Valentine Regens

"I can't believe you take me here again" I said as we stand on the rock. Joey took me to the campsite and went to our usual place again.

"Do you miss this place?" He asked and I turned him. I slide my arm to his waist and I nodded. He kissed the top of my head and I looked up to him

"Kiss me" I said and he immediately kissed me , he rest his hands on my waist and pulled me near

"Happy Birthday Valentine and Happy Valentine's day" He smiled and I give him a peck on his lips

"I can't believe I like you" I said

"Me too.. I thought I will never get you" He said as he caressed my cheek

"We have 3 months left being together before we go to college" I said

"Yeah.. you're right" He held my hand tightly. He sat on the rock and pulled me into his lap. My back meet his chest and he put his chin on my shoulder

"We will work out"

"Yeah we will.." I said but whispering

"You're amazing Valentine , you got me crazy" He kissed my neck and shivers runs down my spine. I smiled widely

"I really love how you say my name" I said truthfully

"I sound sexy?" He joked and I chuckled

"This place sure has a lot of memories" I said

"Our first kiss.. I gave you hickeys"

"Yeah you did.. it was awful" I said

"Turn to me" He said and I stood up. I sit on his lap again but this time I face him. He looked at me and caressed my cheek

"Be my girlfriend Valentine" My eyes widen and I smiled like a kid who just get her first ice cream

"Is that a question or a statement?" I asked

"Statement if you say no.. question is you say yes" He said smirking and I smacked his chest

"What kind of choice is that bad boy?"

"You have no choice but to say yes Valentine"

"Of course I'll be your girlfriend Harris"

"That's more like it Regens" He ruffled my hair and kissed the back of my hand

"What will our friends react to our relationship?" I asked him as suddenly it appears on my mind

"Go crazy I think.. I mean the guys who have a crush on you will go crazy"

"You're one lucky guy then" I touched his nose

"I am one lucky guy. I'm the one who is lucky in here" Joey you just make me fall for you more.. you don't know why you do to me. You're making me insane

"I'm kidding , I'm lucky too. I got a hot guy as my boyfriend"

"How I want to keep you all night" He groaned and I crashed my lips to his. Kissing him hungrily , I like him.. I like him a lot

I just realise how this guy is mean to me , he might be a bully and a prankster but that got us to now. I really love how it turns out right now. How could I didn't see this guy from the start? He's amazing.. more than amazing

"I'm serious with you Valentine. I really like you" He hugged me tightly , I patted his back

"I'm serious too Joey"

"I'm falling hard.. I sounded like a girl but I don't fucking care" I chuckled as he say that

"So were you jealous all this time? With Raymond and Harry? Cory?" I asked

"Hearing their names makes me want to burn them alive. I don't like it a bit.. the idea when you talk to another guy is blowing my heart soul and mind"

"Why are you so cute?" I cupped his face and kissed his nose

"I'm not cute , I'm hot sexy and incredibly handsome" He's a one cocky guy

"And you're mine"

"All yours beautiful"

"So all this time when you called me 'beautiful' , 'babe' , 'sexy ass' and things like that were real?"

"Of course.. That's real" I looked at him disbelief and he raised his eyebrows

"I thought you were mocking me"

"Why am I mocking you? Geez" I smacked his chest

"You literally mean to me all the time!"

"I was trying to take your attention Valentine.."

"You failed" I make a X sign with my finger

"Not anymore" He smirked and I laughed seeing his expression

"Can I have you all day? I really miss you like crazy" I hugged him tightly like he's a teddy bear

"I want it too but I don't think your parents will like that idea" He's such a sweet boy

"I'll miss you so badly when you'll go to New York" I pouted

"We have facetime Valentine.. don't worry"

"What if there's a lot girls who are more beautiful than me and better than me or maybe she-"
