

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 174

Hailey Anderson

Luke Hastingson

The owner of Hastingson Hotel chains all over the world, One of the members of the 7 Gold Lifes, 30 years old and single. He's known as the most hardworking and the cold man of the 7 Gold Lifes.

I looked through Luke's photos on google and just admiring him so bad. He looks good in every photos.

"What are you looking at?" I jumped, I saw my bestfriend Michael sat on the sofa.

"You scared me asshole!" I glared at him and held my phone tightly.

"What are you looking?"

"Nothing." I shut my phone.

"Are you watching porn?" He asked and I looked at him disbelief.

"Are you stupid?" I smacked his arm.

"Then what are you looking?" He asked.

"Why are you here?" I asked not caring to answer his question.

"I'm here to entertain you and besides I'm bored." I rolled my eyes.

"What do you want to do? I'm going to work in 1 hour." I said and he shook his head.

"Let's just go somewhere." He suggested and I shook my head, I put my phone inside my bag.

"No Mike, I'm going to work."

"Since when you pick work more than me?" Since I saw Luke. Today dad and the 7 Gold Lifes will sign the contract and I have to go to see Luke.

"Ready pumpkin? Oh hey Michael!" My dad walked down from the stairs and I smiled to him.

"Yes daddy, I'm ready."

"Hailey." Michael pouted and I smacked his arm.

"Let's go." Dad said and walked out from the house.

"Bye Mikey.. Let's just have lunch tomorrow, how's that?" I asked and he nodded weakly. I walked out from my house and got into my dad's car.

"Seatbelt princess." He said and I put my seatbelt on.

"Daddy, where is my bag?" I asked.

"It will arrive tomorrow sweetheart." He smiled to me and I can't help but excited inside my heart.

"So after we sign the contract, what should we do?" I asked hoping that I can interact more with Luke and all of them.

"We only watch our factory and mantain everything."

"We don't need to see them again?" I asked and my dad chuckled.

"Why? You never get this excited before." He said.

"Just asking. I mean they're a really famous and successful people. I'm just amaze."

"Yes, you're right but no.. we're not going to meet them frequently." He said and I sighed sadly.

"What's in your head?" He asked.

"I really want something daddy.. I promise after this wish I won't ask for anything else again." I said and he glanced at me. I took a deep breath and turned to my dad.

"What is it? Don't make me anxious. Don't tell me that you want a diamond or something like expensive jewelry? No cupcake we-"

"I want to marry Luke Hastington." I said and my dad stepped on the brake. My eyes widen in horror and thank God the road isn't that crowded or else.

"Marry? Luke Hastington?" He asked disbelief and he started to drive again.

"Yes."

"Why? Why do you want to marry him?"

"I like him." I said simply.

"I don't think I can do that sweetheart." He said and my heart crunched.

"Why?" I said a little annoy.

"Marriage is a really serious thing, Hailey. You can't wish for it and get it the next day. You need Luke to have the same feelings as you and besides they don't want to settle down."

"But 4 out of 7 already did."

"Luke is the most difficult one, Hailey." My dad sighed.

"I want to marry him dad and that's final."

"Hailey it's not easy, we just got the deal and if you want something like that, we might lose the deal."

"Dad please.. I really like him and I want to marry him so bad please." I begged.

"Hailey.. I don't think I can grant your wish."

"Daddy." I whined.

"Hailey don't do this okay? They're important people, we can't just ask him to marry you." My dad let out a sigh.

"I will marry him daddy.. I will get him."

"Hailey.. I'll grant everything but please don't act stupid and asked something like not marrying him." He said and I shook my head.

"What Hailey wants, Hailey always gets it. No matter how hard it is, I'll marry him." I said and my dad shook my head.

"He'll hate you Hailey."

"No. I will make him fall in love with me." I swear it.

Not long after that we arrived at the Hastingson Hotel again, my heart jumped in excitement and I can't help but smile widely. My dad just looked at me weirdly, I ignored him though.

We went up to the meeting room, we got in first and there's no one there. Of course we need to wait for them. Suddenly the door bursted open revealing.. Rose Hastingson?

"Hello.. Good morning, Mr. Anderson and Hailey." She smiled warmly.

"Good morning, Mrs. Cesantio." My dad and I shook her hand.

"Mr. Anderson, please call me Rose." She chuckled.

"Where is Luke?" I asked straight forward and she looked at me a little shock.

"Luke? My brother?" She asked and I nodded. My dad pinched my hand signaling me not to ask her about it.

"They will come in a minute, but first I want to give you details about the contract and then they will come here." She smiled sweetly and I can't help feel excited. She explained it to my dad and I just anxiously wait for them to come. I tapped my feet continuously because I'm nervous.. so nervous to be exact.

Suddenly the door bursted open revealing Sky Locason first and then one by one start to appeared. I saw Luke wearing a grey suit, his hair was so perfectly style and he looked so handsome. Damn.. can I take a picture right now?

"Hey babe." Max kissed her wife's cheek and she smiled.

"Good morning, Mr. Anderson and Hailey." Kenneth greeted and I didn't care about his greeting. My eyes landed on Luke only. I looked at him like he's the last person on earth.

Suddenly his eyes landed on me, I smiled and he just looked away giving me a cold shoulder.

Luke Hastington, I will make you fall in love with me.
