

## UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 233

Chloe Regens

"Nice to meet you Chloe, I'm Angelia." Angel said.

"Hello Chloe" I turned to see Rose, I smiled and hugged her. Yes, I know Rose too.

"Hey Rose.. long time no see."

"You turn into a really beautiful woman." She said.

"You're more beautiful."

"Hello." I turned to see a beautiful girl with ginger hair.

"Hello."

"I'm Hailey, your name is?" She asked in a really cheerful tone.

"I'm Chloe, nice to meet you."

"Hailey is Luke's wife." Rose said.

"How can you keep up with his stupidity?" I asked causing Hailey and Rose laughed.

"You hurt me, Chloe." He appeared suddenly.

"I mean I agree with her." Hailey said.

"You did not just say that love." Luke said and she stick her tongue out.

"Janet! Sophia!" Rose called 2 girls who were currently talking with each other, they turned to Rose and walked towards us.

"Girls meet Chloe. Chloe this is Sophia and Janet." Rose introduced me to them and I shake their hands.

"I'm Sophia."

"Janet."

"I'm Chloe."

"Really nice to meet you." Sophia said.

"I miss your chubbiness." Luke said.

"What?"

"I was fat when I met them, they bullied me with that and not to mention I have a lot of pimples back then. The boys bullied me a lot." I glared at Luke.

"You're so mean." Hailey said.

"Take that asshole!" Rose added.

"Hey I'm the nicest! I used to buy you your favorite milkshake!"

"My brother even bullied me because of you guys.. I literally don't have anyone who defend me."

"Who's your brother?" Janet asked and I pointed at my brother who is currently talk to Aaron.

"He's cute."

"I will pretend that I didn't hear that earlier." Luke commented.

"Why didn't I meet him before I me-"

"If you continue that, I'm going to drag you home right now Hailey." Luke said in a really jealous tone.

"I want to puke." I commented and Rose agreed.

My phone rang and I looked at the caller ID. My eyes widen.. I looked around the ballroom. I need to find Kenneth! He's the one who make this more worse.

"Where is Kenneth?" I asked Luke.

"He's with the boys." Luke answered.

"What's wrong?" Angel asked.

"I need to go first, I'll hangout with guys after this." I smiled at them and walked to the boys. Okay.. Ken is nowhere to be found. I quickly walked around the ballroom to find him.

I saw him walking out the ballroom and I quickly followed him.

"Kenneth!" I called but he kept walking, argh! My phone kept ringing and Kenneth is deaf suddenly. I ran and stop him.

"Kenneth."

"What are you doing?" He asked.

"Are you deaf? I've been calling you." I said and he pointed at the earpiece, he's on a phone. Oops!

"Sorry." I immediately apologized but I showed my phone screen to him.

"I'll call you later Collin, nahhh, she needs my attention." He smirked to me and I glared at him. After ending the call, he immediately take over my phone.

"Hello d\*\*\*." He answered.

"Blablabla.. let's see if you're smart enough." With that he ended the call.

"What's your passcode?" He asked.

"For what?"

"Blocking the d\*\*\*."

"I can do it myself." I said reaching my phone but he put it inside his suit.

"Hey! Give me back my phone!" I said.

"You're quite entertaining Chloe, what did puberty do to you?" He teased again.

"I'm 22, I'm no longer a kid that you guys used to bully and tease."

"So what do you want me to see you as?" He asked, raising his eyebrows.

"Woman! Woman damn it" I stomped my feet and crossed my arms in front of him.

"Woman?" He raised his eyebrows and he walked closer to me but I took a step back. Everytime he takes a step foward, I take a step back until my back kiss the wall.

"What are you doing?" I said but he trapped me between his arms.

"What did puberty do to you Chloe?" He observed my face like it's micro bacteria.

"It hit me pretty hard." I said cocky.

"You sure turn yourself into a beautiful woman." My heart is shaking right now.

"Of course, well you're not turning into anything." I said weirdly and what am I saying.

"So tell me what that d\*\*\* did to you? Cheated on you?" He put his arms away and raising his eyebrows.

Okay I'm stupid for saying that he didn't turned into anything. He sure turned into a really handsome guy that can make girls fall in love just by seeing him smirking. He's really tall right now and his body is really good.. muscles everywhere.

"Are you done picturing me Chloe?" My eyes widen.

"I'm not looking at you.. there's a bug in your head." I pointed and he chuckled.

"You're such a kid."

"I'm not a kid.. Damn it! Stop calling me that!" I glared at him, he laughed.

"You're not a woman yet." He looked at my breast and I quickly cover it.

"Pervert!"

"I'm outta here." He raised his hands laughing and walked away. I realized that my phone was still in his pocket.

"Kenneth!" I called and ran to him.

"Don't call my name too loud.. save it for the bed." Disgusting!

"My phone."

"Take it yourself." He gestured and I looked at him, he gestured me to take it.

"Don't get your heart race Chloe.. it will be danger." He said in a really sexy tone.. Why do I hear it as a sexy tone?

I held on his suit trying to reach my phone but I felt my heartbeat is racing suddenly. Ken suddenly closed it causing my hand stuck inside his suit. I felt his muscley chest against my hand.

Damn it!

"You're cheating!" I said pulling my hand out.

"Cheat what?" He asked innocently.

"You.. closed it and that-"

"Is Chloe Regens suttering?" He teased me again that made me open his suit boldly and take my phone quickly. I sticked my tongue out and turned my body.

"Nice to see you again Chloe. You turned into a sexy woman." He said and my cheeks started to heat up. I'm a tomato now.

"Damn you Kenneth!" I hissed and walked back to the ballroom with a blush on my face.
