

## UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 76

Janet Stanmore

Closing my eyes and sighed for the third times, I just apply my CV to work but no one gave me a job. I even asked them if I can be their dish washer girl but no.

I stomped my feet completely piss as I walked out from a small coffee shop. I saw a black luxury car in front of it and the chauffeur opened the door and gestured me to get inside.

I know this is all Sky's doing, he has money to begin with. I hate him more and more. I walked away but the chauffeur called me.

"Ms. Stanmore" He called but I keep walking, suddenly there are 2 tall and big bodyguards hold my arms and drag me to the car. I tried to wiggle out but it's useless.

I got inside the car and can't help but hissed and cursed Sky in process, that bastard is sure trouble.

After a few minutes of ride, they dragged me out from the car and take me to a big building. I assumed it's the devil's lair.

They brought me to the lift and press 17, it must be the devil's office. I sighed and now what is he going to do to me. I was dragged out from the lift and they pushed me to sit down on a chair.

"You bastard! You got 40%? Damn freaking sh\*\*." I heard a laughed from one of the doors.

"I'm smarter than you, 40% is the real deal why did you take only 25? Stupid head." I heard Sky's voice.

"I'll get that deal bigger next time beside I got the oil share 20% last week." I heard laughs and they kept chatting when suddenly a beautiful lady walked out from the toilet. She looked at me with a questioning eyes as she saw the 2 guards.

"Hello." She greeted awkwardly.

"Hello." I answered awkwardly.

"I'm Sophia." She gave me her hand and I shook it politely. My eyes widen as I remembered that she's Sophia Celastio.

"I'm Janet." I said.

"Baby, what are you doing?" She looked up and saw Aaron Samuel smiling lovingly at her. Aaron Samuel has bruised all over his face and what just happen to him?

"I see the feisty is here." Sky walked out and smirked to me.

"Girlfriend?" Sophia asked and I shook my head crazily.

"She's the blogger that I told you baby." Aaron walked to her and kissed her cheek, holding her possessively.

"Red Heart?" Her eyes widen and I nodded lightly.

"You rock, I mean yo-"

"Sophia, let's go. You want waffle remember?" Aaron hold her hand and smiled to her.

"Take your girl away." Sky said to Aaron and I saw Sophia rolled her eyes.

"Janet, you're really brave, I like you." Sophia said and Aaron pulled her away.

"Love come on let's go, we have to go." Aaron said.

"We have to meet again!" She said and I nodded, smiling awkwardly.

"Baby sh-"

"Follow me." Sky ordered and I stood up, following him entering his office. His office is quite classic, light grey interior and quite spacious for an office. Oh yeah he's a billionaire. His office even bigger than my apartment.

"Are you sastified?" I asked him making him stop walking and he turned to me.

"Of course, Jenny." He smirked and continue to walked to his desk.

"Now what do you want?" I asked as I sit on the chair in front of his desk, crossing my legs and looked at him straight into his eyes.

"Payback 700.000\$ by working with me." He said as he took a paper out from a clear file map.

"Working with you? No thanks." I said, I stood up not wanting to be near him anymore. It makes me sick, even I like to see his handsome face but no thankyou.

"You won't get any work, Jenny." He said and I sit down again, I raised my eyebrows to let him continue.

"I just fired my PA because she took my money around 120.000\$ and now she's in jail so.. I don't have a PA, Jenny. I need you to be one" He said, Jenny? My name is Janet not Jenny.

"I might be taking a lot of money too" Wanting him to reject me and let me go.

"No you won't." He said as he read something from his phone.

"I might be lazy."

"I know all your work history." He answered and I hissed.

"I'm weird."

"You have no medical records about your mental." He answered again.

"I don't want to!" I bursted and he looked up me smirking.

"Go then and be jobless, who's going to pay your dad's bill and your brother's bill, Jenny?" He raised his eyebrows.

"I hate you so much." I closed my eyes and mumbled.

"Work for me and delete that post or go to jail and let your dad die?" I glared at him as he mentioned my father.

"What if I don't want to delete that post? I mean that post is right about you though." I shrugged and I saw his face darkens.

"Fine!" I looked away.

"Good, come to the office 8 a.m tomorrow, wear a decent clothes, Jenny, and make a coffee for me everyday. Make it with a creamer and 1 teaspoon of sugar." He said and I nodded.

"I might poison you." I said and he looked up to me.

"You won't."

"I will."

"Just go, Jenny. See you tomorrow."

"It's Janet, A-hole." I said in a cold tone and he chuckled.

"Jenny is your nickname from me to you red heart" I walked out from his office don't even bother to answered him back.
