

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 99

Janet Stanmore

As soon as we entered the restaurant, the girls greeted me excitedly. They hugged me so tightly and dragged me away. I couldn't help but feel so love by them, they're so lovely and welcoming.

"We should go shopping sometimes." Jean squealed.

"Yeahyeah, we should and we need to hang out often." Sophia agreed to her.

"We should have a girl's day." Rose added and I chuckled.

"We should." We sat on a really long table because there 11 of us. I sit between Sky and Rose.

"Sky, thankyou for the car." Sebastian smirked and Sky just nodded.

"I want the blue one." Luke said and Sky looked at him disbelief.

"Just look at yours once you go home." Sky rolled his eyes.

"Oh great this group is getting weird." Kenneth commented.

"You guys almost 30, get over it Kenny." Rose said and Kenneth just smirked.

"Feisty." Max looked at Rose and Rose just looked away. I think their relationship isn't on a good state right now. After talking for awhile, we all ordered our breakfast. Sky suddenly held my hand under the table and just caressed it.

"Why is your hand so cold?" He asked.

"Just a little bit cold, I guess." I answered, he suddenly let go of my hand and stood up. He walked out from the restaurant and I just let him.

The guys are on the right side so they're talking about business that I don't know about. We the girls are on the left side so we can talk about a few things. Suddenly I felt a warm jacket hanging on my shoulder. I looked up to see Sky putting it on me. He plopped himself beside me again.

"Better?" He asked and I smiled.

"Thankyou."

"So cute!" I flinched as I heard Sophia squealed.

"Are you okay?" I asked her and she just nodded.

"You both are so cute!" She mouthed and I chuckled.

"You almost give me a heart attack woman!" Aaron looked at her and she just stuck her tongue out.

"First one was Aaron and now Sky, I'm happy to see it but it makes me want to throw up." Jean commented and she got a glare from Sky. I smacked his arm.

"Blake..." Jean suddenly whined.

"Yes love?" Blake literally ran from his seat to go to his wife's.

"I want sushi."

"Sushi? Wanna go now?" He asked.

"I want you to buy it." Jean begged and Blake nodded at her.

"The usual?" He asked her.

"Please" Jean smiled.

"Okay" Blake kissed the side of her head and walked out from the restaurant.

"Are you pregnant?" Rose asked.

"I don't know, I have weird cravings these days."

"Settling down means being the wife's slave." Luke said and the girls turned to him, ready to murder him any second.

"Watch that mouth of yours brother." Rose said and Luke shrugged.

"Wait until you found one asshole!" Aaron commented.

"He will trust me, he will kneel to that girl's feet begging." Rose said and Max laughed. Rose got quite annoyed by it when her relationship with Max is not good.

Not long after that the food has arrive and Blake arrived at the same time with a tons of sushi for his wife. Jean gave him a lot of kisses. Blake is just a husband goals.

We started to eat and talked to each other.

Suddenly Sky's phone rang, he quickly picked it up and his expression changed. I looked at him with a questioning eyes. He's on the phone without answering anything, he just listened to the caller.

"S***!" He cursed as he ended the call.

"Laura is making a dirty moves." Sky said and the boys looked at him. I tensed as I heard her name.

"Did she really do things that she threatened you?" Kenneth asked.

"I tell my man to send you the footage." Sebastian quickly called someone.

"Damn that b****." Alex cursed.

"What exactly did she do?" Max asked.

"Vander said she put out an article about it and put Janet's face all over the internet. Looked at the news" I tensed and froze, Sky turned to me.

"I'll take care of this." He said and kissed the side of my head.

"What happen actually?" I asked.

"She went to us 2 days ago and I don't know how did she know that you're the Red Heart. She threatened me to publish you." He said.

"I'll send the footage to Vander and tell him to process that." Sebastian said.

"Why do you have that footage?" Luke asked.

"My dad hates the Johnson's and people know that Peter has an affair with the b****. The footage are all over the place and that footage was recorded by the b**** herself. It was used to threatened Peter but it leaked." Sebastian explained.

"She's not just with Peter, she took away Daniel's money and put it in her bank account and she has an affair with Wellington too." Ken added.

"Put that video online and put an article of that quick Sky." Alex said.

"I'll take care of it okay? Don't be afraid." He kissed my cheek before he went out to make a call.

"She is s***." Aaron commented.

"She hates Kenneth so much because Kenneth was the one who make Sky saw at her dark side." Rose said.

"Of course, I'm always be the one who hate by people." Ken said.

I opened the news and my eyes widen.

Red Heart Identity

Damn doom.
