

## UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 236

Chloe Regens

"Can we just go home?" I asked.

"Chloe.. It's been a while since we saw them. A dinner won't hurt." Jack said as he sat on my bed.

"We already see them at Sebastian's wedding."

"Just a simple dinner Chloe.. I didn't get to catch with all of them." Jack said.

"You already told them?" I asked.

"Yeah.. why are you wearing scarf?" He asked.

"I'm cold."

"What? It's summer you idiot."

"Just shut it.. when is the dinner?"

"In 3 hours, wear something nice because it's going to be a really fancy restaurant." He said and he walked to the door.

"Can I stay here?"

"You need to say bye to the boys.. they will be busy and not to mention that we will busy too." I nodded weakly and he walked out from my hotel room.

Now how am I going to do? I don't have any dress that doesn't show up my neck or shoulder. I think I need to buy something like turtle neck top. Yes! I need to go shopping. I took my bag and walked downstairs. There's Forever 21 around the corner.

Damn you Kenneth! This is all because of you!

"Do you have a turtle neck dress?" I asked the staff.

"Uhhh, I think we don't have dress but we have a long sleeve top turtle neck." She said and I smiled.

"Please show me where." She lead me to the section and I quickly looked at it. Black long sleeve turtle neck.. nice I can pair it with my black leather skirt. I bought it without thinking twice and quickly go back to my hotel.

I jumped into the shower and looked at myself at the mirror. Why isn't the hickey disappear? I have 4 hickeys in total and it's big. Damn Kenneth! Why did I lose control yesterday?

I dried myself and do my make up. I quickly curled my hair and put my silver bracelet on. I smiled as I looked to the mirror. The turtle neck sure cover it right. Someone knocked the door and I bet it's Jack. I opened the door and jumped.

"What are you doing?" I asked Kenneth as he looked at me smirking.

"Visiting my favorite kid." He answered and I glared.

"I'm not a kid."

"Did you cover the hickey?" He asked and I covered my neck unconsciously.

"Of course, do you want to get killed by my brother?"

"Do you want me to add it?"

"Argh what do you want?" I asked.

"Apparently your brother has ditch you and here I am picking you up." I can't believe this!

"Why is he ditching me?"

"He's picking up his date." He said simply and walked into my hotel room.

"Hey!" I protested but he laid himself on the bed.

"So let's go then." I said.

"I'm tired let me have a rest for awhile." I sighed and decided to sit on the chair. I don't want to have a close distance with him or something might happen again.

"Because of that meeting?" I remembered this morning, he ditched me.

"Yeah."

"Do you want to talk about it?" I asked.

"Nah.. why would I? If you want to talk about the kiss then we can."

"Shut it! That never happen okay? Forget about it!" I said and he chuckled.

"Have you blocked that guy?" He asked.

"Yeah.. Already done it." Suddenly I felt wrong when I kissed Ken yesterday. I bet he felt like he's a rebound. I was sad because of Xander and ended up kissing Ken.

"I'm sorry."

"For what?"

"Kissing you yesterday." He got up and straighten up his body. He looked at me.

"If you're sorry, you have to do something to get my forgiveness." What?

"What is it?"

"After the dinner, go with me somewhere."

"Where?"

"Just trust me."

"Are you asking me on a date?" I asked.

"Chloe, I don't do dates and love. So no dates." He said that but I found myself hating that statement. Why? Why he doesn't do love and dates?

"So you never have a girlfriend?"

"Yes and will never have one. Why? Do you have interest in me?" He smirked and I scoffed.

"No way! It's just you will live alone until you old?" I asked.

"Yeah.. Love doesn't exist Chloe. I bet you love that guy until you're so sad and broken hearted. Love is stupid." I shook my head.

"Maybe I haven't meet the right guy yet." I said.

"Up to you." He shrugged and I looked at him. Why doesn't he believe that?

"Should we go?" I asked.

"Yeah let's go before we end up in bed." He said and how I wanted to smack him so bad. Stupid Kenneth. We walked towards the lift and got inside as it arrives.

From the 20th floor, it stops at 15th. As the door lifts opened their's a group of big family got inside the lift. Ken pulled my hand and pulled me to the corner. My back met his chest again and he held my arms. The kids literally squeezing us both.

My heart started racing weirdly as I felt Ken's body on my back. His touch is not helping either. My eyes widen as the lifts opens adding a few people again.

"Nice ass." He commented and I turned my head glaring at him.

"Close your eyes." I said.

"Why would I? It's a good sight to see." He smirked and it made me turn my body real quick so he can't stare at my ass anymore. I glared at him.

"So you want me stare at your chest now?" He asked and I smacked his chest.

"You pervert!" I said and he chuckled lightly, the lift opened and the kids walked out first. I quickly walked out before Ken get to tease me again. I waited for him to lead me to his car.

"Do you want me to put the seatbelt for you again or what?" He asked as he got inside the car, I quickly put it by myself.

"You're an asshole." I said.

"That's my middle name beautiful."

"Don't call me that!" I hissed and he turned to me.

"Call you what?" He's such a tease!

"That.."

"Okay 'That' are you ready?" He teased again.

"Kenneth!"

"Yes 'That'?" He laughed and I just crossed my arms in front my chest completely annoy by him.

How can he be so annoying?
