

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 319

Valentine Regens

"I'm not feeling good." Leah said.

"What's wrong? Your stomach is sick again?" I asked.

"Yesterday I have a fever and today it got worse." I put my hand on her forehead and yes she's burning.

"Let's go to the clinic.. or do you want me to take you home?" I asked.

"Let's just go to the clinic first, I have a History test this afternoon. I don't want to miss it" Bookworm.

"Let's go." I held her body and we walked to the clinic. Asking for the doctor to check on her, I sat on the chair and waited for her. Oh poor Leah.. she should have rest.

"I think you should rest at home, Leah, it's pretty bad. Your temperature is really high." The doctor said

"Let me take you home, Leah." I said.

"Okay fine.." She said and I smiled. The doctor made a statement for her to get out of the school. I hold her body, preventing her from falling. Taking her bag from the locker and taking out her car keys, walking to her car. We got in and I started the car, driving out from school

"Do you want me to buy you something after school? Porridge?" I asked.

"Pho noodles sound good." She said and I chuckled, how can a really sick person want pho noodles?

"Okay."

"Take my car.. just take my car." She said.

"Nah.. I'm fine taking a taxi."

"You'll come back here anyway. Just go, Val." She said and I nodded. Get into her car again and drive away from her house. It's 10 a.m now and after this I got P.E. As I got back to school, I ran to my locker and changed into my sports bra and pants. P.E is fun cause I love sports but I hate the fact that I'm in one class as Joey.

"There's my favorite girl Valentine." I glared at Joey who is currently stretching his body. He's wearing a muscle tee that shows his muscle and the girls already drooling to touch it.

"You're disgusting!" I said as I stretch my body too.

"Class.. I want you to run the field 4 times. Now go!" Mr. Bland said and the students groaned since Leah isn't here. I can sprint my ass. I ran first, I missed running at this speed.

"What's with the rush, Valentine?" Joey ran beside me and I glared at him. Speeding up my run but still Joey is keeping up.

"Stop following me, asshole." I hissed.

"Ohh the lion just woke up." He teased and I wanted to smack him so bad but he avoid it.

"Let's have a bet."

"What bet?" I asked as I wiped my sweat.

"Race until the 4th round, whoever wins the loser has to be the winner's maid for 2 whole weeks." I turned to him and smirked.

"3.. 2.. 1.." I said without any warning, I sprint my ass off. I'm concentrating on my run and as for now I'm winning. I ran really quick when suddenly Joey sprinted crazily and passed me. My eyes widened and I ran faster again.

"Damn it." I cursed under my breath.

"Yes." He shouted as he reach the finish line, I stopped and stomped my feet annoy.

"That's for cheating Valentine!" He laughed his ass off and I hissed. I walked away from him not liking the idea of it.

"Valentine, come here!" He called me but I ignored him, I walked away to take my drink.

"Babe, come here!" He literally shout that out, I drank my water quickly because the emotion that I have.

"Uhhh Valentine." I turned to see a junior

"Yes? Do you need anything?" I asked and he scratches the back of his head

"Are you free this friday? I was wondering if you-"

"No can't do, she's taken." Out of nowhere Joey put his hand on my bare waist. I shiver badly as our skin touched, I gulped. What is wrong with me damn it! The junior from earlier went away with a sad face, I will reject him anyway though. I turned to Joey extremely pissed.

"Hands off my waist!" I said coldly.

"Ohhh feisty." He takes away his hand from my waist and he sits in front of me, looking at me.

"2 weeks only." I said and I'm a girl who play fair even I'm piss at first.

"That's my girl, of course 2 weeks is enough for me."

"Enough for what? Are you that happy?" He grinned and how I want to smack his face

"Yes I'm so so happy about this"

"Class, come here!" Mr. Bland called, putting my water bottle down. I turned and walked to the meeting point in the middle of the field.

"How did you get home yesterday?" Joey asked as he walked beside me

"Crawling."

"Aww that's so cute, how long did you take?" He's stupid.

"1 day" I answered bluntly, we arrived at the meeting point and now let's hear Bland.

"Today's game is basketball , soccer and volley. Pick on and make a team" He said and I sighed. It's not that I don't like them but I don't feel like playing today.

"Play soccer" Joey said and I turned to him

"I'm picking volley"

"You're my maid for 2 weeks , do as I say" I glared at him and we both walked to the soccer team. How I wish I had the same class with Raymond.. I'll be glad to play soccer

"Now.. Valentine.. Can you take my small towel and my drink? No no can you please buy me a drink at the cafeteria?"

"My thigh hurts" I caressed my thigh and he shook his head.

"Gorgeous you can't fool me" My heart just stopped for a moment as he called me 'Gorgeous', I looked at him dumbfound. He raised his eyebrows.

"Your money?" I asked, taking my hand out.

"Take it from my bag there" He pointed at the bench beside the soccer field. I nodded weakly and made my way there. As I walked suddenly a ball hit my head hard, I turned to see a bunch of juniors playing volleyball.

"Sorry" They said in unison and I just nodded. I turned and bumped someone , I looked up to see Raymond standing there smiling sweetly at me. He caressed my head where the ball landed earlier.

"Are you okay Val?" I should have fainted earlier..
