

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 323

Valentine Regens

"Valentine" I opened my eyes slowly and looked at the seats in front of me empty. I turned to the left and saw Joey standing there holding a brown McDonalds paper bag.

I turned to the window to see we're at the rest area

"We haven't arrived yet?" I asked

"No.. there's an accident and it's jam there" He pointed and I sighed

"Do you know how long I've been sleeping?"

"Of course , you snore like a pig" I glared at him

"I never snore!"

"1 hour" I nodded and he suddenly put the paper bag on my lap

"For what?"

"Lunch" He answered and I turned to him disbelief

"Just because we're enemies , it doesn't mean I don't have a heart Valentine" He said and I nodded

"Thanks" I smiled and opened the paper bag and find a burger and one small french fries

"If you want to go out and find Leah , she's with Joseph at the mart" He said

"I think I'll go out for awhile , I need to pee" I said

"Go on then" He gestured to me , I got up from my seat and walked out. Taking my bag and the paperbag

"You'll stay here?" I asked and he nodded

"Do you need anything?" He shook his head.. okay Valentine no need to be that care. I turned my body and made my way out from the bus. I ran to the toilet first and walked to the mart to find Leah.

I walked in and saw her and Joseph arguing over something

"This is way more cheaper!" Leah said

"That's one plus one Leah.. It will be more worth it"

"But this brand is mo-"

"Go fight outside" I stand between them and they looked at me shocked

"I thought you were sleeping?" Leah said

"Joey woke me up" I take 2 bottles of milk and looked at them both

"What?" I asked

"This" She took out a small mirror from her bag and showed it to me. My eyes widened as I saw a mole on my left cheek.

"That bastard" I breath in and out

"Wow wow" Joseph hold my arm

"I want to kill him" I hissed and I already prepared my fist to land it on his face

"Just get him back at the camp okay?" Joseph said and I turned to him angrily. I walked out of the mart and went to the toilet again. Washing the marker out from my face and I looked at myself in the mirror.

I walked out from the toilet and saw Joey talking to his friends beside the bus. I walked to him angrily and good thing that his back is facing me. I gestured to his friends to stay quiet when they saw me.

I kicked his ass and he fell down to the ground , he turned to me angrily. I glared at him

"You put a mole on my cheek you bastard asshole" I bursted angrily and punched him savagely. He tried to avoid it but I keep attacking him with my fist

"Val.. calm down" His friends said and I ignored them

"What's going on here?" I turned to the teachers who already glaring at us. I quickly turned to them and looked down to the ground , Joey got up and stand beside me

"What happened here?" Mr. Yorkberg asked

"She's mad because I talked with other girls sir" My eyes widen as Joey said that

"Just because of that , you punched him and kicked him Valentine?" I looked up to Mr. Yorkberg and shook my head

"No sir , he's-"

"You both are in charge of our food! Breakfast , Lunch and Dinner!" He said

"Sir sir it's not like that he-"

"No excuses Valentine.. you both reconcile and take that punishment when we arrive at the camping site" He said and they left us. I kicked Joey one last time and he groaned in pain

"I hate you so much.. if killing people is legal , I already feed you to the piranhas" I bursted angrily at him , his friends 'ohhhh' him. I sighed big time

"Val.. What happened?" Leah ran to me

"This fucking jerk happen.. I want to kill him so bad" I said looking at Joey

"You're savage" Joey commented

"Never mess with me Harris.. You'll regret it" I threatened

"You already said that a thousand times for almost 3 years Valentine.. it doesn't effect me" He smirked , I'm holding myself not to slap or punch him once again because I don't want to add the punishment

"Let's just go.. you take care of that monkey" Leah said to Joseph and pulling me away from him. She pulled me inside the McDonalds.. I just remembered the food that he gave me earlier. I took it out from my bag and throw it to the trash..

I swear Joey.. I will make get you 2 times worse than this

"Why did you throw that to the trash?"

"It's from Joey" I said coldly

"Joey? He bought it for you?" She asked

"Don't say his name because I can burn this place down because of my anger Leah" I turned to her and she nodded

"Calm down yourself.. you're hungry right? What do you want?" She asked

"I'm not hungry anymore , anger takes over me. I'm beyond piss now" I said

"Let's just switch with me.. I'll go to your bus and you go to mine"

"The teachers will find out" I said and trying to calm myself

"So what are you going to do?"

"Kill him"
