UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 255

Chloe Regens

"It's so cold!" Sophia squealed as she put her hands into the water. I touched the water and yes it's freezing cold.

"We're so going in." The boys already go shirtless and jumped into the lake. My eyes widen and I bet it's so damn cold in there. I turned to see Rose taking her clothes off and so was Angel. The walked slowly to the lake.

"Come on Chloe, it won't be that bad." Hailey smiled.

"Take off your shirt Chloe!" Janet said as they all taking off their clothes and left with only their bikini. I took off my clothes and followed them to the lake.

"Sky!!! You!!" I saw Sky pulled Janet into the lake and damn I bet that's cold big time.

"If you dare!" Sophia walked back as Aaron trying pull her into the lake. Suddenly my body was carried on someone's shoulder, I screamed.

"My ears!" Ken said and I smacked his back.

"No no.. Ken please no! It's co-" He threw me to the water and I quickly got up. I wiped my face to get the water off my face and I glared at Ken.

"It's freaking cold!" I hissed.

"Aaaaaaa!!! You're going to sleep outside if you throw me Luke!!!! Luke-" Yes Luke threw Hailey to the water too, I saw Ken's back was facing me. I ran to him and jumped to him causing him to lose his balance and fell to the water.

"Aaaa." I screamed as he picked me up and throwing me again, I quickly get up again.

"You're evil!" I screamed.

"Well I am evil."

"Canon ball!" I turned my body as Max jumped from the small bridge to the water.

"You're sleeping outside Luke Hastington!" Hailey clinged her arm to Alissa.

"Sorry babe? What? I'm deaf!" Luke joked.

"I'm crashing to Alissa's room and you two sleep together!" Hailey pointed at her husband and Sebastian.

"What the hell?!" Sebastian protested.

"That's a good idea! We can sleep in one room together." Angel suggested.

"That's not happening beautiful." Alex said.

"Let's battle." We turned to Max as he said that.

"Battle what?" Rose asked.

"You girls sat on our shoulder and eliminating each other by pushing and things like that the last couple stands gets a prize." Max said.

"What prize?" Hailey asked.

"Beers? Meat? Or whatever in here." Max answered.

"Can we have a girls sleepover?" Angel asked by raising her hand.

"No!" Aaron, Sky, Alex, Max, Luke said that together.

"I want that too." Rose said.

"No battle then." Max said.

"Swimming battle!" We all turned to Alissa.

"Call!" Sebastian smirked.

"Who's the best swimmer between us?" I asked.

"I'm a swimmer when I'm in highschool." Janet said.

"We'll go with Ken." Alex said.

"Okay from where to where?" Aaron asked.

"There to that bridge, the first one to stand on that bridge wins." Sky pointed at the bridge.

"You guys need to help me." Janet mouthed to us girls, Rose winked.

We all swam to the starting point and the thing that makes me want to laugh is that all the girls stand beside their own husband. I know what this going to be. We have to block Sky and Kenneth at the same time.

"Ready?" Ken asked, I turned to him and smirked. I can swim faster than him and then block him before he gets to the bridge.

"Set."

"Go!" I dive to the water fast and I have to keep it up before Kenneth does but damn he's fast. He's on the same pace as mine.

"A*ww!" I think that's Rose, I bet Max got her.

I swam faster until I know I can stop to block Ken, I stopped and swim to Kenneth's path. As he swims to me he tried to swim to the side but I caught him. I clinged my arms to his neck and he looked at me.

"Chloe!"

"Yes?"

"You're cheating! Let go!" He glared at me and I chuckled.

"Swim with me on you then." I challenged, he smirked and suddenly he picked me up. Throwing me to the side and continue to swim.

"Sky!!!" I turned to see Janet was struggling to get to the bridge, damn it! I saw Angel already swim towards Sky and tickled him. Sky K.O and Janet wins.

"Yesss!" Janet jumped up and down for winning and we all squealed.

"Girls sleepover." Alissa squealed.

"Take that!"

"You're not hurt?" Max asked Rose disbelief as she swam to the side.

"I was but not anymore."

"How can you be a fool?" Ken asked Max.

"Well what if something really happens?" Max shrugged.

"Damn it! I should have known." Sebastian hissed.

"That's their speciality cheating!" Luke said.

"I hope you guys have a really good sleep tonight." Angel said.

"Why didn't you swim fast?"

"Chloe is blocking me." Ken answered.

"Next time we need to make rules." Sky sighed, suddenly Janet pulled Sky and sat on his shoulder.

"Aww don't be like that, one night without me will be fine." Janet ruffled Sky's hair.

"We'll cuddle Ken instead." Sebastian pointed at Ken.

"You guys sleep together, I'm not going to join the the stupid sleepover."

"I love to cuddle you." Luke jumped to Ken and clinged to him like a monkey.

"Me too." Max said and I laughed so loud looking at them.

"Me three." Alex jumped to him too.

"Get off me before I punch you guys!"

"Me four." Sky followed and Ken pushed them to the water. The wind was blowing hard and I'm freezing now. I walked to the side to dry myself with a towel.

"Let's get back, it's cold." Luke said.

"Let's just play billiard." Sky suggested and the boys agreed. We all wear our clothes again and walked back to the cabin.

"Can you give me a piggyback?" I asked Kenneth and he looked at me.

"You have legs."

"Thankyou." I squealed ignoring him, I put my hands on his shoulder and jumped to his back. He caught my legs and I circled my arms to his neck.

"What a lovely day today." Luke said and I found that sentences funny. I chuckled and turned my head to Luke. He winked.

"Babe do you know that there's a saying that if you give a drop of water to a big rock everyday, that rock will crack?" Luke asked Hailey, Hailey turned to Luke smirking.

"Really?" Hailey pretend not to know.

"Learn science at home not here assholes." Ken said before Luke even answer. I chuckled silently and put my head near Ken's ear.

"Just like that Ken, I'm going to break you." I whispered.
