.

Call me crazy because after 15 times testing him, I still don't believe that he loves me until the last test. When Alex called him, I was right beside Alex with Angel. Alex and him are close so it wouldn't be weird if Alex wanted to see him.

That was the last test and I came in when he almost got out from the club. I pretended to be Samantha Collins and that idiot played along. After 4 months taking it slow and testing him, I can't help it. My love for him is just getting bigger and bigger until I can't help to express it.

That night we made love a couple of times and yes I'm so happy. he changed into a better person and I told him about the testing. He was mad at first but he understood it. He told me that he deserves it and beside he passed all of it.

I slowly got off from the bed, taking a shower and went downstairs to make breakfast. Damn I'm so starving, I looked into his fridge and he literally have nothing. He only have 3 eggs and I used all of it to make scramble egg.

"Morning beautiful." I jumped as Max circled his arms around my waist. He kissed my cheek and stayed in that position.

"Morning." I smiled and gave him a peck on his lips.

"Scramble eggs.. looks delicious."

"You literally have nothing inside your fridge, we have to go grocery shopping." I said and he let me go. I walked towards the fridge and opened it. It's empty.

"Yeah you're right."

"Oh gosh Max.. you're just unbelievable, how can you survive without anything there?" I asked and turned to him, he walked to the cupboard and opened it. My eyes widen.

"What are you 5? My boyfriend has a sweet tooth!" Yes, he asked me to be his girlfriend and I said yes of course.

"I rarely cook so it's useless to have a lot of food inside my fridge." I looked through it and I just shook my head. I put the scramble eggs to a plate and shared with Max. I'm still hungry.

"Let's just go grocery shopping." I suggested and he shook his head.

"Why not?" I asked.

"I wanna stay in bed with you."

"I have to go to work, Luke will kill me."

"He won't." I glared at him, Luke is crazy about work.

"You don't work with him."

"Then you work with me Rose." I looked at him disbelief.

"I have hotels to run handsome."

"You'll be Cesantio in the future anyway." I choked while eating my scramble egg, he patted my back and gave a glass of water.

"Why are you shocked?"

"Nothing." I'm happy that the fact he thought about the future but we just got together.

"Let's go grocery shopping." I said and he surrendered. He nodded, he went upstairs to take a shower and took my bag since I'm too lazy to go upstairs again. After he's done with everything, we got in to his car and go to the market.

"Take the cart Max." I said and he took it. I started listing what he needs in his fridge.

"Let's just go home and cuddle." I turned to see Max and hissed.

"Go home then.."

"With you Rose."

"You cheated on me with Samantha last night. Go cuddle Samantha!" I pretended to be annoy and walked inside first.

"Oh yeah Samantha, I like her."

"Go cheat with her again, don't talk to me." I said and turned to him. His face fell and I really want to laugh out loud.

"Babe, don't be like that. I love you more than her." Max said and I took a few things from the dairy section. Milk and his favorite cereal.

"Love me? If you love me, you won't cheat with Samantha." I said coldly

"This is stupid." He commented and I glared at him. Playing a roll of Samantha is quite fun, Samantha is flirty and she's a good seductress.

"Can you get that babe?" I pointed at the olive oil on the high section.

"Give me a kiss first." He pointed at his lips.

"No."

"I don't need it anyway."

"Max!"

"A kiss."

"No.." I shook my head and he suddenly stole it. My eyes widen and smacked his arm.

"People are looking." I covered my face.

"So what? I love you." I turned to him and smiled.

"Of course you do." I said and moving on to the other section. We kept going around to buy things for him when suddenly he saw someone from a distance.

"Rose.." He called.

"Huh? What?"

"That's Mrs. Wisdiclo." He pointed and I narrowed my eyes. He's right! Mrs. Wisdiclo is your typical favorite teacher. She's fun and really awesome. We walked to her, she's with her husband on the vegetable section.

"Mrs. Wisdiclo!" I called and she turned to us. Her eyes widen, I hugged her and shook her husband's hand so was Max.

"I can't believe that I can see you guys again!" She said happily.

"Me too." I said.

"I can't believe my 7 stupid students become the most crazy big billionaires!" She chuckled and pointed at Max.

"Never underestimate us Mrs. W." Max smiled.

"So you two together now?" She asked and Max smirked.

"Of course."

"I can't believe Aaron got married first, that guy is just.." She laughed remembering the old times.

"We're not the same person like we used to Mrs. W." Max said.

"Can't believe you all settling down. How's my Lukey?" We both laughed, Mrs. Wisdiclo really like Luke. He's the most hardworking among the 7 Gold Lifes and he always proves everyone that he can do anything.

"He's still Luke.. still the same." Max answered and I nodded.

"Alex married the Hollywood princess.. oh crap what's her name again?"

"Angel.. Angelia Selosvone." I said and she gave me a thumbs up.

"Oh my.. I want my Lukey to get married! Make sure to invite me okay?" She held my hand and I chuckled. I nodded.

"Will do."

"You!" Suddenly Mrs. Wisdiclo pointed at Max, he raised his eyebrows.

"Me?"

"Don't hurt Rose! If you hurt her, I'll kick your butt." I laughed and Max nodded giving her a thumbs up.

"Will do Mrs. Wis, I love her why would I-"

"It's so weird hearing that!" I laughed hearing her comment.
