

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 211

Alexis Sierra

I smiled looking at myself at the mirror. I'm going to see Landon and have this marriage contract going, I need to be fast before I meet Sebastian again.

I wore a beautiful white lace dress, it fell down until my upper thigh. I curled my hair and put on a simple make up. I quickly took out my nude white highheels, my clutch and put lipstick, powder, phone and small wallet. I walked to my door and opened it. My eyes widen and I walked backwards.

"So beautiful Alexis.. where are you going?" What is Sebastian doing here?

"None of your business."

"Are you planning to make a marriage contract?" That made me froze, how did he know? Did Landon.. no way.

"Yes." I said and crossed my arms in front of my chest.

"You're unbelievable woman!" He scoffed and glared at me.

"Well if you'll excuse me, I need to meet my future husband." I walked to him and gestured him to move.

"Do you think I'm stupid? Try again Lexy." He caressed my cheek with the back of his hand.

"Of course you're not.. If you're stupid you won't be a successful businessman."

"Can we just have a talk and start this relationship from the beginning Lexy? I'm tired looking for you and arguing with you." He sighed but his eyes never left mine.

"I don't want to.. you can find another girl to start a relationship with, don't even think about taking me back because I'm not yours from the beginning Sebastian." I said coldly.

"What do you want?"

"Money." I know he hates it.. he hates when girls only go to him for his money, he used to call me that. That's one of the reason why I left him.

"How many do you want?" He asked and that shocked me, I never thought he will ask that.

"All of it.. can you give it to me Sebastian?" I raised my eyebrows and he laughed.

"Let me give you an option Alexis.. 1. Get Landon fired and make his life living hell, make your brother's company go bankrupt and things that I can do with money or... 2. Move in with me."

"None! What kind of option is that asshole?" I bursted and he smirked. All I want to do know is to slap that annoying face.

"Move in with me then.." He suddenly took my hand, he gestured someone to get in. 6 people wearing a black suit got inside my apartment and started taking things out.

"Sebastian! What the hell!" I tried to pull my hand from him but he held it tightly.

"Let's go."

"You devil! Let me go!" I almost screamed. He let me go and he took out his phone from his pocket dialing someone.

"Oh Ken.. you know your friend Frank who has architect company. Yeah.. Wenlond Corp, there's a guy name Landon Margonite there can you tell Frank to fired him and-"

"Asshole!" I took his phone away and put it to my ear.

"Hey Kenneth." I glared at Sebastian.

"Hey Lexy.. no time no see, what's up?" I rolled my eyes.

"Don't even think about firing Landon!"

"If you go with Sebastian, I won't fire him." I stomped my feet completely annoy. I hung up and gave his phone back. I quickly took my phone out from my clutch, dialing Landon's phone number.

"Hey Lexy, where are you?" He answered and Sebastian already gave me a really cold look.

"Sebastian found out." I said.

"What? Shoot!"

"Chill.. sorry Landon, we can't do this anymore."

"Okayokay.. It's fine."

"Sorry, I'll treat you lunch next time" After I ended the call, Sebastian smirked.

"Now what are you hiding again Alexis?" He asked and I shook my head.

"Can you just leave me alone?" I asked as I turn to him and looked into his brown orbs.

"No."

"Argh! Why?"

"I can't think another woman beside you." He said straight foward. I sighed and entered the lift. Oh heart, please don't betray me now.

"You don't know what you do to me for the pass 2 years." He stated it out of nowhere.

"You don't know what happen to me too for the pass 2 years." I shot back.

"Can we talk like an adult Lexy?"

"We're talking right now." I said coldly and I heard he sigh.

"Why do you want to get rid of me so bad?" He asked as the lift opened. We walked out and I stopped. I turned my body facing him.

"I don't like you.. I hate you.. You're an asshole.. Yo-"

"You're lying." He cut me.

"If I don't, I already be with you.. spending your money like there's no tomorrow."

"I know you're not that kind of woman!" Unbelievable!

"Sebastian.. I had a rough life, I've had enough of s*** all this time. Don't add it on my shoulder again. Can you just leave me alone?"

"I can help you!"

"You can't! You will never help me Sebastian." I bursted angrily and thank God there's no one here at the lobby.

"Do you think I will listen to you? I always get what I want.. so Lexy you can't get away from me that easy!"

"Let me ask you.. What do you want from me? Why do you want me back so bad? Why?" I raised my eyebrows, crossing my arms in front of my chest.

"I- I- 2 years Lexy.. after you left I felt nothing, I thought you're just a fling or one night stand that will end up the same as the others. Having that night with you was really the night that I can't forget. No one ever gave me that feeling before.. 1 week after you left, I started to fell weird. We're almost 2 weeks seeing each other without missing a day until the last day, I got you on my bed."

"Everything starting to get really weird and I felt so lonely. I still can feel your skin against mine and I can still feel your kisses. I started to ignore it but when my friends started to get whip one by one, I started

to feel lonely and missing you, I looked for you literally around the world until I found you at Melbourne."

"I found you because of your passport was detected. You're flying from Melbourne to Sydney, you went to Sydney to meet VS's manager to have your contract back. 1 week after that you got back here." I looked at him and found myself almost surrender again. I almost giving myself to him again.

Why can I get so weak with him?
