UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 95

Sky Locason

"Kyaaaa" I sighed, Sophia literally stole Janet away and I glared at Aaron.

"What?" He looked at me innocently.

"Take your wife!" I said.

"Just get married, Sky." He patted my shoulder and I looked at Janet who was currently talking to Sophia and Jean. She looked so beautiful and I can't stop admiring her beauty.

"Collect your drool." Aaron commented.

"You're lucky that I didn't kill you earlier." I hissed.

"Or what? At least you have to thank my wife for sending her the wedding invitation." He said arrogantly and I rolled my eyes.

"She will comeback anyways."

"Do you think you still can endure 1 month? Looking at your face everyday makes me sick." He gave me a weird face and walked away.

I walked towards Janet and put my arm around her waist. She flinched a little but when she saw it was me she talked to Jean and Sophia again.

"Let's just get out from this wedding." I whispered to her ears and kissed it.

"Iu* get a room you two." Jean protested.

"It's your fault, you took her away." I said to Sophia and she glared at me.

"You should thank her, Sky," Janet elbowed me and my eyes widen.

"What?" I looked at her.

"Thank her." Janet said and gestured me to thank her.

"For what?"

"Go away from me." Oh crap!

"Thankyou Sophia Cel- Samuel, you're so kind and-"

"Okay no need to continue, I get it. Take her away." Sophia pushed Janet to me and I smirked.

"Where is my husband?" Sophia blurted as we walked away. I held her hand tightly but suddenly my mom blocked our way. She gave me a piss expression. Because I stopped suddenly, Janet crashed my back. Her eyes widen as she saw my mother standing in front of me.

"Hello." Janet walked and greeted my mom.

"Hello, oh my you're so beautiful!" My mom shook her hand excitedly.

"Mom." I warned.

"What's your name?"

"Janet Stanmore, Mrs. Locason." Janet smiled widely and that makes my mom smiled.

"So Janet, you did a really great job keeping my son in place." She stated and Janet looked at her completely don't understand.

"Mom I-"

"Shut it Sky!" My mom snapped me and she pulled Janet away.

Not again.

I followed them and guess what? They went to my dad and I face palmed myself but still following them.

"Savio this is Janet, the girl that Sky kissed earlier." I sighed hearing my mom statement. Can she make a better statement?

"Hello, I think I know why Sky likes you." My dad smiled.

"Really?" Janet chuckled lightly, she realised something.

"I'm Janet sir, sorry forgot to introduce myself."

"Call us my our names Janet, i'm Lily Locason and Savio Locason." My mom smiled.

"Okay.." Janet smiled awkwardly.

"I just got her so please let-" I said but my mom cut me.

"Don't be selfish Sky." My mom glared.

"Mom!" I groaned but Janet gave me a smile.

"Don't be rude!" She hissed after giving me a smile.

"Listen to her Sky!" My dad said and I sighed.

"So what is your job?" My mom asked excitedly.

"I'm a writer, Mrs- oh Lily." Great just great, I'm going to be left alone. I decided to walked away and take a drink. I drank the drink in one shot because I'm damn pissed, I just got her back but people always stole her.

"Still have a bad temper?" She whispered in my ear and I turned to her.

"I still do and you're the one who always cause it." I said honestly.

"It's a good thing though." That made me turn to her and just stared at her beautiful blue eyes.

"Care to explain Jenny?" I smirked and I know she hates me for calling her that.

"Bad temper, bad attitude, bad brain and gay." She mentioned it one by one as she gave me a mocking smile.

"Do you always have to get in my nerves?" I asked.

"Is that your way to say that you miss me?" She asked and crossing her arms in front her chest.

"Maybe." I smiled and she chuckled, suddenly she looked at the ground. I sense something is not right, I pulled her chin up so I can see her eyes.

"Hey what's wrong? Did I-"

"I miss my parents." She said and I pulled her into a hug.

"I know." I caressed her back slowly, I kissed the side of her head to make sure she's okay. I know it's not easy to let someone go and I want to be the person who comfort her the most.

"I'm sorry, I'm such a kid." She wiped her tears and I stared into that blue orbs.

"Do you figure out something after going to Greece?" I asked and she nodded.

"Want to tell me?" I asked and she shook her head.

"Tell me." I said and she shook her head again.

"If you both want to eat each other face you can.. you both look weird." Sebastian passed by and I closed my eyes. Unbelievable!

Janet suddenly circle her arms around my neck and she looked straight into my eyes. She caressed my cheek with the back of her hands.

"The fact that I started to miss your annoying tone, your bossy tone and your angry tone, the fact that I start to missing you and.. the fact that I think I like you." She smiled widely.

"Is that so?" I raised my eyebrows.

"Argh I hate you!" She let go her arms and before she turned around I crashed my lips to hers again. Not caring about people who see us. I miss her and that's the most important one.

"You're annoying as hell."

"No cursing sweetheart." I gave her a peck on the lips again and she glared at me.

"I don't want to ruin that little mouth of yours." I smirked.

"Suddenly I have a thought to go back to Greece." She said cheerly and I shook my head.

"If you already come back to me, there's no going back." I smirked and she just rolled her eyes.

"So you like me?" I asked planning to tease her.

"No."

"Aww I like you too." That made her head turn to mine, her eyes widen.

"Joking I don't like you." I said as I put on my serious face.

"Greece is calling me back and I'm going to go." She said and walked away from me.

Everything will always be interesting when she's around.
