

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 340

Valentine Regens

"Wake up" I whispered and kissed Joey's cheek

"No no 5 more minutes"

"You've already said that 3 times Joey , now wake up you lazy ass" I said pulling his blanket off the bed.
He groaned

"Give me my morning kiss"

"Get up Joey.. no I'm not going to give you a morning kiss" I said as I fold the blanket , he put a pillow on his face and wanting to sleep again. I smirked and walked to him.. Joey always sleep shirtless so let's play dirty

I make a circle on his bare chest and he started to shiver , I smirked because I know he can't get back to sleep again after this

"Valentine" He warned but I slowly trail my finger down to his abs

"Valentine" He warned me again but I don't listen to him

"You bad girl" He suddenly pushed me and now he's on top of me. My eyes widen because I swear I didn't see that coming. He smirked

"I've warned you Valentine" He looked at me with those hungry eyes

"Well I've warn you to get out of bed"

"Why are you so beautiful?" I still get tingles every time he said that and yes he never fail to make me so happy and so lucky

"You're blushing" Oh great

"Are you going to kiss me or are you just going to look at me?" I asked and he immediately kissed me. I circled my arms to his neck and pulled him closer. The kiss become intense and he scooped me up into his lap. He lean his back to wall

"Joey" I'm out of breath and he stopped , our nose touch and we both looking at each other

"Oh gosh Valentine , you still make me crazy every second" He said and I smiled , I kissed him again but this time it's slower.

"I am a one lucky jerk"

"Long distance sucks" I said and he kissed my cheek. Stroking my hair and looking at me intensely

"I love you so much Valentine" I smiled as he said that

"I love you too"

"I don't think if I can live without you"

"No you can't , you can't live without me" I smirked and he chuckled

"Of course.. I'm glad that I took your heart" I kissed him again and it gets rough.. suddenly my phone rings

"Valentine" Joey said between kisses

"Ignore it"

"Valentine.. pick it up first" Joey said and I hissed. I walked to the table and looked at the caller ID

"Hey Chloe" I picked up

"Valentine! I heard from your mom that you're in town!" She squealed and I chuckled. I felt Joey back hugged me and started kissing my neck.. oh boy

"Yeah.. I just got here 2 days ago"

"Want to hang out? Selena is here too!" Joey started to kiss my jaw and slide his hand inside his shirt that I borrowed meeting my bareskin. My breath got hitch and I saw Joey smirking from the mirror

"Of course.. when?"

"How about we have lunch together?" Joey started unbuttoning the shirt slowly and kissed my shoulder slowly

"Okay.. text me where"

"Oh bring Joey okay? Nicholas is joining too"

"Yes mom" I joked and she chuckled. We ended the call and that's where Joey crashed his lips to mine again. He picked me up and pinned me to the wall.

"Joey" He kissed my neck and took off the shirt. Throwing away and he left me only in my undergarments.

"You're so beautiful Valentine" He caught my lips and brought me to bed. You know what happens next..

"I can't get enough of you" He kissed my jaw and he making a circle on my bare back

"I love you so much" I whispered into his ear

"I love you too Valentine"

"Let's shower before we're late to have lunch" I said as I get up but Joey pulled me back into his arms again

"Can you tell Chloe to have lunch next time?"

"No.. let's get up lazy ass" I said

"Make me beautiful"

"I was thinking if you want to shower with me but since you're too lazy.. I'm-"

"Let's go shower love" He cut me and scooped me up to the bathroom

Being with Joey is more than amazing , it's already been 2 years but he still gives me tingles , sparks and shivers all the time. He's really understanding and let's don't forget that he's quite possessive but I love it.

If you all think that my relationship with him is smooth as silk you guys all wrong. We fought quite a lot when we were both busy and tired because of school. There is one time that I ignored Joey's calls for 1 week. He almost buy a ticket to LA to find me because he was afraid that I'm cheating or someone is trying to take me away from him and things like that but he's too stupid to think of me that low if I cheat. We're like other couples , fight and makeup most of the time.

Not to mention that LDR sucks and it makes me sad sometimes not being able to kiss him , hug him or make out with him. Sometimes he surprises me by coming home and now it's my turn to surprise him.

I love him so much.. so much and let me tell you I am really glad that he's the one because no one will ever make me happy like he does.

"What are you thinking?" My eyes turned to Joey who already put his khaki pants on and a white shirt. I shook my head and smiled

"It's a secret bad boy" I winked

"Day dreaming about me?"

"You wish"

"Don't make me ravish you again Valentine because you won't be able to escape me" Oh Boy..
