

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 214

Alexis Sierra

"Good morning sunshine." Sebastian kissed my cheek making me open my eyes.

"Oh!" I was shocked to see him beside me, I'm not used to this and seeing him sleeping beside me still weird.

"What do you mean 'Oh!'?" He asked and I looked at him intensely to see if he's real or not. Is this just a dream or what?

"Are you real?" I asked and poked his cheek.

"I'm real sweetheart and what makes you think this is a dream?" He smiled and dang my heart! I got up from the bed and ran my hands through my hair.

"What's wrong?" He asked and I shook my head, I looked at the clock.

"I need to work." I said and walked to the bathroom. I seriously have a really weird mind this morning.

I quickly took a shower, walked out with only a towel. I regretted not taking my things to the bathroom, now I have to pass a big lion who's ready to eat me any second. Sebastian looked at me sharply scanning me from head to toe. I bet he can imagine me naked with that pervert eyes and mind.

I quickly took my things and changed inside the bathroom. Taking my bag and walked the the door but before I can touch the door knob, Sebastian stopped me.

"No kiss?" He raised his eyebrows.

"No.. move!" I said but he shook his head.

"If you don't give me a-" I cut him by giving a peck on his lips. I need to go fast, he smirked and let me go. I ran downstairs and quickly get into my car.. driving out from his house.

First of all.. I need coffee. First stop at starbucks.. I opened my bag to take out my wallet. Oh?! I put my bag on the table to look for my purse but.. where is it? Shit! I forgot my phone too! I closed my eyes and sighed. Walking back to my car and decided to go back to Sebastian's house.

I'm halfway there and now I'm obviously late but without my phone and purse, I can't do anything. As I arrived at his house, I quickly walked up to his room. I knocked first but there's no answer.

He hasn't go to his office yet. His car is still there. I opened it slowly and found Sebastian sitting on the edge of his bed. He looked up to me and my eyes widen as I saw what he's holding. I ran and take it away from him.

"What's his name?" He asked and I gulped nervously.

"That's my nephew."

"Oh yeah? Nephew Alexis? How can be your newphew has 99% of my genes?" He bursted.

"He's not yours!"

"I'm not stupid Lexy.. what's his name? Where is he now?" He looked at me angrily.

"You're not his father!" I bursted back and his eyes darkens. He took his phone and dialed someone.

"Prepare the jet , we're going to Melbourne."

"He's not your child!"

"What's his name Alexis?" He asked looking at me coldly.

"I'm not telling you!"

"I can take him away from you if you're not cooperating with me!" He shout at me angrily and I looked at him disbelief.

"Axel.. Axel Sierra."

"When did you know you were pregnant?" He asked in a calmer tone.

"2 months after Jean's wedding." I looked at the ground.

"Why didn't you tell me?"

"I can raise him by myself without you." I stated and looked up to his eyes.

"That's a really stupid reason Lexy, he's my son!"

"He's not! He's my child."

"I'm going to take him away from you if you act like this." My eyes started to tear up, imagining Sebastian taking Axel away from me will make me lifeless. I can't. He's my source of happiness and my only hope.

He's the reason why I'm stronger now.

"No!" I stopped him from getting out from the room, he glared at me.

"How old is he? Is he healthy? Gosh Lexy! I can't believe you hide this from me."

"What's the difference? You'll kick me out if I come to you and told you that I'm pregnant with your child. You will think that I'm just up for your money by saying I'm pregnant.. you'll kick me out and calling me b**** anyway." I bursted and he shut his mouth. I'm right and I know he realized that too.

"I want to see him Lexy! He's my son.. our son." He sighed.

"Don't take him away from me."

"I'm going to give him what he deserve Lexy, I'm taking him here." He stated and he walked out the door. I looked at my purse and Axel's picture. I miss him and I never thought Sebastian will know this early.

He deserves to know, I'm so afraid that Axel will grow up without knowing his dad. I can't lie for the rest of my life.. he will know as he grow up too.

I quickly pack my bags, dialing my manager that I can't have a shoot right now. She scolded me big time but I don't care. My son is more important. I quickly walked out from his room, run downstairs and found Sebastian standing in the kitchen with a blank expression. I walked to him and took a glass of warm water.

"Axel Sierra, 14 months. He's already starting to walk a little bit.. he loves classic music.. he.." I started to tear up, Sebastian looked up to me. He walked to me and hugged me really tight.

"I'm sorry.. I'm sorry for yelling at you. I can't believe I have a son." He whispered and kissed the side of my head.

"Don't take him away from me please, he's the only reason why I can stand right here and work again. He means a lot to me."

"I won't.. but I want us to live together. He's my son Lexy." I nodded, he hugged me really tightly and I found myself circling my arms around his waist.

"Let's go.. I want to see my little Cesborn." My heart froze as I heard that.

Little Cesborn.
