

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 228

Alissa Sierra

I looked at Sebastian who was still sleeping beside me. I caressed his cheek and kissed his lips. He opened his eyes and looked at me.

"Good morning." He said smiling at me.

"Morning."

"Wanna go somewhere today?" He asked.

"What do you have in mind?"

"I want to stay in bed to be honest.. with you." He pulled me closer and hugged me. He buried his head to my chest.

"Let's just go to the mall and eat something delicious." I said but Sebastian don't answer me. I kissed his forehead and hugged him.

"I love you." He suddenly said and I smiled.

"I love you too."

"Lexy.. oh shit I mean-"

"Alissa.. you'll get use to it."

"Why do you change your name back?" He asked.

"My grandmother was the one who named me Alissa, I love her and she died when I was 6. Alexis is a name out of nowhere. I want to remember my grandmother by getting my name back." I said.

"Can we just stay in bed?" He asked.

"Don't be lazy and besides it's Tuesday. You have work."

"I'm the boss and I'm allow to do anything."

"Of course you are." I said in a sarcastic tone.

"Can you take your VS bra? The white one? It's sexy on you." My eyes widen.

"You watched me?"

"Yeah with Axel."

"You did not bring Axel to a bikini runway." I said seriously and he laughed.

"I wish I can bring him. I watched you.. you looked so sexy."

"Why didn't you come and see me at the backstage?"

"I wasn't ready." He answered and I didn't want to bring our sad past again.

"I'm hungry.. I'm making something." I said pushing Sebastian away but he doesn't move a bit. He clinged to me like a koala.

"Sebastian.. I need to make something for breakfast!" I pushed him again.

"I can't let go my arm. There's a glue to it" He's acting like Axel.

"I want to kiss you."

"I'm not stupid to know what you're going to do." He said and I laughed.

"Mommy Daddy?" Suddenly the door opened and revealing Axel, he still has his eyes close and walked to us. Sebastian let me go and I picked Axel up to our bed.

"Good morning." I kissed Axel's forehead.

"How's my man sleep?" Sebastian asked as he ruffled Axel's hair.

"Good." Axel rolled himself to Sebastian, he clinged to Sebastian like a koala. Great, I have 2 Koalas now. I gout out from bed and walked to the bathroom. After that I saw the boys went back to sleep hugging each other. I smile and walked out from the room. I walked downstairs and opened the fridge.. let's make a french toast.

"What are you making?" Sebastian back hugged me and kissed my cheek.

"French toast." I answered, I felt Axel hugged my leg. I looked at him following what his dad doing. I smiled.

"Axel.. why don't you make something from lego and give it to mom?" Sebastian said and Axel squealed. He ran away and now it's just us two again. I swear Sebastian is good making Axel do something to leave us alone.

"I miss you.. a lot." He said and I looked at him.

"Me too."

"How do you know I was in my office yesterday?" He asked.

"I met Ken at the airport."

"You met him at the airport?"

"Yeah.. we talked." I answered as I flip the french toasts.

"You promised him that you won't see me again." I turned to him and sighed.

"I was trying to make you happy. I thought by promising that I can make you happy."

"Well you're stupid."

"I'm sorry." I looked at the toast, he turned my body and looked at me. Pulling me to his embrace and how I love being in his arms.

"Don't leave me again, if you dare.. I'll chase you wherever you go." He said.

"I won't leave you again." I smiled.

After that we eat breakfast together as a family. We decided to go outside, go to the mall maybe. I helped Axel to get dress and then I changed my clothes as well

"Daddy I want waffle with ice cream." Axel said and I smiled.

"Uhhhh.. you had that 2 days ago." Sebastian turned to him.

"I want it again." He said.

"Let's have it, I want it too." I said.

"Okay." Sebastian lose and we all went out. Sebastian drove us to that place. We got out from the car and Axel already ran in to the shop first. Sebastian held my hand.

"He's really active, do you know that?" Sebastian said as we walked in, I saw Axel jumping up and down.

"Just like you."

"Of course, life father like son." He said, picking Axel up. Axel picked what he want and I picked what I want. We sat down and waited for the food to come.

"So are you excited?" Sebastian asked Axel.

"Yasss." He squealed and I laughed.

"Oh my gosh.. Alexis Sierra! Can I get a photo with you?" A blonde girl asked and I smiled.

"Of course." I got up from my seat and took a photo with her.

"Thankyou." She smiled and then her eyes landed on Axel.

"Is this your son?"

"Yes." I nodded.

"Oh my gosh, you're Sebastian Cesborn!" She squealed too.

"Hello kid." Sebastian chuckled.

"Oh my gosh oh my gosh." With that she walked away.

"Wow that's weird."

"It's not weird." I glared at him.

"You deal with that everytime?" He asked.

"Of course.. I'm not that famous. Ask Alex is he's struggling with that because Angel is 3 times more famous than me."

"Waffle waffle." I turned to see Axel dancing weirdly, I laughed. At the same time, the waffle came out.

"Uwaaa" My eyes widen as I saw this beautiful food being in front of me.

"Now.. like mother like son." Sebastian said and I laughed.

"You love us." I said pointing at me and Axel.

"Yeah you love us." Axel joined.

"Of course." Sebastian smirked.
