

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 182

Hailey Anderson

"Good morning Abby." I said as I arrived at the cake shop at 7.45, I don't want to be late on my first day of work right?

"Morning Fate.. go change to this uniform and wash your hands after that." She said and gave me a beautiful light purple uniform dress with a Formon's Cake and Bakery logo on it. I quickly changed my clothes and put my hair up into a pony tail.

I washed my hand, wore an apron and put on the gloves too. Abby taught me how to make cronuts slowly, I tried to learn it even though I made a few mistakes but thank God she's really nice.

I learned really hard and tried to memorize all the recipes. After baking it, we put it on display. I learned quite a lot today and I'm happy working here though.

Suddenly I miss Luke.. Can I see his face for once? I miss him so badly and it made me a little bit sad. I looked at my phone.. looking at his contact to be exact. I don't know what to do.. press the call button or not.. press the call button or not..

"Hello." I jumped and saw a blonde guy wearing the same apron as mine.

"Hello." I said awkwardly.

"You must be the new part timer.. I'm Tyler." He introduced himself and I shook his hand.

"I'm Fate." I smiled.

"Fate? That's a beautiful name." He said and I chuckled.

"Thanks."

"So you'll work here everyday or?"

"Yeah everyday from 8 a.m until 2, are you a part timer too?" I asked.

"Yeah.. I'm just filling my time before I go to work full time next month."

"You love to bake?"

"You can say that, I learned it because my mom loves cake." He said and I nodded.

He ended up teaching me how to make the icing for the cakes and it was fun. Tyler is really friendly and funny, his face is cute too but I prefer sexy and handsome like Luke.

See.. I miss him.

I walked out from the bakery and decided to call Luke. I was hoping that he will pick it up. I know 99% he won't pick up but I really want the 1% to happen though.

"Aren't you sick calling me?" My eyes widen as he picked it up.

"Luke? Oh my gosh.. you picked up." I squealed.

"I'm ending it no-"

"Wait!" I cut him but he didn't say anything, I looked at the screen and found that he's still listening.

"I miss you.. can I go to your office?" I asked.

"No."

"Can we meet outside?"

"No."

"There you are Fate.. let's tidy up the mess before Abby comes to check." I turned to see Tyler and I nodded to him.

"Luke?" The line went off, shoot! He ended the call, I stomped my feet annoy. I don't have any choice but to walk in again and tidy the mess that we made.

After ending my shift at Formon's, I go to Colton's restaurant. It's quite far.. 8 blocks away from Formon's, I have to walk.. Yeah maybe by walking that far everyday I can get a nice booty like Candice Victoria Secret.

I walked there and plugged my earphone to enjoy some music because it will be boring when you walk 8 blocks without someone to talk.

After walking for quite long, I got inside to the Colton Restaurant. I quickly changed into their uniform and started to serve people. To be a waitress is quite hard and tiring, don't forget to mention when a guy hit on you. I hate it.

Argh I miss my bed so much.. I hate working like this but I have to prove Luke that I'm not a spoil brat anymore.

"Hailey?" I turned and my eyes widen, it's Janet.

"Hey." I said and gestured her to be quite.

"You work here?" She asked and I nodded.

"Why? You ha-"

"Luke kept calling me a spoil brat and I hate it. I'm here to prove him that I can work and I'm not a spoil brat." I said and she chuckled.

"He's coming here by the way." She stated and my eyes widen, I can't help but feel so excited.

"Really?"

"Yeah.. we haven't eat lunch so we decided to go here. This is our favorite restaurant by the way.. I used to work here and this is the place where I met Sky." She smiled widely and I chuckled.

"Don't call me Hailey, okay?"

"What? Why? That's your name unless you have a twin that works here."

"No no.. I just don't want them to treat me differently when they know I'm Anderson's one and only heiress." I stated and she nodded. She walked back to her table with Sky, I looked at the door anxiously.

Waiting for one particular person come..

"Fate can you go to table 3 right there?" My manager said and I walked to table 3 to serve them. My head kept turning to the door. After serving table 3, I waited for another customer to come.

I heard the door opened, I quickly turned my head. My eyes widen and a really big smile plastered on my face. I quickly take the menu and walked to them.

"Afternoon." I greeted and Luke turned to me, his eyes widen and I gave him my best smile.

"What the hell are you doing here?"

"She's working here Luke." Janet said.

"She what?"

"I work here Lukey.. do you miss me?" I looked at him and can't believe this. I miss him and now he's here in front of me.

"When the hell freeze." He said coldly and I pouted. I gave them the menu.

"Hailey?" I turned to see Rose, she smiled widely.

"Hey Rose.. don't call me that here." I said and she looked at me weirdly.

"Just call her spoil brat." Luke said it out of nowhere.

"Call me Fate." I smiled to Rose and she nodded. She and Max joined them and I waited for them to order.

"Salmon steak with mashed potatoes, don't add the cheese." Luke ordered

"Is that your favorite food?" I asked and he looked up to me glaring.

"What?"

"Can you stop being annoying and act like a professional waitress? Why did the hire you anyway?" He said coldly and I just stayed silent but still looking into his blue eyes.

"Don't be mean Luke." Rose warned.

"I just miss you." I stated honestly.

"Well I hate you.. go away and flirt to another guy." He said coldly.

"Why would I? I like you.. if I want to flirt with a guy, it will be you." I said sweetly and he looked at me disbelief. I leaned down to his face and kissed his cheek.

After that, I ran away before his throw his wrath at me..
