

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 320

Valentine Regens

"What are you doing here?" I asked

"I'm admitting application for our team to attend another school's cup" He said and I nodded

"Buy me a drink Valentine! I'm thirsty" I turned to see Joey gesturing me to go

"I have to go"

"Okay then.. see you around Val" He smiled and I nodded , I walked to the bench to find Joey's bag. There's a ton of bags here and he's expecting me to find his bag here? He's an idiot

Suddenly Malvin taking his drink and I turned to him

"Vin , do you know which one Joey's bag is?" I asked and he pointed the black gym bag

"Thanks" I said and he gave me a thumbs up before running back to the field

I picked the black gym bag and tried to find his wallet. Where is it? I reached the corner of the bag and found it. I opened it and my heart froze.. why there's a photo of Taylor here? He likes Taylor?

I quickly take 10\$ and take out his small towel. I ran to the cafeteria and bought him cold water. I ran back to the field with so many questions in my head. Wow.. Joey likes Taylor? He's creepy for having a photo of her in his wallet

"Here" I gave the cold water , small towel and his money back

"Go play volley" He said and I turned to him quite shock

"Huh?"

"Go play volley" He gestured and why is he suddenly becoming nice?

"Go before I'm asking you to play soccer with me" I nodded and ran away. I played volleyball with my friends and it's fun. After we finished 2 games , I'm so tired and I asked them if I could rest.. they let me rest so I walked my ass to the bench where I put my water and my small towel to wipe my sweat.

I turned my eyes to the soccer field and I don't know why my eyes landed on Joey first. I saw him passing the ball and running to the other side. I heard my own heartbeat is flipping weirdly.

Tony passed the ball to him and he shot.. Goal! He hugged his team mates and gave them high fives. He runs his hands to his hair making me gulp nervously and my heart beats 2 times faster. Okay.. there's something wrong with me

I saw him running towards the bench where he put his bag , he put his towel and- wait! My eyes widened as I saw his bag.. I didn't take his wallet and his towel from there. I ran to him immediately

"Joey.." I called and he turned to me

"You already miss me?" I smacked his shoulder and looked at his bag

"Oh damn"

"What?"

"I took the money from the wrong bag.. Malvin said that that's your bag" I pointed and he laughed. He looked through his towel and find a T initial

"That's Tony's" He said

"Sorry"

"I'll give the money and lend him my towel instead," He said. I take a deep breath of relief because I don't know I like the fact that I opened the wrong bag. Knowing that he's not with Taylor making me happy?! Okay that's weird.

"What are you thinking?" He looked at me and I turned my eyes to his face. Sweats streaming down and I stopped when I see his brown eyes

"Nothing" I said

"It's okay if you think I'm hot" I rolled my eyes

"Keep on dreaming bad boy"

"Can you buy me another drink?" He asked and I glared at him

"I won't bet with you again" I hissed and he laughed , he ruffled my hair and I froze

"Betting with me is the most fun thing in the world Valentine.. you will ask me to bet again next time"

"You wish"

"Now chop chop Valentine , get your ass to the cafeteria and buy me 2 bottles of cold waters"

"Jerk," I mumbled and walked away , walking towards the cafeteria and buying 2 bottles of water. I walked back but suddenly stopped by 2 girls and I think they're junior. I raised my eyebrows to them

"Are you and Joey dating?" The blonde girl asked and I laughed

"Have you see me and him holding hands? Kissing? Having a decent conversation? Not fighting?" I asked and she shook her head. I smirked and walked past her

I walked back to the bench and found Joey sitting watching the guys playing. I throw the bottles to him and he looked at me disbelief

"Pick it up" He pointed and I hissed

"You have hands"

"Last time I checked , you're my maid" He smirked and I sighes big time taking the bottles from the ground and passing to him. I sit a few centimetres from him

"There's two girls asking me if we're dating.. Girls here are stupid for not seeing us being enemy" I said and laughed because that's a really stupid question. I turned to Joey who isn't responding

"Are you even listening to me?" I asked and he turned to me

"What's so funny about that?" He asked suddenly his face turn serious , I was taken back with his statement

"What do you mean? We're enemies and the fact us dating is stupid" I said he turned his head straight not answering my question

"Yeah they're stupid , you happy?" After that he walked away throwing the bottles randomly , I looked at him disbelief

"He's acting like a girl on her period" I said

I walked back to the bench where I put my drink , I sat there and turned to see it's 20 minutes left before the class ended. Mr. Bland already let us girls change and take a shower. Taking my small towel and drink , walking inside and taking a shower..

It's bothering me when Joey acts cold like that.. What's his problem?
