

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 173

Hailey Anderson

I'm so nervous and I'm literally sweating right now. We're currently at the Hastings Hotel, at their the meeting room to be exact. There's still 10 minutes left and I'm just.. so so so nervous.

"I'm nervous." I said and my dad chuckled.

"Why nervous? They're just ordinary people like us." He said and I looked at him disbelief.

"They're not ordinary." I said.

"Just calm down, Hailey. Your face is a little bit pale." My dad said and patted my shoulder. I nodded and I kept looking at my watch.

Suddenly the door opened and I quickly stood up. I saw them walking inside the room one by one. I swear my eyes lighted up and looked at them one by one. This is like a dream come true.

"Good afternoon Mr. Anderson." Kenneth Domanco said.

"Good afternoon gentlemen." My dad greeted back and I swear my eyes just scanned them one by one but my eyes landed on the guy with light blue eyes with light brown hair.

"This is my daughter, Hailey" My dad introduced me.

"Good Afternoon, I'm Hailey. Nice to meet you." I smiled.

"Please sit down and let's start this" Ken said and I sat down. The table is rounded and right across me is Luke. The owner of that beautiful light blue eyes. I can't take my eyes off him and my heartbeat is just not normal.

My dad began to talk about the deal and I turned deaf for a moment. I swear it. I can't pay attention to anything beside the man across me, Luke Hastington.

"You can manage this? Are you sure?" Luke suddenly asked dad in a really firm tone. His eyes was so serious and I can see how passionate he is in business world.

"I'm sure Mr. Hastington, because I have been in a big project a couple of times." My dad answered.

"This is a really big project Mr. Anderson, we the 7 Gold Lifes trust you in this and do you know if you make a mistake you will get the consequences?" Luke asked.

"Of course Mr. Hastington, I won't disappoint you gentlemen and beside this is a really good opportunity for me." My dad answered.

"We'll prove it to you gentlemen that we can work perfectly without any flaws, I'll make sure this deal will run smoothly." I added and Luke turned to me. Oh heavens.. that blue eyes.

"This is a really critical deal Ms. Anderson, you may say that. You just graduated.. or should I say 2 days ago?" I turned to Max Cesantio, he said that in a little hint of coldness.

"She graduated from business school and she's still learning." My dad said and looked at me. He eyed me not to say anything again.

"Can you get this all done in 1 month?" Alexander North asked.

"2 months, it takes time. We usually take 3-4 months, we can't shrink it into 1 month but we can try 2 months." My dad answered.

"The shipping.. how long it will take?" Aaron Samuel asked.

"2 days, I have my own ship to send my things all over the world." My dad answered and I just went blank. I can't stop admiring these people in front of me. They're so charismatic and so cool.

"We'll take 100 first." Kenneth Domanco said and I saw my dad smiling.

"100 in 2 months with 2 days of shipping." Kenneth Domanco added and he wrote something on this note.

"Okay."

"Let's sign the contract tomorrow, Mr. Anderson." Kenneth said and they all nodded in agreement. We all stood up, my dad shook hands with all of them and now it's my turn.

I shook my hands with Alexander North first and then Max, Sebastian, Ken, Luke, Sky and lastly.. my prince charming Luke Hastington. I swear his hand felt so warm.

They walked out first and me and my dad followed. They talked about something and suddenly Luke turned to us.

"Mr. Anderson, would you like to join us for lunch?" He asked.

"Can we?" My dad asked politely.

"Sure.. we can talk about the contract and maybe we can sign it today too." He said and my dad nodded.

"Where to?"

"Here.. at our restaurant at the 20th Floor." He stated and I saw he glance at me. Oh my gosh, I can't breath.

"Baby" I flinched as I heard that. I saw Rose Hastings ran to Max.

"Rose!" Luke warned and her eyes widen. She saw me and smiled. She walked to us.

"Hello." She shook hands with my dad and me. She smiled and damn she's beautiful, why do they have to be perfect? So perfect to be exact!

"Rose Hastings." She said

"Hailey Anderson" I said.

"You're so beautiful.. I rarely meet someone who is a red head." She stated and I chuckled.

"Yeah you're right."

"Let's head to the restaurant." Luke said and the 7 Gold Lives lead the way. We took the lift together and Rose stand beside me.

"So how old are you?" She asked.

"23.. just graduated." I answered.

"From?"

"Serinate Business School." I answered and she nodded.

"My friend went there too.. do you know Ashton-"

"Can you not mention that name babe?" She was cut by Max and she glared.

"Ashton Searan." Sebastian continued and Max glared at him.

"He's my senior, graduated last year." I answered and the lift door opened. We walked out from the lift and followed them to the big table.

"Hello." I turned to see.. Oh my gosh, it's Angelia Selosvone.

"Oh my gosh! I'm your fan." I shook her hand and so was my dad.

"Really? Thankyou." She smiled widely. We all sat down after that and guess what? Luke sat beside me and I swear my nervousness flipped three times worsor than before. The most handsome man that I've ever seen sat beside me.

My heart suddenly state this, I want this man.. I really want this man to be mine. I want him and when Hailey wants something, she has to get it.

I want to tell my dad that I want to marry this man beside me.
