

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 339

Valentine Regens

2 years later..

It's almost summer and as for my department I already got my holiday. Joey is really really busy lately because of his college and business. He opened computer gaming rooms for young people to play together.

I don't know how he can think about that but it's quite brilliant. A lot of young people come to his place and yes it never stops getting customers.

I already landed in New York and already on my way to his university. I'm so excited to surprise him.. we called last night and he fell asleep while we were calling. I understand him.. I love how he still make time for me when he's so tired

I love him more and more everyday..

I got out of the taxi and took my small luggage out. I walked into the university and let's start finding my boyfriend , shall we?

I went there last Christmas and spent time with Joey until New Years eve with his family. His family is really sweet and they have this cute tradition where we all make 25 different dishes to serve on Christmas day.

"Hello.. you seem lost. Can I help you?" I turned to see a blonde hair guy asking me

"Oh I'm fine" I said

"Really? Are you new here?"

"Oh no no.. I'm actually here to find my boyfriend" I smiled and he nodded

"Who is your boyfriend?"

"Joey Harris" I said

"Oh I think I saw him upstairs" He pointed up

"Thank you! I'm Valentine" I take out my hand and he shake it

"I'm Ron"

"Thankyou Ron" I said and I ran to the nearest stair , ran upstairs and walked slowly. My eyes widened and smiled widely as I saw the person that I've been missing for the past 6 months.

I walked slowly so I could surprise him but suddenly he turned his head.. his eyes met mine and I froze. He immediately walked to me with a wide smile plastered on his face

He hugged me tightly and picked me up. How I miss this.. he buried his head to my neck

"How's my boyfriend doing?" I asked

"I miss you so much damn it! I miss you so much" He said and I run my hands through his hair

"I'm here"

"Oh my gosh , how's your flight?" He asked

"Good.. I miss you too" I cupped his face and we both looked at each other. 6 months is tough for us , there's fights , argues but in the end we always get together again. We're a normal couple who live our normal lives. We have our ups and downs but we never break up

"Do you have class after this?" I asked but he crashed his lips to mine. Kissing me hard and he pinned me to the wall

"Joey as much as I love kissing you but people are looking" I whispered

"I don't care" He said and caught my lips again

After that Joey has 1 class left , it's about 2 hours so I decided to walk around the University and maybe I'll wait for Joey in Starbucks.

"We meet again" I turned to see Ron

"Oh yeah.. so you're business too?" I asked and he walked beside me

"Yeah , this is my last year here" I nodded

"So how about you?" He asked

"I'm studying Pediatrics in Stanford" I said

"Smart girl.. Did you find Joey already?" He asked

"Yeahyeah , He has one class left so I let him in and wait for him until he's finish"

"Joey is lucky" I turned to him and raised my eyebrows

"Just by talking to you like this , I know he's lucky. You're smart , beautiful and nice. I wish I knew you before you meet Joey" He said and I chuckled

"You'll find someone , he's not the lucky one but I am. He's amazing" I smiled

"I better go first Valentine , maybe I'll see you around" I nodded

"Nice to meet you Ron and yes I'll see you around" I waved and he waved back. He ran away and I think he's in a rush. Instead of waiting in Starbucks.. I waited in front of Joey's class.

"Valentine" I opened my eyes and turned to see Joey smiling at me

"Are you sleepy?" He ruffled my hair and I shook my head

"You are babe.. I'm done for today. Let's go"

"Joey!" A bunch of guys called him , Joey take my hand and we walked to them

"You wanna go to our party tonight? You can come too beautiful" The jet black hair guy said

"No thanks , My girlfriend just came and I want to spend time with her"

"So girly" One of them mocked and I glared at him

"Just because he wanted to spend time with me doesn't mean he's girly and a loser. We've been long distance since 2 years ago and we barely see each other.. don't make me scratch your face with my long nails" I poked that guy's chest and said it to him coldly

"Okay that's enough babe" Joey pulled me away

"Sorry Valentine" That guy said

"Good because if not I'll hunt you" I glared and Joey laughed

"No one messes with my girl Duke , see you guys tomorrow" Joey said and they looked at me dumbfounded. Joey take my small luggage

"My girlfriend is a she wolf"

"How can he be so annoying?"

"Duke just broke up with his girlfriend , he must be a little mushy" I nodded

"Oh by the way how did you know I was on the 2nd floor?" He asked

"Oh I was walking when suddenly a guy name Ron asked if I was lost or something but I told him that I was looking for you and he told me that you're upstairs" I said and he nodded

"Do you know him?"

"He's my rival in my business project last month"

"You win for him?"

"Of course it's me" He winked and I chuckled

"Where are we going now?"

"Let's get some ice cream!"
