

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 188

Hailey Anderson

Today is a really beautiful day, the sun is shining brightly and the wind is blowing. I walked towards Luke's building bringing him a really special breakfast today.

I took the lift and can't wait to see Luke. He blocked my number yesterday so I will go to his office. The lift door opened and my eyes widen.

There a 'No Entry' sign..

NO ENTRY for HAILEY ANDERSON.

What the hell is he trying to do, I walked out from the lift and suddenly a security guard prevented me to go in. I looked the guards angrily.

"You've got to be kidding me." I hissed.

"Sorry miss, this is Mr. Hastington's order." They said and I glared at them. I looked at the ground and guess what? I'm wearing a highheels, I stomped their foot and they groaned in pain. I slipped through them but they caught me again.

"Heyhey, what's going on here?" Suddenly someone said and I turned to see Luke's dad.

"Hello Jared." I greeted him and he chuckled.

"Hello Hailey.. are you looking for Luke?" He asked and I nodded. He suddenly looked at the sign.

"What is he 5?" Jared hissed and I nodded.

"Open the door." He ordered the guards and they opened the door for him but as I walked in, they pulled me out againz

"Let her in." Jared said and the guard's expression turned panic, I understand because it's Luke's order.

"Don't let her in." Suddenly Luke appeared and I pouted.

"What is this Luke? Are you 5?" His dad scolded him, he just sighed. Luke gestured the guards to let me in. I walked in cheerfully and clinged my arm to Luke's.

"Have you eat? I bring a really good chicken sandwich, salmon steak and salad." I said and looked at him. He pushed my arm away.

"Why are you here dad?" Luke asked his dad and ignored me.

"Just checking the hotel son, is it a crime?" He asked and patted his son's shoulder.

"Jared, have you eat? I brought breakfast."

"He has." Luke answered coldly

"I haven't."

"Let's eat!" I said cheerfully and took out all the food that I brought. I put it all on the table and he chuckled.

"You're really sweet Hailey."

"Please eat.. and you too." I gave the spoon to Luke, he just sighed.

"You know, you're so mean by making that sign." I said pouting and he rolled his eyes.

"Yeah Luke.. throw that sign away." Jared agreed as he took the salmon steak first.

"She's annoying." Luke stated and I glared at him.

"She's not annoying Luke.. she's really nice. You never eat breakfast and she's packed this for you." His dad smiled to me.

"Jared, I want to marry Luke" I said and Luke's eyes widen. He glared at me and I just ignore his reaction.

"Marry Luke?" Jared asked and I looked at him nodding.

"Well I agree." Jared said and I jumped in happiness.

"See.. let's get married tomorrow." I squealed and Luke's expression turn to cold.

"How many times do I have to tell you? I don't like you! I hate every single things about you, until when will you get that?" He bursted angrily and I pouted.

"I like you."

"Luke don't be like that.. she's just expressing her feelings to you." Jared said

"You're annoying, you're making my mood drop everytime you're around.. Stop appearing in front of my face!" He bursted angrily and threw all my food away in front of me. It's everywhere on the floor and suddenly tears filled my eyes.

"Luke!" His dad bursted angrily.

"Is that what you really want?" I asked but looking at the ground. Tears came out from my eyes but I quickly wiped it.

"More than anything."

"You won't get jealous if I date another guy?" I asked.

"Of course.. why would I? I'm wasting my time to handle a weird spoil brat like you." He said coldly.

"Luke, you're too much.. Hailey, let's just go." Jared said.

"You'll miss me." I stated and he laughed.

"Miss you?? Yeah when the hell freeze."

"Luke!" Jared warned.

"Okay.. fine." I looked at him and he looked away.

"Go." He said coldly and I nodded.

"Goodbye Jared.. I'm sorry you have to see this." I walked to him and hugged him briefly. He nodded and gave me an apologetic smile.

"I'm sorry." He whispered and I just nodded. I cleaned up the food on the floor with my hands. I put it all in the paper bag. I walked out and threw the paper bag away. I looked at the sign once again and sighed.

It's been 2 months.. 2 months doing this routine and I never get bored a bit but everytime I went to him. He said the same thing all over again. He hates me, he's sick of me, I'm a spoil brat, I'm messing with his head and things like that.

I have limit.. I mean everyone does.

I went out from his office and walked to the toilet to wash my hands. I walked towards the lift and pressed the button. I wiped my tears and decided to call Michael.

"Hey."

"Hey Hailey.. what's up?"

"Wanna watch movies together? Eat 2 tubs of ice cream?" I asked.

"Are you crying?" He asked.

"Yeah." That made me cry again.

"What happen?"

"I'm done with Luke." I stated.

"I'll pick you up in 5 minutes okay?" He said.

"Okay." I answered and got inside the lift.

Even he's mean, I still can't stop liking him. It's just.. I like him a lot and I just can't move on in a flick. I think it will take some time.

I waited for Michael at the lobby and he really come 5 minutes after that. I saw his car, I got inside and smiled.

"What did that jerk do?" He asked.

"The same as usual.. I'm done." I raised my hand and put on the seatbelt.

"Let's just have fun today, okay?" He said and I nodded.

"Thankyou Michael."

"That's what bestfriend for." He smiled and held my hand.
