

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 240

Chloe Regens

"I know I know.. you don't need to say it. It's stupid I-"

"I'm okay with that." He cut me and I looked at him disbelief.

"What?"

"I said I'm fine with that."

"You have work.. going to abroad and things like that. Please can you just tell my parents that you're busy and-"

"Chloe.. all I need to do is checking you once in a while." I sighed and I swear I hate Jack now.

"I'm not a kid, how many times do I have to tell you!" I'm mad. I hate when people called me that. I really hate it!

"Okay.. Chloe don't be mad at me."

"Just tell my mom and dad that you're busy, please." I begged.

"What will you give me?" Not again.

"What do you want?" I asked.

"A kiss." He smirked.

"Not in a million years, Ken.. let's don't talk about that again okay?"

"Okay fine.. you already owe me 2 this time."

"Whatever.. just do it okay?" I smiled.

"So you're moving to New York now? For good?"

"Yeah, I'm going to work with Angel now so moving here is the best decision." I nodded.

"Okay then.. I'll let Jack know." He nodded.

"I met Xander when I got home." I said and he raised his eyebrows.

"3 years being with me, all he wanted was to sleep with me." I sighed.

"Who wouldn't?" What?! Now it's my turn to looked at him disbelief.

"Who wouldn't want to sleep with you Chloe? Look at yourself at the mirror. If you want to find a guy who doesn't want to sleep with you.. find a mental illness guys." I glared at him.

"Shouldn't you cheering me up not making me piss more?" I asked and he shrugged.

"That's the truth, I don't like lying."

"Boys are stupid." I mumbled.

"It's the truth, Chloe." He said and I stood up, wanting to go out from here this moment. I sighed.

"Just tell my parents and Jack about it Ken, thank you." I said once again and walked away from him.

"Don't come here often Chloe, don't see me often." He suddenly said before I walked out from his office.

"Chloe." I turned to see Max is here.

"Hey Max."

"So what brings you here?"

"Just needed to talk to Ken." I said and he smiled. He patted my head.

"Okay then.."

"Get in Max, I need to talk to you now." Ken said and I walked out without saying goodbye. I don't know why when Ken say that my mood dropped. I bumped into someone suddenly I looked up to see Sky, Aaron, Alex and Luke.

"Hey." I greeted them weakly.

"Hey Chloe." Sky greeted.

"Did something happen?" Alex asked.

"No."

"Did Ken bullied you?" Aaron asked.

"No."

"Hey you can tell us."

"I don't want too." I crossed my arms in front my chest.

"Okay fine."

"Come here quickly!" I turned to see Ken standing at his office door eyeing the men in front of me. I gestured them to go. Why is Ken being an asshole?

"Gotta go." Aaron smiled to me, they walked inside and I looked at Ken before he closed the door. I went down to the lobby and meet Sebastian.

"Hey." I greeted.

"Hey Chloe.. what brings you here?"

"Just.."

"You okay? You don't look okay." He asked.

"I'm fine.. better go there because Ken is waiting." I smiled and he nodded.

"Bye Chloe." He patted my shoulder and walked away. I walked out from Ken's office. I need a starbucks like now, after this I'm meeting Angel.

"Chloe?" I turned my body to see Alissa.

"Hey." I smiled and she hugged me.

"Sebastian just went up to see Ken."

"I know.. I need a coffee and I saw you walking, I just want to say hi." She's so sweet.

"I need a coffee too. Wanna go there together?" I asked.

"I got my car, let's go!" She said pulling me towards her car.

"Can I ask you something?" I asked as she started her car.

"Of course.. Ask me anything."

"If you're a guy, do you want to sleep with me?" I asked stupidly and she chuckled.

"Chloe, you're beautiful, tall and sexy. Who doesn't want it? That's the truth." She answered and I sighed.

"Ken said that earlier to me.. My ex-boyfriend dated me for 3 years just to sleep with me but he didn't get that." I said.

"Well that guy is a d***. I mean Ken has a point."

"Ken is an asshole jerk."

"Ken is a really good guy Chloe, he might sting you with his words but he's a really good guy. He helped me a lot with Sebastian. He helped the boys a lot." She said and I nodded because I know that.

"He's a really mysterious guy, I don't know why I felt he has so many secrets."

"He does, he does keep so many secret Chloe. Sebastian told me a little about him and it's just complicated." Alissa smiled to me.

"I want to reach it." I swear I don't know where that words came from.

"Reach what?"

"I want to reach him." I said truthfully.

"No one ever tries that, not even the boys. Reaching him is hard, the boys might so close to him but they only know 50% of him. No one ever get to reach 100% of him."

"He's a really great guy Chloe, the thing is that he can't live like an ordinary guy. He might be rich, handsome, smart but he can't live like others do. Sebastian always said that the boys want he to meet someone one day."

"Ken is like a big brother to all of them, he has a big responsibility, he always care about them first and he will care about himself last." Alissa explained.

"Why can he live like others do?"

"I don't know the story about it Chloe, Sebastian only gave me a little bit information about it." That fact just made me want to know and dig him more.

What is Kenneth Domanco hiding?
