

## UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES

### CHAPTER 18 LITTLE BIT OF HAPPINESS

Jean Verodine

I opened my eyes slowly and can't help but smile when I saw Blake the first thing in the morning. He's still sleeping soundly beside me. He's still hugging me tightly. I didn't expect the nightmares to come again, it's been 3 days in a row that I got it.

I got up slowly not wanting to wake Blake up. I kissed Blake's forehead and got off from the bed. I opened my phone, new phone to be exact and Thank God I have my data from iCloud. I just need to announce to my friends that I have a new number.

I took out my black crop top and jeans out, I got into the shower. I washed my body and just refresh myself. I got out from the shower and dry myself and

out my clothes on.

I walked out from the bathroom and found Blake still sleeping, suddenly my stomach growled. I went up the bed and watched Blake sleeping. I can't contain my joy looking at him.

I kissed his lips and suddenly he kissed me back, pulling my body to him. He wrapped his arms around my body.

“What a nice morning call.” He opened his eyes and looked at me.

“Morning.” I smiled and suddenly my stomach growled.

“You hungry?” He chuckled.

“You have to feed me.” I kissed his nose.

“I will” I tried to wiggle out from his arms but he pulled me back to him.

“Where do you think you’re going?”

“Blake, get up!” He kissed me again but this time, he took it slowly and sweet. He trailed his kisses down to my neck.

“Come on.” I pushed him and smirked. He gave me a peck on my lips and got up from the bed.

“How’s your sleep?” He asked.

“Good.”

“You snore last night.” That made me turn to him in horror. He grinned.

“You’re lying.”

“Don’t worry, it’s sexy.” What the hell?!

“Go take a shower or I’ll kick you out!” I glared at him and he laughed, he made his way to the bathroom. I waited for Blake by laying down on the bed. I looked up to the ceiling and can’t help but remembering the nightmare that I had last night.

It felt so real that Will wants to kill me. If Blake wasn;t there, I will face it all alone. I need someone to comfort me and Blake was the only one who’s present.

Lexy was the one who used to comfort me but now she’s not here.

“Babe, can you pass me my clothes?” I got up and saw the clothes on the table. I took it and gave it to

Blake. He winked at me and I can't help but laugh.

I felt so happy right now and I want to enjoy it. It might be a little bit of happiness but it meant a lot to me. I really need a little bit of sweetness in my bitter life right now.
