As I woke up this morning Nic already gone. He wrote me a small note telling me that he has an important meeting. I was hoping to see him the first thing in the morning because today is my birthday.

"Chloe.. are you okay?" I turned to Angel and I smiled.

"Oh I'm fine.. I think I just need coffee."

"Go buy it then.. it's already lunch time too. Any plans with Nic?" She asked and I shook my head.

"No.. he has a meeting, do you want anything? I'm going to starbucks?" I asked her and she shook her head.

"No thanks Chloe, Alex is picking me up because he wants to have a lunch together." She said.

"Okay then.. bye Angel, see you in a few hours." I smiled, taking my bags and walked out from the office. Get into the lift and go to the lobby. As he lift opens, Alex already standing there.

"Hey Chloe."

"Hey Alex."

"Are you going somewhere? With Nic?" He smirked and I shook my head.

"I'm going to starbucks."

"Where is that bastard?" He asked.

"Meeting." I said.

"Geez.. it's lunch time and he's still doing his meeting." Alex hissed and I smiled.

"Angel is waiting.. go." I said and waved to him. I walked out from Angel's building making my way to starbucks. I need coffee.. damn I need coffee.

"Chloe?" I turned my head and saw Emma.

"What?"

"Can we talk?" She asked and I found myself nodding. We walked to starbucks together but none of us talk. Until we ordered our drink and sat at the corner of the room.

"I'm sorry." She started and I sighed.

"I was stupid to cheat with Xander and I'm just jealous with you because you have everything that I want and I'm obsess with Xander until I seduce him and ending up having his kid." She rubbed her belly.

"Jealous? Jealous of what Emma? That doesn't explain things." I asked her.

"You're beautiful, smart and you have Xander. You always have more than me." She looked down.

"But betraying me like that Emma.. I never thought you will do that to me. With Xander?"

"I was happy when I take Xander from you but as the time goes by I felt guilty." She said and I looked away.

"So now you're planning to take Nic away from me now? What are you planning to take again?" I asked.

"I'm sorry Chloe, I will never do that again. Even now Xander still likes and wanting to take you back but seeing you with Nic at the fair makes him back off knowing that you already have someone else." I sighed and I looked at her.

"Just live your life Emma, I don't want to see you again for awhile maybe I can contact you when I'm ready." I said and she suddenly taking out something from her bag.

"Happy birthday Chloe, I was going to call you today wanting to apologize but we bumped to each other. Sorry it's not wrap yet but Happy Birthday Chloe." I looked at my favorite candle, we both used to use this everytime we have sleepovers.

"Thanks."

"I hope you have a great birthday today, I'm sorry Chloe. I really want your forgiveness Chloe, I'm sorry but I know it's hard for you to forgive that."

"Maybe one day I will but not now." I said and she nodded.

"I'll better get going Chloe, once again Sorry and happy birthday." She said and then she left. I held the candle and smelled it. I miss this and our moments together but things change.

My phone rang and I took it out from my bag quickly. I looked at the caller ID and it's Nic.

"Where are you?"

"At starbucks near Angel's office why?"
