C7 Li Jianjun Made His Move

"But... "However, mental illness is a worldwide problem, and the time for recovery cannot be grasped. It might be recovered by tomorrow, or it might be ..."

The doctor didn't dare to continue the sentence, but everyone understood its meaning.

If he was unlucky, Li Xiong would only be a fool for the rest of his life.

"Humph!"

Lee Jianjun's cold eyes swept over, scaring the attending physician so much that he immediately lowered his head, his body trembling.

"Tell me about it!" "What is going on? There is always someone to blame for what happened!"

"Who?" Injured my son? "

After hearing this, one of the yellow-haired men on the floor raised his head. One day, he seemed to have been tormented by pain. He was beaten black and blue, and his appearance was extremely miserable.

"Halo School... Shen ... Shen Qingfeng... "

The yellow-hair feebly opened his mouth and recounted what had happened.

"It's been too long. It seems like someone has already forgotten about my Dual Bladed Li."

"Shen Qingfeng... No matter who you are, I want you to pay with your life for my son! "

Lee Jianjun stood up and brought the group of big sized men out. This big boss who had been silent for twenty years had once again left the Jianghu!

Shen Qingfeng had stayed in the classroom for an entire day, he could understand the teaching materials just by looking at them.

Although he did his best to stall for time, after three hours, he had mastered all the textbooks he had learned in high school for three years. He spent the rest of his time meditating with his eyes closed.

He decided to minimize the time he spent in school. It didn't mean much to him anymore.

The last class was a self-study class. As they approached the end of the class, the classroom door suddenly opened.

"Shen Qingfeng!"

Jiang Muwan suddenly rushed in, and seeing that Shen Qingfeng was sitting properly on the seat, she patted her chest and heaved a sigh of relief.

The two were not in the same class. He was in Class 9, but Jiang Muwan was in Class 1.

"Luckily you were in the classroom. You scared me to death. Come out with me." With that said, she dragged Shen Qingfeng's arm and walked outside.

"Listen, hurry up and run away from the back of the school. If you delay it any further, I'm afraid those people will rush in and deal with you."

"What's wrong?" Shen Qingfeng asked, puzzled.

"Aiya, why haven't you reacted yet!"

"Li Xiong!" I never thought that you would really hit Li Xiong. Right now, his father has gone crazy and called a large group of people to block you at the door! "

Jiang Muwan said anxiously. It could be seen that this little girl was truly worried for him.

"Hehe, I thought it was because he is just a hoodlum!"

"This kind of trash doesn't even deserve my help. How could he scare me away?!"

Shen Qingfeng found it funny. Right now, he had already reached Foundation Establishment and could be considered to be a Immortal Cultivator.

Don't underestimate Building Foundation Stage. This is the difference between a Immortal Cultivator and a mortal, like a heaven that cannot be overcome.

"Come on, I'll fight. In this life, there's also no one who can make me retreat!"

The corner of Shen Qingfeng's mouth revealed a confident smile.

"You ..." "What are you pretending to be a big tailed wolf at a time like this!"

Jiang Muwan was so anxious that she wanted to jump. She felt that it was because Shen Qingfeng wanted to show off in front of her that he was trying to show off.

But who was Li Xiong's father? Back then, when he chopped down those people on the streets with two sabers, if it wasn't for his best friend sending her messages, she wouldn't even have known about this!

"What? You don't believe me?" In front of me, there are no opponents! "

Shen Qingfeng rubbed Jiang Muwan's head, the extremely confident words were filled with power, and he almost believed it.

"You big idiot!"

Jiang Muwan punched Shen Qingfeng in the chest, then ran away with red eyes.

"Ah?!" There's no need to doubt me so much! "

Shen Qingfeng sighed helplessly, he was no longer the high school student that was easily bullied!

"I beat up the young one, but the old one came out again?"

"No matter what, if you dare to attack me, I will teach you an unforgettable lesson!" A trace of light flashed across Shen Qingfeng's eyes.

Jiang Muwan ran to the other side of the stairs and angrily kicked a few times at the wall.

She was still angry at Shen Qingfeng. What was wrong with this guy? Was it time to play hero?

She took out her cell phone and dialed a number.

"Hello? "My lady, why are you calling me at this time? I haven't woken up yet!"

A lazy voice came from the phone. It was already 17 o'clock, yet he still hadn't woken up. This kind of life was simply reversed between black and white.

"Little Ling, Li Xiong's father wants to deal with my bro, can you think of a way to help him?"

Jiang Muwan went straight to the point and made a request to her best friend.

"Ah?" Li Xiong's father? Lee Jianjun? "

"F * ck!" Who's so amazing! That's someone on the level of big brother, he can be considered number one in Jiangdong City! "

An exaggerated soprano voice came over from the phone, mixed with a hint of excitement, as if she was very interested in the person who would anger Lee Jianjun.

"Aiya! Are you listening to me! Lee Jianjun is leading his men to ambush us outside! It's extremely urgent! "

Jiang Muwan stomped her feet and complained.
