

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 53

Sophia Celastio

"I'll stay with you." Aaron said and I shook my head. I got into my blanket and ready to sleep.

"Go home, Aaron. I don't want to-" Before I could finish my sentence, he took off his suit leaving him in his white shirt. He got into the blanket with me and pulled me to him. He started to caress my arm and kissed my forehead.

"Don't ever tease me like that, sweetheart. You never know what will happen if I don't control myself." He said and I looked at him.

"Why are you sticking with me?" I asked him as I closed my eyes and circled my arms around his body.

"You're quite interesting actually since you kept rejecting me." He answered honestly and I smiled.

"Let's have a date tomorrow instead going with Josh asshole." He said and I shook my head.

"He wanted to meet up with me."

"I don't want you to." That made me sigh.

"You can't control me, Aaron." I said calmly.

"I don't like that bastard." He bursted and I smacked his chest lightly.

"You can't control me."

"You're mine, Sophia." He said in an angry tone.

"I'm not a thing that you own." I said coldly.

"You're mine, I don't f***ing care. We're going to have a date tomorrow." He said with a serious tone and I looked up to him. I crawled up a little and kissed his lips.

"Happy?" I asked.

"I want more."

"I'll give you more if you let me go peacefully tomorrow." I said and I leaned to his chest again.

"No!"

"Don't make me hate you." I warned.

"You can't hate me sweetheart." He said in a cocky tone. I rolled my eyes.

"I'm tired."

"Goodnight, love." He kissed the top of my head and I started to drift to dreamland.

I opened my eyes slowly and quickly closed them again. The sun rays hit my eyeballs so bad. I opened my eyes in horror to see Aaron still sleeping beside me. He had the same position from last night.

I slowly got up from the bed when suddenly Aaron pulled me back to his arms.

"You're awake?" I asked and he kissed my forehead.

"Good morning, sunshine." He said but his eyes still closed.

"Aaron, it's freaking 10 in the morning. Aren't you going to work?" I asked him as I tried to wiggle out from his arms but he successfully locked me again.

"I'm the boss, If I don't go to work it's fine." He said.

"I need to go to work."

"Let's go on a date." He suddenly said and I thought he was joking, I turned to him.

"Sorry, I didn't hear that. I got a morning deaf." I said and he laughed.

"You heard it, sweetheart." He said.

"My work is pilling up."

"I'll help you."

“Idiot! Why would you? You already have a pile of it yourself.” I rolled my eyes and he chuckled.

“Let’s go on a date.” He repeated.

“I want to go somewhere but promise me, you will follow.” I said and he raised his eyebrows waiting for me to tell him the place.

“Seaworld.” I said and his eyes widen.

“What are you 5?” He asked.

“No date then.” I simply said and got off from the bed. I walked to the bathroom but Aaron stopped me. He held my wrist and looked at me intensely.

“Let’s go somewhere else okay?” He smiled and I glared at him.

“Go there yourself.” I pushed his hand and walked towards the bathroom. Aaron turned my body and pushed me to the wall.

“Fine. Seaworld it is.” He said and I couldn’t help but smile. I missed going there and last time I went there when I was 16 with my friends. It’s been 8 years and I want to see it again.

“I’ll go get ready.” I gave him a peck on the lips.

“I want to join you.” He said as he looked at me like a lost puppy. I glared at him and walked to the bathroom.

“You wish.” I closed the door to his face. I quickly took a shower and dried myself quickly. I need to get my clothes outside and I cursed for forgetting it. I wrapped myself with a towel and walked out.

Aaron’s eyes turned to me and his eyes widen. I quickly went to my cupboard and took my clothes. I walked back to the bathroom to change. I wear light grey halter crop top, top it with a checkered shirt and denim shorts. I curled my hair loosely and put on my make-up.

I walked out and saw Aaron was occupied with his phone. I walked to him and he looked at me smirking.

“You’re going to work?” I asked.

I thought you want me to take you to the Seaworld but here you are trying to push me away again.” He sighed and he held my hand. It gave me tingles all over my body to see that beautiful green orbs.

“You want to wear suit? Or you wan-“

“Go to my penthouse to wash up and change beautiful.” He kissed the back of my hand.

“Let’s go.” He said. I took my small bag quickly and put my phone, purse, lipstick and powder inside. Aaron walked out and I followed him downstairs.

As we walked to his car and got inside, my phone vibrated and I saw a text message from Josh. My eyes widen and I had to keep calm so Aaron won’t be suspicious.

“You ready?”

“Yeah.” I put my seatbelt and he started his car. The whole ride was about us getting to know each other. Me and Aaron have a 4 years gap difference and he’s the only child in his family. He loves hiking, pizza, watching movies and exercise.

"Let's go up." He said after he parked his car in front the lobby. I got off from the car and suddenly saw a Starbucks across the street.

"Aaron." I called and he turned to me.

"Hmm?"

"I want to buy a coffee, you go up and meet me there." I said.

"Let's go together."

"I'll just grab a coffee while you wash up yourself, you won't be long right?" I asked.

"Okay then. Just come to my penthouse after you got it. Tell Dorris to take you there." He said and I nodded. He walked inside and I quickly texted Josh to meet me at the Starbucks since he's already around here.

"Josh!" I hugged him.

"Hey." He said and hugged me tightly.

"How are you? I'm sorry about the last call. Aaron was being a jerk."

"It's fine. He and Blake act the same, I'm used to it."

"How long will you be here?"

"3 days only." He said and I nodded.

"I think we have to see each other tomorrow." I said and he looked at me confuse.

"What the f*** are you doing here?!" My eyes widen as I turned to see Aaron standing behind me ready to kill Josh in seconds.
