

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 232

Chloe Regens

My mood is getting down slowly, I know it's because I'm starting to get that feel now. I looked at myself as I get ready to attend Sebastian's wedding.

Yes I know Sebastian well, he's my neighbour in LA and we basically grow up together. I had a crush on him when I was little but not anymore. I'm glad that he's married now.

If you guys wondering if I know the 7 Gold Life.. yes I know them. I met them when they're 20 and when I'm 12 that year but Sebastian is the closest.

I stomped my feet completely piss with Xander. I might not get the mood on the day that I broke up with him but now it's starting to come and I hate it.

I checked myself again, I'm wearing a black dress with a really unique cut below my chest. It's a short dress and I pair it with a black heels. Curl my hair loosely and put a simple make up on.

I heard a knock on my hotel door and I quickly open it. Jack is looking really cool in his suit.

"You're ready?"

"Yeah." I sighed.

"Are you sad because of that bastard?" He asked and I shook my head.

"Let's have fun today okay?" He stroked my hair and I nodded

We walk to the lobby and get inside the car. Jack told the driver to go to Sebastian's marriage venue. I need go have fun tonight.. maybe I want to drink until I don't remember anything.

I looked out the window and just enjoying the beautiful night lighting that New York has. It's beautiful.. somehow it makes me smile.

"Chloe." I turned to my brother.

"Huh?"

"We're already arrive" He said, I got out from the car and walked into the venue. Following my brother inside and I can't help but admire the beautiful design.

"Let's find Sebastian first." Jack hold my hand and I followed him. I saw Sebastian from a distance, he's looking at the beautiful bride.

"Tian buddy." Jack hugged him.

"Jack! I'm so glad you can come!" Sebastian patted Jack's shoulder.

"Jack this is my wife Alissa, Alissa this is Jack my neighbour when I'm in LA." Sebastian said and I coughed to get their attention.

"Nice to meet you Jack." Alissa said.

"Chloe.. wow you do grow up!" I rolled my eyes as Sebastian say that.

"Of course I grow up asshole." I hissed and he chuckled.

"Chloe meet my wife Alissa. Alissa this is Chloe, Jack's sister." Sebastian introduced me to his wife.

"Alissa." She smiled.

"Chloe Regens." I smiled back.

"I miss you little kid.. You grew up."

"Sebastian.. stop saying I'm a little kid, I might have the same age as your wife." I said.

"You're still a little kid to us Chloe." Jack added.

"I'm 22 years old everyone." I announced and they laughed.

"So what kind of boy Sebastian is?" Alissa asked.

"He's annoying, he loves to pull my hair a lot." I glared at him.

"You were cute at that time." He said.

"Hey Sky!" Jack hugged Sky and the Gold Lifes members starting to come one by one.

"Who is this?" Sky asked as he looked at me.

"Hey Sky."

"Where is my cute chubby Chloe go?" Alex said and I closed my eyes.

"I'm no longer fat Alex." I said.

"What? This is Chloe?" Max asked.

"No I'm Angelina Jolie." I said sarcastically.

"Don't be feisty." Luke smiled.

"She just broke up." I glared to Jack big time. He did not just say that.

"Who's the guy? Do you want us to beat them?" Aaron suddenly appeared.

"I'm not a kid anymore." I crossed my arms in front of my chest.

"Not a kid? Look at you!" Max said.

"Where are your wives at?" I asked looking at them all.

"They're th-" Alex turned but he stopped as he saw Angel talking to a guy.

"I'll be right back." He said and walked away.

Jack and the 7 Gold Lives started to talk about business related topic. I'm not in the mood to talk about it not so I walked away trying to find my chair when suddenly I bumped someone. I looked up to see.. Kenneth Domanco.

"Hey Ken.. Sorry for that." I said and planning to walk away but he caught my arm.

"You know me?" He asked.

"Do you have amnesia or something?" I asked as I stand in front of him and admiring his handsome perfect.

"What? I swear I never know you."

"Chloe Regens.. Do you remember? You used to bully me because I'm fat and I have a lot of pimples on my face." I said in a 'duh' tone. He looked at me disbelief.

"No way." He said.

"Well I take that you're dumb." I said in a really annoy tone.

"Feisty much Chloe?" He raised his eyebrows.

"I'm not in a mood to talk right now." I said but I saw his eyes scanning me from head to toe.

"Eyes up here Kenneth!" I pointed at my eyes and he smirked.

"Is today your time of the month?" He did not just say that I'm having my period.

"You're so rude." I glared.

"Rude what? I'm being nice Chloe." Why am I still standing here? I sighed.

"Can you help me find my seat?" I asked him.

"What's the magic word Chloe?" Why are they treating me like I'm a kid? I'm freaking 22 now!

"You're annoying." I walked pass him but he caught my wrist again.

"Let's go Regens."

He helped me find my seat, I sit and take a drink. Ken sat beside me and I looked at him weirdly.

"If you want a kiss, all you need to do is ask Chloe." He said and I looked at him in disgust.

"Why are you still here?" I asked but at the same time my phone rings. I take it out from my clutch and hissed as I saw the caller ID.

"Who's d***?" Ken asked.

"A real d***."

"Ohhh ex-boyfriend?" He asked.

"Mind your own business." I put the phone on the table but Ken took it. He slide the green button answering the phone.

"Ke-"

"Hello." He answered.

"So are you d***? Chloe? Girlfriend?" Ken looked at me and I mouthed 'he cheated on me'.

"Do you think you can call me d***?" Ken smirked as he talked on the phone.

"Who am I? Should I formally introduce myself?" Ken chuckled and I don't know why I find it really sexy.

"Hello d***, I'm Kenneth Domanco. Chloe's boyfriend." He did not just say that to Xander. He turned to me and smirked.

"Want to kill me? Oh.. How about you come here to New York and try to kill me?" I looked at Ken disbelief.. he didn't just ask Xander to do that.

"Yeah.. Chloe is currently with me in New York. Oh course.. She taste amazing you know." I wanted to kill Ken right now.

"Do you mean her sexy lips? Of course I kissed it." He looked at my lips and then his eyes land on me.

"So you're having fun while calling Chloe? What a gentleman." He said sarcastically and I sighed.

"Come here to New York and face me yourself." With that he ended the call, he gave my phone back and act like nothing happen.

"Why did you say that?"

"You're welcome Chloe." He got up from the seat and whispered it to my ear. I felt a weird sensation as I felt his breath touch my skin.

What just happen?
