

Wonder Doctor Read Online Chapter 171

Seeing Lin Ran, both Yulan and Xu Zhi were stunned, the two of them had come back one after the other, and at this point they still didn't know why Lin Ran was here.

“What's going on with you two!”

Seeing the two enter, the beautiful young woman sitting at the bar stood up, her face a little ugly.

“During work, you don't see anyone and you come back in this state, do you two not want to work anymore!”

The beautiful young woman scolded.

“Old Boss lady, it's a long story”

Xu Zhi opened his mouth and said awkwardly, but before he could finish his words, Yulan who was on the side opened her mouth and interrupted him.

“Boss lady, I want to resign!”

“Resign? Why?”

The beautiful young woman was stunned and a little surprised, although Yulan had only been here for two days, but this ninny's down-to-earth and willing attitude still made her like her very much, she didn't know why she suddenly wanted to mention resigning.

“What's wrong? Is it because of the low salary?”

The beautiful young woman asked.

Yulan shook her head and looked to the side at Xu Zhi, who was just about to speak, but Xu Zhi said first.

“Boss lady, Xiaolan is probably not used to the way she works, I’ll talk her through it later!”

Although Xu Zhi was horny, he probably had some brains to make it to manager, he could tell that the boss lady liked Yulan a lot and didn’t want to hit a nail in the head on this.

“Well! Colleagues have to take care of each other a little more!”

The boss lady laughed, seemingly not seeing what else Yulan wanted to say, and said with a wave of her hand, pointing at Lin Ran in the distance.

“Alright, there’s a guest, hurry up and go and receive him.”

After saying that, she was ready to go back and continue watching TV.

However, before he could even take a step, he heard Yulan and Xu Zhi exclaim.

“How come it’s you!”

“You guys know each other?”

The boss lady turned her head and asked, just now she was too lazy to bother with Lin Ran, so she didn’t go up to greet him, and when she saw that he hadn’t left, that’s why she let the two of them go up to ask about the situation.

“Know each other!”

“Don’t know!”

Yulan and Xu Zhi spoke at the same time, but the answer was two versions.

“What’s going on?”

The boss asked, frowning.

“I’ll say it!”

Yulan glared at Xu Zhi, and then told what had just happened, but did not say that Xu Zhi was trying to submarine her, after all, she still wanted to be innocent, and it was better not to say anything if this had not happened.

“Humph!”

The boss lady snorted coldly at her words, not wanting to pursue the grudge between the two of them too deeply, and said.

“Colleagues should help each other, all right, let’s pretend this matter never happened, you guys hurry up and go to the reception!”

“Boss lady, let’s forget about him, what kind of decoration materials can this dress afford!”

Xu Zhi said disdainfully, just now Lin Ran was so dark in his hands, this matter let him go to service, it simply made him feel worse than killing him.

“Just go and deal with it, just send them off casually!”

The beautiful woman said impatiently, she also felt that Lin Ran had just come to see what he could afford with this dress.

“Go! You go and receive!”

Just as the boss lady left, Xu Zhi turned to look at Yulan and said.

“Why should I go?”

Yulan asked rhetorically, although she had some desire to go, but Xu Zhi’s commanding tone really made it very difficult for her.

“I am the manager and you are the manager, hurry up and go!”

Xu Zhi scolded.

Yulan really didn’t want to take him on, plus the guest was Lin Ran who had just saved her life, so with a grit of her teeth she went anyway.

“When I’m done receiving him, I’ll definitely leave!”

Yulan thought in her mind and had already arrived in front of Lin Ran.

“What a coincidence, I didn’t think you were actually an employee of this shop!”

Lin Ran looked over with a smile on his face.

What had just happened had made Yulan feel a little bit better about Lin Ran, and at this moment, seeing the latter’s smile, she couldn’t help but feel very sunny, and her pretty face suddenly blushed.

“Yes, what a coincidence!”

Yulan covered her face with some embarrassment and then said.

“That, the boss asked me to come over and ask, are you looking to buy any decoration materials?”

“Yes! The full decoration!”

Lin Ran laughed.

Yulan was delighted at his words, there were many decoration companies in the building materials city and many customers, but those like Lin Ran who wanted full decoration were very few.

Because the building materials city is very much like a wholesale market, those who usually come here are either insiders or people who understand the industry, while ordinary people are usually pulled to the decoration company.

Most of the people Yulan had come into contact with in the past two days were also insiders, so business was very bad, while outsiders like Lin Ran, who also wanted the whole installation directly, were simply their gods of wealth.

“Then I don’t know what style you want to install? Also how big is the area?”

Yulan hurriedly asked, having been here for two days, this was the first time she had actually received a guest.

“The clinic, with an area of about four hundred square metres!”

Lin Ran said.

“Four Four hundred square metres!”

Yulan's entire body was immediately dumbfounded, although she had only been here for two days, most of her clients were around one hundred square meters, and the largest was only two or three hundred square meters, this four hundred square meters like Lin Ran's could be said to be the largest order she had ever come across.

And to be clear, a four hundred square meter renovation was already considered a big order for their small shop, and the orders Xu Zhi usually took were only one or two hundred square meters mostly.

“What's wrong?”

Seeing Yulan for a moment, her mood fluctuated so much, Lin Ran couldn't help but ask.

“Ah! Nothing... Nothing!”

Yulan hurriedly said, while glancing at Xu Zhi in the distance, she couldn't help but smile with joy in her heart.

“Then wait a moment, I'll go and talk to my old companion!”

With that, she turned around and went to the front desk.

Xu Zhi had been waiting at the side for a long time, although he didn't want to talk to Lin Ran, he was waiting for a chance, a chance to properly beat Lin Ran's face.

As far as he was concerned, Lin Ran was a country bumpkin with this kind of dressing, and he was still decorating, he didn't even understand his own dressing, so he could decorate for nothing, and when he found out the area he had decorated, he could go up and hit him in the face.

When he saw Yulan walking back, he hurried up to him.

“Hey, is he not buying anything!”

“What’s it to do with you!”

Yulan glared at him and whirled towards the bar.

Xu Zhi was so angry that he immediately followed him.

“Well?”

The owner’s wife asked as she saw Yulan walking over and looked up.

“Very good!”

Yulan laughed.

On the side, Xu Zhi, however, laughed coldly.

“Very good? Don’t be ridiculous, with his poor look, I’m afraid he would be heartbroken to buy anything over a hundred, and it’s still very good!”

“What does he need?”

The owner asked, although she agreed with Xu Zhi’s idea, but she still had to ask.

“He wants to renovate the shop, it seems he wants to open a clinic!”

Yulan said.

“What? Did you hear wrong! Just like that he’s opening a clinic? You’re kidding me!”

Xu Zhi said disdainfully, not believing it at all, but the boss's wife on the side chided.

“Shut up!”

Xu Zhi's face turned ugly when he was reprimanded by the boss's wife, but he didn't dare to get angry, so he could only hold back in silence.

“What are all the renovations?”

The boss's wife continued to ask.

“The whole renovation!”

Yulan said, and as soon as the words left her mouth, she clearly saw the boss lady's face change, somewhat cloudy and uncertain, as if she couldn't decide.

“And! I'm afraid it's similar to a village kiosk, this kind of business doesn't make any money, I'll go and get rid of him!”

Xu Zhi sneered, and at the same time prepared to get up.

The boss's wife didn't open her mouth to stop, obviously thinking that Xu Zhi had a point, whole decoration was very profitable, but it also depended on how big the area was, who would normally choose whole decoration.

“Boss, is it hard that you don't want to know how much the area is?”

Yulan suddenly spoke up and laughed.

“What's the point of asking? It must be more than ten square metres!”

Xu Zhi sneered.

The boss's wife, however, frowned slightly and opened her mouth to ask.

“How many square metres?”

Yulan smiled at her words and then said.

“Four hundred square metres.”

Wonder Doctor Read Online Chapter 172

“Four... Four hundred square meters! Are you out of your mind, just a poor loser like him can afford to renovate a four hundred square meter clinic?”

Xu Zhi did not want to believe it.

The owner's wife was also a bit incredulous and said.

“Yulan, you can't joke about this, a four hundred square metre clinic, do you know how much it costs to renovate it? That's as much as our workload for a month!”

“I'm not joking!”

Yulan said seriously, she knew that the boss's wife and Xu Zhi thought that Lin Ran didn't have the strength, but what she had just heard was four hundred square metres.

Seeing that Yulan didn't seem to be joking, the boss lady sat up and gave Xu Zhi a scolding look.

“Why are you still standing there, why don’t you hurry up and go to the reception! If you can’t get him, you don’t have to work here!”

“Huh?”

Xu Zhi was stunned at his words, just now he and Lin Ran had some conflicts, at this time go to receive him

“Ah! What ah! Don’t go yet!” The boss lady scolded.

“Yes... Yes!”

Xu Zhi had no choice but to walk towards Lin Ran, but he had already made up his mind in his mind that public was public and private, and when the talk about the renovation was over, he would make sure to settle the personal issues between them.

With this in mind, Xu Zhi had already reached Lin Ran.

“Hey! I heard you want to fit out a four hundred square metre shop?”

Xu Zhi said disdainfully, the list was not small, but he did not want to appear too flattering, he still had to be somewhat arrogant.

However, who knew that Lin Ran didn’t pay any attention to him, still looking at a piece of decoration material in his hands.

“Didn’t you hear what I said to you!”

Xu Zhi’s eyes narrowed slightly and he said in an unkind tone.

“What’s with the barking! Who are you talking to!”

Lin Ran said in a cold voice without raising his head.

“Nonsense! It’s just the two of us here, if we don’t talk to you, should we talk to a ghost!”

Xu Zhi said in a cold voice, if this wasn’t a company, he would have already made a move to beat this guy up, just now this guy had sneaked up on him, how else could he not be able to beat him.

“I have a name, besides, I don’t want to talk to you!”

Lin Ran lifted his head and said with a smirk.

Xu Zhi smiled at his words, but he laughed.

“Haha! That’s very unfortunate, I’m the manager here, so if you don’t want to talk to me then get lost!”

For personal reasons, Xu Zhi didn’t feel like serving Lin Ran, if this guy didn’t do it here, he would say that he was the one who disliked the price, and then the boss lady wouldn’t do anything to herself, after all, she had been working here for so many years.

“O? Yeah!”

Lin Ran smiled lightly, and immediately got up and walked towards the bar, which made Xu Zhi’s heart tighten and his hands unconsciously clench up.

“Who’s the boss here!”

Lin Ran shouted as he walked.

“Me! I am!”

The boss's wife had been waiting for a long time, and when she saw Lin Ran coming, she hurriedly got up and answered.

“You should know what I'm going to install, sign the contract now at the market price!”

Lin Ran laughed.

The boss lady smiled incomparably at his words and turned her head to give Xu Zhi a thumbs up.

Xu Zhi, however, felt his face burning hot because he hadn't negotiated down at all, but in his heart he also wondered why this guy was suddenly about to place an order.

“That four hundred square meters of whole decoration, the cost is about three hundred thousand!”

The boss lady laughed.

Lin Ran nodded, and then said.

“I also need medical equipment, medicine cabinets and other things, you guys help me get everything together, calculate the total price!”

“Yes, just a moment!”

The boss's wife was already overjoyed and hurriedly went to calculate the total price, and within a short while, the total price was calculated.

“All down, four hundred thousand!”

“OK!”

Lin Ran nodded his head, indicating that there was no problem.

Such a quick cooperation, not to mention Xu Zhi and Yulan, even the boss's wife found it unbelievable that this single negotiation had gone too smoothly.

“Then we sign the contract?”

The boss's wife asked tentatively, this duck was about to be cooked, she didn't want to have any more problems.

“No rush, before we sign the contract, I have to ask one thing!”

Lin Ran turned his words around and said with a smile.

“Good! You ask!”

The boss lady laughed, as long as she could get this order down, not to mention asking a thing, even if she asked her age and weight, or if she had a husband, she would answer truthfully.

“I want to know, how much is the employee commission when your company negotiates a single deal?”

Lin Ran asked.

“Huh?”

The three boss ladies were all stunned at the words, the first time they had come across a cooperation that had asked how much the employee commission was for someone else's family.

“What? It's not convenient to say?”

Lin Ran frowned and said.

“No No!”

The boss's wife smiled awkwardly, then said.

“It's based on ten percent of sales!”

“Good! Then my total for this order is four hundred thousand, ten percent, that's forty thousand!”

Lin Ran did some calculations and then said.

“I'm asking for three hundred and sixty thousand to be paid to your company, and the remaining forty thousand, which is considered commission, will be transferred directly to the employee who received me!”

“This”

The boss lady was a little hesitant, Lin Ran saw this and smiled as he got up and said.

“If you can sign the contract right away, if not, then I won't bother!”

Said Lin Ran and walked towards the outside.

Seeing this, the boss's wife hurriedly said.

“Yes! Of course you can without any half-assed problem!”

Saying that, he rushed to Xu Zhi who was on the side and said.

“What are you still standing there for, hurry up and get your card number and get this gentleman to give you the commission!”

“Me?”

Xu Zhi was a bit baffled, he just wanted to take revenge on the kid, how could he want to give himself a commission, and at once 40,000, such a high commission, he had never seen it once in his long career.

“He?”

Lin Ran turned to look at Xu Zhi, and then laughed.

“Boss, I’m afraid you’re mistaken, the one who received me was Yulan, not this rash young man!”

“What?”

The boss lady wasn’t calm this time, Yulan had only been here for two days, and had just asked about the situation, and this was considered reception? That’s 40,000, it hurts her to think about it.

“What? Is there a problem?”

Lin Ran asked indifferently.

“No No problem!”

The boss lady said with a smile, while hastily greeting Yulan and bringing her card number.

He could see that this girl was in desperate need of money, so this was also a help in disguise.

After all, he had just offered to help her, and if this girl did not leave her job in the end, Xu Zhi would still be looking for her in the future, as the saying goes, helping people to the end, he naturally would not stop halfway.

After signing the contract and agreeing to start the renovation tomorrow, Lin Ran then walked out of the building materials city.

But just as he was about to get into his car to go home, a figure stood in front of him, and when he looked at him, it was Xu Zhi, whom he had just met inside.

“How come you didn’t give the commission, and you still won’t let go?”

Lin Ran looked at Xu Zhi and laughed.

“Don’t fucking disgust me, just now inside I couldn’t deal with you, now that I’m out, let’s settle a personal score!”

Xu Zhi said in a cold voice.

“A personal score? How do you want to settle it?”

Lin Ran looked at Xu Zhi with great interest.

“You sneaked up on me twice before, you really think I’m a paperweight, now I’m going to step on you openly and honestly!”

Xu Zhi said in a cold voice, at the same time, his entire body had already charged towards Lin Ran with a power under his feet.

“If I don’t beat you up today, I won’t be Building Material City Xu Zhi!”

“Ai!”

Lin Ran looked straight at him and shook his head, how could there be someone who was actively looking to get beaten up.

Since this was the case, there was no need to be polite, so he waved his palm and gave a slap to the face of Xu Zhi, who was rushing towards him.

Wonder Doctor Read Online Chapter 173

Xu Zhi was overturned to the ground with a slap, and was instantly baffled.

If it was Lin Ran who sneaked up on him before he wasn't prepared, but this time the two were fighting head on, yet he still couldn't even last one round, this was simply a crushing of strength.

“You Who the hell are you!”

Xu Zhi was being arrogant, but at this point he was also snapped out of it, knowing that he was simply no match for Lin Ran.

“Lin Ran.”

Lin Ran said indifferently.

Xu Zhi's face was full of black lines, this reply was almost as good as not saying anything.

“Kid, I admit that you are more skilled than me, but if you dare to offend Laozi, you will regret it sooner or later!”

Xu Zhi said in a cold voice.

Lin Ran smiled blandly at his words and said.

“Is that so? Then I’ll wait for you to make me regret it! If you still want to come and have a slap at me!”

“You!”

Xu Zhi was speechless, his face was on fire at this moment, and when he heard Lin Ran’s words, he couldn’t help but rush to cover the other half of his face.

Lin Ran turned around and left, not bothering with this scum.

But right after Lin Ran left, Xu Zhi was the one who took out his phone and called out.

“Hey! Old Zhang, arrange a dozen workers for me and wait for me at noon at the neighborhood near Temperance University!”

“Brother Zhi, is this another job? The brothers are all waiting impatiently!”

A middle-aged man’s gruff voice rang out over the phone, making people very confused, a middle-aged man actually called out Brother Xu Zhi, this was a bit of a poor name for a generation.

“Cut the crap, this time it’s my own business, just bring your men and guys over, after the job is done, I have a big job waiting for you!”

Xu Zhi said.

“Okay! But Brother Zhi, you have to say the location, we have so many renovation tools here, mine will be shipped over in advance!”

Old Zhang said over the phone.

“Not decoration, just bring shovels, today is to fight a man!”

Xu Zhi said helplessly.

“Beat up someone? That man is near the university town?”

Old Zhang asked.

Xu Zhi said with a black line on his face, impatient.

“Which is so much nonsense, I’m going to a friend’s house for lunch, when I finish I’ll go straight to you guys, that kid is a client of our company, I can get his address!”

“Good!”

Old Zhang was not talking nonsense and immediately hung up the phone to get ready.

“Aren’t you crazy, I’m going to show you what it means to have a big fist today!”

Xu Zhi revealed a cold smile of satisfaction, and immediately hung up the phone and ran back to the company to check Lin Ran’s address.

.....

When he left the building materials city, Lin Ran first went to the supermarket and bought some ingredients, then went back home.

It was almost noon, and Song Nuan’s friends should be visiting the house, so he remembered that he was going to play the role of cook for this girl.

When he got home, before Song Nuan returned, Lin Ran dove into the kitchen and began to work.

It wasn't until the time came around noon that the sound of the door opening finally came, followed by the chattering voices of a group of women, Lin Ran roughly judged from the voices that there were three women coming in.

“The food smells so good! Nuan, you still know how to cook!”

A tall, beautifully dressed woman asked, her name was Meiya and she was one of Song Nuan's high school classmates.

“I didn't make it, my friend did!”

Song Nuan laughed, while greeting the crowd and sitting down.

“A friend made it? It can't be a boyfriend!”

Another average looking but very richly dressed woman laughed, she had a birthmark like a musical note on her face that looked very special, she was also one of Song Nuan's high school classmates, her name was Li Yin.

“Don't talk nonsense, I don't have a boyfriend!”

Song Nuan said hurriedly, but her pretty face was uncontrollably red.

“Yo yo yo, still denying it, your face is blushing to the base of your neck!”

Meiya laughed.

Li Yin followed with two laughs, then hurriedly stopped the two and laughed.

“Come on, even you have a boyfriend, but our Yulan doesn’t have one yet, and you guys didn’t say anything to help introduce him!”

“Definitely help, definitely help!”

Song Nuan laughed, while looking at Yulan.

That’s right, her last high school classmate was none other than Yulan.

“Don’t make fun of me, I’m as busy as hell, how can I have time to find a date!”

Yulan laughed at herself, but in her mind she remembered that figure from last time.

“Alright, stop it!”

Song Nuan laughed, while looking at Li Yin.

“Didn’t you say your boyfriend was back too? Why hasn’t he arrived yet?”

“It should be soon!”

Li Yin said, while looking at her watch, just then there was a knock at the door.

Song Nuan quickly ran to open the door, and the person who appeared at the door was Li Yin’s boyfriend, Xu Zhi.

If Lin Ran was here at this time, I'm afraid he wouldn't have been able to stop laughing, the two people he just met this morning were actually at his house again, I really don't know if it was fate, or if they were just narrowing the path of injustice.

When he opened the door and saw Song Nuan, Xu Zhi was immediately stunned, he had never seen such a beautiful woman, even his girlfriend Li Yin, I'm afraid she was not even a tenth of the woman in front of him.

"You... Hello, my name is Xu Zhi, Li Yin told me to come!"

Xu Zhi said hurriedly, but his eyes were unblinkingly staring at Song Nuan.

"Ao, it's all inside, come in!"

Song Nuan squeezed out a smile and said, but in her heart, she was a bit disgusted with this young man named Xu Zhi in front of her, the way she looked at herself just now already showed his character.

"Everyone's here, sorry I'm late!"

Xu Zhi came in and saw the four women, he couldn't help but feel happy in his heart, although his girlfriend Li Yin was also present, but this didn't affect his mood in any way, after all, only if he knew more, he would have more chances, if none of them knew each other, I'm afraid there would be no chance.

"Yulan you're here too!"

Xu Zhi acted as if nothing was wrong and greeted Yulan.

Yulan, however, nodded and did not say anything.

Li Yin, who was at the side, saw that the atmosphere was a bit off and opened her mouth to ask.

“What’s wrong?”

“Ao nothing, it’s probably because of work! Yulan she quit her job!”

Xu Zhi said with a smile, after he went back in the morning, he just happened to see Yulan quit her job, and for this reason, he didn’t stop laughing at her, so he naturally had to pull it out and talk about it again when he had the chance.

“How did she resign?”

Li Yin hurriedly asked, she was the one who introduced Yulan to work at Xu Zhi’s. When she heard that Yulan had left, she was very puzzled.

“Nothing! I just graduated from university, it’s normal that I can’t settle down, but I’m most worried about her father’s situation!”

Xu Zhi said pretending to be kind.

“His father? What’s wrong?”

Song Nuan asked curiously, she didn’t know the situation of Yulan’s family.

“Ao, her father has got

Xu Zhi said at once, but before he could finish his words, he was interrupted by Yulan’s scolding from the side.

“That’s enough!”

Everyone looked at Yulan, and the atmosphere in the room became incomparably awkward for a while.

“Does it matter to you what’s going on in my house? If you have this energy, you might as well mind your own hands, and don’t blame me for being ungracious if you do those nasty things!”

Yulan was really angry, this guy Xu Zhi had bullied himself in the company before and that was fine, to talk about her own family in front of her friends, this she could not tolerate.

Lin Ran was working feverishly in the kitchen, when he heard the noise outside, he couldn’t help but walk out, when he saw Yulan and Xu Zhi, he immediately smiled.

“What a coincidence, I didn’t expect to run into the two of you here!”

Lin Ran’s words caused the crowd to be stunned, and then they only saw him walk up next to Xu Zhi, patting him on the shoulder and laughing.

“Brother, your face has healed quite quickly, earlier I was the one who hit too hard, had I known you were Song Nuan’s friend, I wouldn’t have hit you!”

Wonder Doctor Read Online Chapter 174

Lin Ran’s words were like a bolt from the blue, which instantly stunned all four women and one man present.

Especially Xu Zhi, from the moment Lin Ran came out, his head was just dumbfounded, he never thought in any way that the person he wanted to take revenge on would actually be the boyfriend of his girlfriend’s best friend, which

“You... You had a fight this morning?”

Song Nuan was the first to come back to his senses and asked Lin Ran.

Xu Zhi sobered up at his words and hurriedly opened his mouth to explain.

“No, I had some misunderstanding with this brother this morning, if I had known that he was your friend, I’m sure this wouldn’t have happened!”

Joking aside, if he didn’t speak up first, if Lin Ran told him about what happened this morning, then he would really be finished.

“Misunderstanding? What misunderstanding?”

Li Yin frowned and asked, although she was not clear about the matter, but she heard clearly that Lin Ran had beaten Xu Zhi, it was fine if it was someone else, but it was her own boyfriend who had been beaten, she did not want to let this go.

“It’s really nothing, forget it!”

“Forget it? Why just forget about it?”

Li Yin frowned, and Song Nuan, who saw this, spoke up.

“Or else forget it, Lin Ran is stubborn, it must be his problem!”

Song Nuan threw the blame onto Lin Ran first.

In response Lin Ran didn't bother to argue, Song Nuan, as the owner of this place, this point of face still had to be given.

“Xiao Nuan, as your bestie and classmate, there are some things I have to remind you of!”

Li Yin began to lecture, Song Nuan all but threw the blame on Lin Ran, and the latter didn't say anything, so naturally she couldn't get angry, she could only side-step and belittle.

“The most important thing we women can do in this life is to find a capable man to marry, look at me as a living example, Xu Zhi is so capable, I'm living such a good life now!”

Said Li Yin looking to Yulan who was laughing at the side.

“Look at Yulan, she's too strong, she's not even looking for a boyfriend, so she has to carry everything by herself, what's the use of being strong if a girl doesn't find a good in-law!”

“I'm willing to carry the load, at least I don't have to look at a man's face!”

Yulan said with displeasure, this Li Yin usually likes to show off her wealth, but now she is talking about herself, who cares!

“Okay, okay, we're all friends, forget it!”

Meiya said again.

But Li Yin looked at Song Nuan as if she hadn't heard.

“Besides, your Xiao Nuan is so pretty and her family is so well off, what kind of man can she find, why did she find a son-in-law?”

“How do you know Xiao Nuan found a son-in-law?”

Xu Zhi asked, hearing that Song Nuan’s family was well off and that she was so pretty, his little heart couldn’t resist popping out again.

“Is that even a question?”

Li Yin showed a look like he was looking at an idiot, then said.

“This is the villa area! Look at his clothes, does he look like he can afford it? Not a door-to-door son-in-law or something!”

“That’s enough!”

Song Nuan listened with an ugly face, she hadn’t said anything just because she didn’t want to argue with Li Yin, today was supposed to be a friend coming over to the house for a sit-down, but it turned out that since Xu Zhi appeared, things had gone completely differently than expected.

Seeing that Song Nuan seemed to be angry, Li Yin hurriedly said.

“Well don’t get angry haha, I was worried for you too, nothing else!”

“Is the meal ready?”

Song Nuan didn’t bother with her and turned to ask Lin Ran, there was a hint of apology in his gaze, he didn’t even explode when Li Yin said that just now, obviously it was all for himself.

“It’s ready! This is on!”

Lin Ran smiled lightly, and then whirled back to serve the food, Song Nuan got up and laughed.

“I’ll go with you!”

“I’ll go too!”

Yulan said as she got up.

As the three left, the atmosphere at the table became even more awkward.

“Meiya see, this kid doesn’t know what tricks he used, he actually chased Xiao Nuan down!”

Meiya said as she gave her a frown.

“It’s not good to talk like that behind your back, besides it’s Xiao Nuan’s freedom to be with whoever she wants, so why should we care so much!”

“Not nice? What’s bad, even in front of him, I dare to say that, Xiao Nuan is my best friend, I can’t watch her jump into the fire”!

Li Yin said forcefully.

Xu Zhi patted her, gesturing for her to say less, but who knew that she was being glared at, and then dared not say anything more.

The meal was served quickly, the three of them only took three trips before all the dishes were served. I have to say that Lin Ran’s cooking skills were still very good, with all the colours and aromas, meat and vegetables and so on, but looking at and smelling the flavours, they all made people salivate.

“Nuan, your boyfriend is really good at his job!”

Meiya praised, and Yulan, who was standing by, laughed as well.

“Yeah, I couldn’t resist stealing a bite in the kitchen just now!”

“Really? It’s a good thing you didn’t eat it, otherwise your fantasy of deliciousness might have been shattered!”

Li Yin interjected in a very untimely manner.

Lin Ran frowned slightly, he had given Song Nuan face and didn’t want to get into trouble with these friends of hers, but the other party was repeatedly looking for trouble with him, which he couldn’t bear.

“Take a bite, maybe there are still illusions, if you don’t eat, then there is nothing!”

Lin Ran said indifferently.

Li Yin snorted coldly at his words and laughed.

“Heh, is that so? Then what if a bite later grosses me out? Does anyone pay for it?”

“There’s no money to pay for it, but there is a slap in the face to pay for the beating!”

Lin Ran said with a serious face, he really wasn’t afraid to play scoundrel.

“What, you want a beating for eating a meal? What kind of rule is that?”

Li Yin sneered.

Lin Ran looked at her with a bland smile, not bothering to pay attention, and followed to greet the crowd.

“Let’s all eat, and later on Xiao Nuan is going to take you all to sing!”

“Really?”

“I knew Xiao Nuan was the best!”

Meiya and Yulan both said excitedly, it had been a long time since they had gotten together and they were naturally all very happy at this point.

Li Yin was the only one who felt neglected by Lin Ran, and her face looked very pale.

“I’d like to see how good the food is!”

Li Yin’s face sank as she took the first bite.

“How was it?”

Meiya, who was at the side, asked.

Li Yin’s face became even more ugly, and after holding back for a long time, he said.

“It’s not bad, it’s almost better than the three-star restaurant’s!”

Meiya sniffed and took a bite herself, and her happy little face was as happy as a blossom as she hurriedly said.

“This is too good, it’s better than even the five star restaurant’s, how can it be worse than the three star’s!”

These words made Li Yin’s face even harder to hear, she knew it was delicious, but she just didn’t want to admit it.

“Come on! Little Nuan, I’ll take Li Yin’s place and give you a dish!”

On the side, Xu Zhi had long been unable to resist watching, and with Song Nuan ready to move her chopsticks, he immediately added a piece over, not forgetting to flag it down.

The crowd looked at Xu Zhi, feeling a bit strange, his own girlfriend was present, and Song Nuan’s boyfriend was also present, you helping someone to pinch the food is obviously a bit inappropriate.

But Song Nuan did not care, just want to say “thank you” but just said a “thank you” The word “thank you” was interrupted by Lin Ran at the side.

Lin Ran stretched out his chopsticks and caught Xu Zhi’s chopsticks, then looked at him and said with a smile on his face.

“Clip the vegetables will be exempt, your chopsticks, or better for your girlfriend to clip, otherwise afraid you clip addicted, every day run to clip the vegetables!”

“You!”

Xu Zhi’s face sank as he took back his chopsticks and glared at Lin Ran.

Seeing her boyfriend defeated, Li Yin at the side quit and stretched out her chopsticks to clip dishes for Song Nuan as well.

Lin Ran instantly laughed.

“What, do you two boyfriend and girlfriend like to dish out food to other people? Do you fancy someone else’s bowl, or do you think your own bowl is no good? Tired of it?”

“What do you mean by that!”

Li Yin stood up at the sound of her words and glared at Lin Ran questioningly.

“There’s no point in eating, just eat well, who doesn’t have long hands? Do you need to pinch your food? Come on, I’ll do it for you!”

Lin Ran laughed blandly and whirled about to chuck the food.

Song Nuan, who was at the side, hurriedly stopped him and spoke.

“Forget it, people are also being kind!”

Lin Ran laughed without saying anything.

Seeing this, Li Yin also stopped speaking, and the scene was quiet for a moment.

“I’m going to use the toilet!”

Such awkward exasperation made Yulan a little uncomfortable and got up and said, while walking towards the toilet.

Not long after Yulan had left, Xu Zhi’s mobile phone also rang.

“Sorry I have to take a call!”

Said Xu Zhi, following which he also got up and left the table.

“Hello!”

Coming to the side, Xu Zhi picked up the phone.

“Brother Zhi, we’re all here, where are you?”

On the phone, came the voice of a middle-aged man, none other than Old Zhang.

“Don’t rush, I’m at my friend’s house, you guys don’t need to run either, prepare the guys, I’ll let you know when I find the chance!”

Xu Zhi said with a sinister look in his eyes, he had really stepped through the iron shoes and wasted all his efforts, he did not expect that the place where the party was held today was Lin Ran’s house.

He hung up the phone and Xu Zhi then went back to the table, only not long after he left, Yulan also came out of the toilet, but at this time her face obviously did not look too good.

“This guy is going to take revenge on Lin Ran, I have to inform him!”

Yulan thought to herself, it was very unfortunate that she had just overheard the contents of Xu Zhi’s phone call.

Back at the table, the atmosphere was clearly much better, and with Meiya doing her best to ease the situation, Song Nuan and the others began to chat again.

But it was clear to Yulan that there was no way to eat this meal today, I’m afraid. In the morning at the company, Lin Ran was obviously helping herself and was afraid of hurting her pride, so she helped herself with the commission.

So for good reason, one can't let Xu Zhi deal with Lin Ran today and pretend not to know.

A dinner party where everyone had their hearts in the right place, it was no one's fault.

“Xiao Nuan, I still don't know what your boyfriend does!”

Suddenly, Li Yin spoke up and asked.

“Why are you asking this all of a sudden?”

To the side, Meiya spoke up.

“That's right! We're having dinner, what's the point of asking Nuan about her boyfriend's industry?”

Yulan also spoke up.

“Nothing, just asking!”

Li Yin said casually, but in her heart she was a bit displeased, where would Yulan normally dare to talk to herself in such a tough manner.

“Yulan, you've grown up too, how's work these days?”

Li Yin asked, but in reality she was reminding the girl not to forget who helped you find the job and to watch what she said to me.

Yet Yulan was not buying it at all and laughed.

“It used to be bad, now it's great!”

“O? Why is that?”

Li Yin asked with a smile, and Xu Zhi, who was on the side, patted her, not wanting her to continue asking.

Yulan, however, had already smiled and said it.

“Because I’m quitting and no longer have to look at some petty leader’s face! And also no longer have to worry about whether people will plot against me!”

“What do you mean by that?”

Li Yin’s face sank as she listened, these words were obviously words!

“What do you mean, you’d better go back and ask your precious boyfriend to see if he’s out there with other young ladies, kissing and hugging and raising his head high!”

Yulan said in a cold voice.

“Yulan!”

Li Yin smiled and slapped the table, the words had touched her bottom line.

“Why are you so loud? I can hear you!”

Yulan said coldly.

“Don’t you forget who introduced you to the job!”

Li Yin scolded.

Meiya and Song Nuan, who were trying to persuade the two, could not intervene, Li Yin was too forceful.

“Introducing a job? Then I really have to thank Lin Ran, if it wasn’t for him, I’m afraid I wouldn’t be sitting here now as Xiao Nuan’s friend, but as a third party to you Li Yin and Xu Zhi!”

“What!”

Hearing these words from Yulan, even Meiya and Song Nuan were stunned, Li Yin was even as if she had been struck by a bolt from the blue, her whole body froze on the spot.

“What’s going on here?”

Song Nuan hurriedly turned her head to look at Lin Ran.

“That’s all that happened!”

Lin Ran stretched out his hands and laughed.

“Li Yin, let’s go!”

Xu Zhi saw that things had reached a point beyond his control and was ready to bolt.

But where could Yulan possibly give him the chance, he immediately stopped him and chided ah.

“You can’t leave!”

“What the hell do you want!” Xu Zhi said with a grimace.

“Nothing! No one is allowed to leave until you tell us what’s going on!”
Yulan said in a cold voice.

“What the hell is going on!”

“That’s right, you guys can tell me!”

Meiya and Song Nuan were in a hurry, but they had no idea what was going on.

By now Li Yin had already reacted, she slowly sat down and gave Xu Zhi a look before saying in a cold voice.

“Yulan is right, no one will be allowed to leave until this is clear today!”

“No one is allowed to leave, right? Fine! Then I’ll go!”

Xu Zhi said and turned around to leave, but just two steps away, his shoulder was held by someone.

“What? You won’t let anyone go even if they leave!”

Xu Zhi’s voice snapped to a low pitch, a mouthful of anger already pressed into his throat.

“That’s right! If you don’t believe me, try walking one!”

Lin Ran said indifferently.

As soon as he heard that it was Lin Ran’s voice, Xu Zhi immediately swallowed the expletive that he was about to explode out, the slap in the morning was still fresh in his mind, and there was not the slightest doubt that he would be greeted with a very loud slap as soon as he said his next words.

“I’m repeating for the last time, if anyone leaves before the matter is clear today, then don’t blame me Lin Ran for being rude!”

After saying that, Lin Ran went straight back to his seat, Xu Zhi looked ugly but did not dare to say anything else, he went back to his seat amidst the gazes of the crowd, the scene was very awkward for a while, while Xu Zhi felt his face was on fire.

“Yulan, you continue!”

Lin Ran looked to Yulan.

Yulan nodded her head, then glanced at Li Yin before speaking.

“Your boyfriend is a real character, you introduced me to work under him, but do you know what he did to me behind my back? And what he did to you?”

“If you have something to say, say it!”

Li Yin was on the verge of an outburst at this point, and scolded in a low voice.

“Humph!”

Yulan snorted coldly and laughed.

“Your boyfriend is trying to sneak me behind my back! And actually held my job and my father in the hospital hostage, if Lin Ran didn’t happen to show up and save me, I’m afraid I’d be the mistress among you by now!”

“That’s not possible!”

Li Yin chided at once, she didn’t believe Xu Zhi was such a person no matter what.

“It might not be possible, just ask your boyfriend!”

Yulan said in a cold voice.

Li Yin turned her head to look at Xu Zhi with an unkind face, and after seeing the gloomy as water expression on the latter's face, it became clear in her mind.

“But what does this have to do with Lin Ran!”

Song Nuan spoke up, at this point she also saw what was going on, and couldn't help but fight for Lin Ran.

“It didn't have much to do with Lin Ran, but some people are thieves, so it does!”

Yulan spoke up, and then she looked at Xu Zhi and questioned.

“You wanted to take revenge on Lin Ran and gathered a group of people outside the district, you just called and happened to be overheard by me, did I say anything wrong!”

As soon as Yulan said this, everyone immediately looked at Xu Zhi, even Lin Ran looked over, but he was not much surprised, after all, he had seen this kind of is so much, he had long been used to it!

Wonder Doctor Read Online Chapter 176

“Xu Zhi!”

Li Yin finally couldn't hold back, in fact, when she heard that he wanted to submarine Yulan before, she couldn't hold back anymore, but did she think that this guy actually gathered a group of people and prepared to retaliate against Lin Ran, this was simply a villainous act.

“This is really not true!”

Xu Zhi gritted his teeth and said, the matter of Yulan can be said to be when she first seduced, plus his own pick-up skills in coaxing, should be fine, but beating people up this matter can not be said.

“In the end or not!”

Li Yin questioned.

“Xu Zhi tell the truth!”

Song Nuan on the side also asked, Lin Ran was her boyfriend, if this was true, plus everything before, there was no way she would let Xu Zhi go.

“It’s really not!”

Xu Zhi bit the bullet, as long as he denied it to death, what could they do to him!

“Dead set on denying it, huh!”

Yulan revealed a cold smile, then got up and said.

“No skin, no face, the world is invincible, I can’t eat this meal anymore, Xiao Nuan I’ll treat you two later, Meiya can come together when she’s free, I’ll leave first!”

With that, Yulan turned around and was about to leave.

“Wait!”

Song Nuan hurriedly got up, glanced at Li Yin and Xu Zhi, and spoke.

“I’ll see you off!”

“Let’s go!”

Lin Ran got up and said with the same smile.

“I’ll go too!”

Meiya got up and said likewise, they could all see how Xu Zhi was really like as a person, and no one even believed his bullshit.

“I’m going too!”

Li Yin got up and said, turning around and leaving at the same time, without the slightest intention of letting Song Nuan see her off.

“Wait for me!”

Xu Zhi hurriedly got up and followed him, while not forgetting to defend himself, saying that he really hadn’t gathered people to prepare for revenge.

The group of people walked out of the villa in this awkward atmosphere, but when they arrived outside and were about to leave, a group of people suddenly rushed out from the corner of the road, all of them holding shovels and wearing black vests, looking fierce and fierce.

“What’s going on! What are they!”

Americana was the first to see it and hurriedly alerted the crowd.

On the side, ready to leave Xu Zhi saw this and his heart tightened, this group of people were the very ones he had called out to deal with Lin

Ran, and the middle-aged man in the lead, wearing a vest and with a distinctive birthmark on his face, was none other than Old Zhang.

“If I’m not wrong, I’m afraid this group of people are the ones you hired, Xu Zhi!”

Yulan sneered.

“No... No!”

Xu Zhi gulped and denied it.

But as soon as his words fell, Old Zhang ran over with his men in the distance, and then in unison, he bowed at Xu Zhi and shouted.

“Good day Brother Zhi!”

Xu Zhi’s face was iron blue, gritting his teeth and unable to speak, he had just finished saying that he didn’t know them, only to be slapped in the face, this simply made him groundless.

“Xu Zhi! Even now you’re still lying to me!”

Li Yin was completely disappointed, as soon as she broke away from Xu Zhi, she turned around and walked away, ignoring Xu Zhi no matter how much he shouted behind her.

“Yulan!”

Xu Zhi was completely furious, his eyes were bloodshot and he stared at Yulan with deadly cold eyes.

“What! You’re annoyed and angry? You’re still afraid to admit what you’ve done, you’re still considered a man!”

Yulan said in a cold voice.

“Heh! I’m not a man! Today I’ll show you whether I’m a man or not!”

Xu Zhi said as he grabbed the collar of Yulan’s shirt and slapped the other hand towards the latter’s face.

“Stop it, Xu Zhi!”

Song Nuan and Meiya were both shocked, but it was too late to rebuke them.

Just in the nick of time, Lin Ran suddenly moved, only to see a black shadow quickly flash by, following Xu Zhi’s slapping arm, and then stopped steadily.

“Get lost!”

Xu Zhi was in the midst of his anger, and when he saw Lin Ran blocking him, he waved his hand to break Lin Ran’s control, but only when he exerted his strength did he realise that he was unable to break free.

“Slap!”

Lin Ran slapped Xu Zhi’s face with his backhand and chided him coldly.

“Be quiet if you don’t want to be disabled!”

“You!”

Xu Zhi touched his hot cheek, and there was a rage in his eyes that was hard to suppress.

On the side, Old Zhang and the others were looking confused, and at this moment, they couldn't help but speak up.

“Brother Zhi, what's the situation? Where's the brat to be taught a lesson?”

Xu Zhi was still thinking about how to deal with Lin Ran, when he heard Old Zhang's words, only then, remembering that he still had a group of people, he hurriedly turned his head and yelled.

“That's him, waste him for me!”

“Good!”

Old Zhang had been waiting impatiently for a long time, and seeing this, he directly greeted his men and pounced towards Li Ran.

“Xu Zhi what are you doing!”

Song Nuan hurriedly scolded, but it was no use, Xu Zhi had completely ignored everything at this point.

“Song Nuan, don't blame me for being cruel, he forced me to do it! To be honest, a pretty girl like you is a waste to be with him, consider me if you're interested!”

Xu Zhi laughed smugly.

“I bah! You're a scum, worse than a pig or dog!”

Song Nuan cursed.

“Haha, good one, worse than a pig or a dog, when he gets knocked to the ground later, I'll see who is worse than a pig or a dog!”

Xu Zhi laughed pervertedly.

By now Old Zhang had rushed to Lin Ran with his men, and Meiya, who was on the side, wanted to call the police, but Xu Zhi snatched the phone away from her.

“What about Xiao Nuan!”

Meiya looked at Song Nuan with some still fear, she really didn't expect things to turn out to be the way they are now, she should have just left if she had known.

“Don't worry, it'll be fine!”

Song Nuan advised.

“Don't lie to me, there are so many people, how can your boyfriend possibly hold up, you'd better hurry up and contact the hospital!”

Meiya worried, he was really worried about Lin Ran and Song Nuan.

“Don't worry, they're the ones who should contact the hospital! We don't know who's beating who in the end!”

Song Nuan said blandly.

Xu Zhi at the side listened with a slight frown, he knew that Lin Ran was not an ordinary fighter, but it wasn't like he could fight ten at a time.

“Humph! You really think he's a god, don't blame me for being ruthless when you get beaten up and can't recognize him later!”

Xu Zhi coldly snorted.

“Yeah! Then I’ll see who gets beaten up and can’t be recognized!”

Song Nuan coldly snorted.

“Xiao Nuan, is it really alright?”

Meiya asked worriedly from the side again.

Song Nuan just smiled and didn’t say anything.

While the three of them were talking, Lin Ran’s side had already wrestled with Old Zhang and the others.

In fact, Lin Ran didn’t want to fight with these people, but he had no choice but to fight one by one, since they were helping Xu Zhi to deal with him.

“Bang!”

With a muffled sound, the heel a figure was thrown straight out.

Song Nuan and the others looked and found that they didn’t recognize this person, and they couldn’t help but sigh with relief in their hearts.

“Humph! Only one down, but I have a dozen more!”

Xu Zhi sneered beside him again, convinced that the next person to be knocked out would definitely be Lin Ran.

“Bang!” As a second sound rang out, a figure threw itself out, and when the crowd took a look, it still wasn’t Lin Ran.

“Good So powerful!”

At this point, Meiya couldn't even help but open her mouth and exclaim, one person fighting a dozen or so and being able to take down two people in a row was already very impressive.

“Humph!”

Xu Zhi coldly snorted and was just about to speak when he heard a “Bang!” A third sound rang out.

Then, before Xu Zhi could turn his head to look, the figure smashed into him with a bang, and the two men rolled into a ball and rolled towards the green belt to the side.

Wonder Doctor Read Online Chapter 177

“This”

Meiya looked stunned, and even Yulan, who was looking aside, looked dumbfounded.

“Nuan, your boyfriend is too good too!”

Meiya couldn't help but speak up and exclaim

“It's alright, he's very good at fighting!”

Song Nuan laughed with a proud look on her face, not daring to say anything else, at least when it came to fighting Lin Ran made her feel very secure.

“It seems that I was still too careful, I should have thought that Lin Ran was very good!”

Yulan laughed beside her again, she had seen Lin Ran teach Xu Zhi a lesson before, she just didn't expect it to be so powerful, facing a dozen people and handling them all with ease.

“He's just a freak, don't worry too much about it guys!”

Song Nuan laughed.

While the three of them were joking, Lin Ran's side had already settled the battle and walked over calmly with a smile on his face.

“So fast!”

Seeing Lin Ran come over, both Yulan and Meiya exclaimed in shock, while rushing to look at the place where the battle was being fought, and were immediately stunned at this look.

They saw that the dozen or so people who had just been strutting their stuff were all on the ground, each wailing and screaming, a spectacular scene

“Wait a moment!”

Lin Ran said with a smile to the three women, and then whirled around to Xu Zhi's side.

“You What do you want!”

Xu Zhi managed to crawl out of the pile of people, and when he saw Lin Ran crouching beside him, he was so scared that he backed up.

“Don't be nervous, I won't hit you!”

Lin Ran laughed, only this smile looked the same as a demon's smile in Xu Zhi's eyes.

“Hey! Why is there water here!”

Yulan followed him, she and Xu Zhi did not deal with each other, and the latter had even tried to sneak her before, so she naturally wanted to come and take proper revenge when she had the chance.

“Water? What kind of water?”

Song Nuan and Meiya felt curious and followed them over, looking in the direction that Yulan pointed, they indeed found a very indistinct water mark on the ground that went all the way down to Xu Zhi's buttocks.

“I don't think it's a scared pee!”

Yulan spoke up, and at once all three women covered their mouths and sniggered.

“You guys!”

Xu Zhi's old face turned red, he had already been humiliated enough today, but who knew that at this moment he would actually be scared and pissed by Lin Ran in front of the three women, this was a complete humiliation to his home.

“Remember, this is the last time you will be spared, next time you fall into my hands, I guarantee that you will spend the rest of your life in the hospital!”

Lin Ran looked at Xu Zhi and said in a cold voice.

“You!”

Xu Zhi was so frightened that his face turned blue and he wanted to say something, but his mouth moved and in the end, he didn't say anything.

It was rare for Lin Ran to say such harsh words, mainly because Xu Zhi was too much of a scum bag, especially because of him and what happened to Li Yin and Yulan, which made him very angry.

He himself had many beautiful women around him, such as Song Nuan, Qin Bing and Luo Qiqi, but at least he wasn't promiscuous, unlike this guy, who actually tried to have a broken shoe behind his back, he was simply the scum of the scum.

After driving Xu Zhi away, Meiya and Yulan soon left, but before Yulan left, Lin Ran extended an invitation once again, hoping that she would help out when the clinic was renovated

She was not a graduate of a medical university.

Although Yulan did not graduate from a medical university, she was perfectly capable of taking care of the medicine and other tasks at the clinic.

After these arrangements were made, Lin Ran and Song Nuan returned home.

The food was barely touched and the two of them ate casually before Lin Ran called the renovation company to find out about their renovation arrangements. It was definitely not possible for Xu Zhi to be in charge of this renovation, and the owner's wife was not stupid and could see that Lin Ran and Xu Zhi were not dealing with each other, so she would naturally find someone else to renovate for Lin Ran.

After finishing all this, Lin Ran only had the time to lie down on the sofa and take a rest.

“Big Boss, are you done?”

Song Nuan obediently walked over with a plate of fruit and handed it to Lin Ran.

“Thank you madam!”

Lin Ran was in a good mood and laughed as he took it.

“Greasy mouth, who is your madam!”

Song Nuan gave him a white look and pouted.

“Soon it will be!”

Lin Ran laughed heatedly and ate the fruit at once.

After eating for a while, he suddenly remembered something and Lin Ran asked.

“By the way, has there been a situation on father-in-law’s side recently?”

“Father-in-law?”

Song Nuan was stunned, she didn’t understand what Lin Ran meant for a moment, and only after a moment did she realize who he was talking about, immediately her pretty face flushed red and she glared at him and said.

“There’s nothing going on, my father is still very busy, but recently he seems to be busy with something about a missing person!”

“Missing population?”

Lin Ran frowned slightly and took out his phone just about to flick through the news, only to realise that his phone was still an old-fashioned old man’s phone, not to mention internet access, it didn’t even have a chatting soft armour.

“Use mine!”

Song Nuan handed the phone over.

“Still madam is good!”

Lin Ran smiled heatedly and swirled to search, quickly finding the recent news.

“As many as thirteen people are missing from the population, this is not a small matter!”

Lin Ran suddenly said.

“Thirteen people have gone missing? This is troublesome!”

Song Nuan also panicked a little when he heard this, a city with thirteen people missing at once, if it ended up being fine, it would be fine, if something happened, I’m afraid his father’s future would be in trouble.

“Do you need my help?”

Lin Ran asked when he saw this.

“No need for now, father didn’t look for you, that means he still has a way to deal with it!”

Song Nuan shook his head, in fact, Lin Ran couldn’t help much with this matter, after all, he wasn’t a detective.

“Mm!”

Lin Ran nodded, if there was a need he would definitely not stand by and do nothing, but this matter still depended on Song Yujiang’s own plans.

The two of them chatted for a while, Lin Ran talked about his mobile phone and decided, at Song Nuan’s suggestion, that it was better to get a new one.

It was only two o’clock in the afternoon, and seeing that it was still early, the two of them set off together and went to the Digital City in the city.

In the past, he did not use the internet, let alone chatting software, so his old age phone was perfectly adequate, but as the people he was in contact with became more and more sophisticated, it was time to change his phone.

Digital City is located in the new district of Tamagawa City, and the two of them drove for just over ten minutes to get to Digital City.

In this digital era, Digital City has never lacked in popularity, whether it is for mobile phones or computers, the stalls are always packed with people.

Lin Ran and the two of them wandered around the Digital City for a while before coming to a branded mobile phone store.

The mobile phones in here ranged from high to low, at all price levels, with the best ones even selling for over 10,000 each.

“All mobile phones are so expensive now!”

Looking at the prices, Lin Ran shook his head helplessly, feeling that it was still better to use his own old age phone.

“Which phone do you like, you can take it out!”

Just as the two were looking and walking, the shop’s beautiful attendant came up and introduced them with a smile.

“We”

Lin Ran was just about to reply when suddenly a fat figure squeezed over from the side and rushed at the beautiful attendant.

“Beauty, I’m here to pick up my phone, take me there!”

The beautiful attendant took a look at the other party and smiled as she realised it was a fat man who looked familiar.

“Just go directly to the after-sales service to pick up your phone, you’ve been there this morning!”

Said the pretty girl, looking at the two Lin Ran and smiling.

“I still have to help the customer choose a phone on my side, so please make a trip yourself!”

The fatty sniffed and turned to look at the two Lin Ran, when he saw Lin Ran’s outfit, he couldn’t help but reveal a disdainful smile and said.

“I say, with this look, what kind of phone can he buy? Just buy a senior phone, my phone is worth more than 10,000.

Wonder Doctor Read Online Chapter 178

“What, are you rich?”

Song Nuan asked as she sniffed and turned her head, with a hint of ice on her face.

“What? Fancy me?”

The fatty laughed smugly, and when he saw Song Nuan’s appearance, he laughed even more happily.

“Holy shit! There’s actually this kind of extremely beautiful woman in Digital City City!”

As he spoke, the fatty’s harrumphs were flowing out.

“I said beautiful woman, how about getting to know each other?”

Said the fatty, stretching out his palm, seemingly intentionally or unintentionally raised the radiant gold watch on his wrist.

“Sorry, I’m not interested in talking about pounds!”

Song Nuan said as she squeezed out an ugly smile.

“Sold by the pound?”

The fatty didn't react for a moment, and only when he saw the beautiful saleswoman on the side cover her mouth and giggle, did he come to his senses and looked at Song Nuan and angrily rebuked him.

“You're fucking calling me a pig!”

With that, the fatty raised his hand to give Song Nuan a slap.

However, just as this palm was raised, it was stuck alive.

“Who! Who dares to meddle in Laozi's business!”

The fatty roared in anger while looking up, only to see a young man dressed in ordinary and even somewhat earthy clothes, none other than Lin Ran.

“Kid! You're tired of living, aren't you? How dare you meddle in my business! Do you know how much the watch on my wrist costs? Can you fucking afford to pay for it if you break it?”

“You mean like this?”

When Lin Ran heard this, he stretched out his other palm and gently clasped it onto the fatty's gold watch, followed by a “bang”, when Lin Ran let go of his hand again, he saw a bright golden light fall down and the gold watch actually turned into a pile of broken pieces.

“You ...”

The fatty looked dumbfounded, his heart dripping with blood.

“Fuck you, I've got thirty thousand dollars for this watch, can you fucking afford to pay for it!”

Fatty almost shouted out in a roar.

Lin Ran smiled at his words but smiled blandly.

“Do you know how much she’s worth to kill money?”

The fatty sniffed and followed his gaze to think of Song Nuan, feeling that he had been tricked, he instantly cursed angrily.

“She’s a human being, you tell me how much she’s fucking worth!”

“You know it’s a human being too? Then how much do you have to pay for this slap on the wrist?”

Lin Ran asked blandly.

“Laozi hasn’t even fucking slapped down yet!”

The fatty roared.

Lin Ran, however, smiled faintly when he said.

“Do you know what it means to pay for mental damage?”

Song Nuan, who was at the side, sniffed and immediately cooperated.

“My head hurts, it’s probably because I’m scared!”

“You guys!”

Fatty was so angry at this that he turned blue, even the beautiful saleswoman at the side couldn’t help but laugh out loud, these two people were simply having fun with Fatty.

“Do you still think your gold watch is worth something now?”

Lin Ran laughed blandly.

“Humph! Don’t play these fucking word games with me, a watch is something I really don’t fucking care about!”

The fatty sneered, then took out a business card from his pocket and slapped it on the table, sneering.

“I’d like to see what kind of crappy phone you can fucking afford today!”

Lin Ran turned his head to look, only to see the business card read, “Li Cong, Li Digital Technology Co Ltd, Chairman!”

“So the chairman has this hobby, that’s fine, take your time and watch!”

Lin Ran laughed, then ignored him and turned to look at Song Nuan.

“Honey, pick one, I don’t understand it either!”

“Pfft!”

As soon as Lin Ran said this, not only Song Nuan, but even Li Cong who was at the side couldn’t help but throw up, looking at Lin Ran like he was a fool.

“Kid, you’re not fucking awake, are you, such a beautiful beauty is your girlfriend? Don’t even take a piss and look at yourself, this kind of beauty should be matched with a successful man like me!”

“Oh? Is that so?”

The corners of Lin Ran's mouth were tackled with a smile, his body hand stopped Song Nuan's waist, Song Nuan tried to struggle, but when he felt the strong force on Lin Ran's palm, it was as if his whole body was drained of strength.

"Bastard, if you don't let go, I'll shout molestation!"

Song Nuan whispered, but her pretty face was already red to the base of her neck.

"It won't matter if you cooperate, besides, I've suffered a lot at home this morning, this is even compensation!"

Lin Ran laughed in a low voice.

"You!"

Song Nuan was so angry that her pretty face turned even redder, but when she thought of how Li Yin had denigrated him so much in the morning, he hadn't even exploded, all for the sake of his own face, so it didn't seem like a big deal to be taken advantage of by this guy at this point.

"Then hurry up!"

Song Nuan urged in a low voice.

Lin Ran smiled and nodded, then looked at Li Cong.

"How's that? Pretty girls don't love greasy rich kids like you, but like loser little freshmen like me, you say this who has a solution!"

"You! How fucking shameless!"

Li Cong cursed angrily, but on second thought, he laughed.

“You think you can pretend in front of me just because a beautiful woman is blind to see you? As long as you have money, what kind of beautiful women have I never seen, and I have even played with many college students!”

Said Li Cong, raising the keys of the luxury car in his hand, sneering.

“But without money, you are a loser for life. When this beauty understands, she will know what to choose!”

Said Li Cong, scratching his business card in front of Song Nuan’s eyes and laughing.

“Find me anytime you want to understand, I like you like that!”

“Bah!”

Song Nuan spat directly, disdainfully.

“I just don’t like you like that, just like an idiot!”

“You fucking”

Seeing this, Li Cong was about to explode again, but just as his palm lifted up, he rang up his own big gold watch that had just died a heroic death and hurriedly retracted it.

“Well, good to learn a good lesson!”

Lin Ran laughed, and then looked at Song Nuan.

“Alright, choose your phone, it’s getting late!”

“Okay!”

Song Nuan nodded, and then began to choose.

The place where the two of them were at the moment was a high-class area, and the phones inside started at a minimum of 10,000, Lin Ran didn't pay attention to the prices, he just looked at the styles, they all seemed to be the same, there was nothing special.

“This one!”

Song Nuan suddenly pointed at one of the phones with a price tag of 15,000 and said.

“Good!”

The saleswoman hurriedly took the phone out and introduced it.

“This is the latest P30 from a major brand, one of the top phones in the world, apart from those luxury customised models, this is already the best!”

“Hmm! Not bad!”

Lin Ran looked at it and nodded, what luxury custom models, he couldn't use them at all, this phone looked quite beautiful.

On the side, Li Cong saw it really well and sneered.

“I said, beautiful, how do you also with him to panic, I have said, just his clothes, I am afraid that even this phone can not afford to buy a screen, he said this you really take, also not afraid to fall on the ground and break!”

The beautiful saleswoman laughed awkwardly at his words.

“Sorry sir, you may have forgotten, this phone is drop-proof, even if you drop it five stories high, there is no problem!”

“....”

Li Cong felt his face burning hot, he actually said such an idiotic question, all because he was angry and confused by this guy Lin Ran.

“Cut the crap, you want to buy it right, I’d like to see what you’re buying with!”

Li Cong hurriedly changed the subject.

“Are you sure you want this one?”

The beautiful saleswoman asked.

Lin Ran nodded his head.

“Yes, 15,000 in total!”

The beautiful saleswoman said and was ready to write the order, but just then Lin Ran suddenly shook his head and said.

“I want ten!”

“Ten Ten!”

The beautiful saleswoman was immediately confused, even Song Nuan at the side looked at Lin Ran in surprise, and at this moment Li Cong’s jaw was even more shocked.

“Kid, you don’t even look at your own strength when you’re fucking bragging, ten parts is 150,000, just like you can get 150,000?”

Li Cong was full of disdain, he didn’t believe that Lin Ran was the one who could take out 150,000.

“What? You don’t believe me?”

Lin Ran laughed lightly.

“Nonsense! If you and them can get out 150,000, I’ll immediately call out to your father!”

Li Cong said disdainfully, 150,000 was considered a lot of money even for him, not to mention ordinary people, he didn’t believe that a poor boy could come up with 150,000 to buy a mobile phone.

“Get ready to shout!”

Lin Ran smiled lightly, and then took out a card and handed it to the beautiful saleswoman.

“Swipe the card!”

“Good!”

The beautiful saleswoman had long been impatient and took the card and darted off to check out.

Li Cong’s face was very ugly at this moment, from the moment Lin Ran took out the card, a bad feeling had arisen in his heart, and he couldn’t help but panic even more at this moment.

“I’m going to check it out, so you guys don’t have to collude!”

Li Cong said, following and running towards the place where the beautiful woman was selling.

Lin Ran and Song Nuan were too lazy to bother with him, so they didn’t bother.

However, a few moments later, when the beautiful saleswoman returned with her card in her hand, smiling, Li Cong was gone.

“Where’s Li Cong?”

Song Nuan asked, this guy had just said he would call out to his father.

“Li Cong? I don’t know, isn’t he with you guys?”

The beautiful saleswoman asked in surprise.

“There’s no need to look, he must have stayed!”

Lin Ran said, this guy must have seen that the situation was not right and simply chose to bolt.

“Wimp!”

Song Nuan couldn’t help but spit.

“Alright, pack up and let’s get ready to go!”

Lin Ran laughed.

Ten mobile phones weren’t that easy to carry, and it took more than ten minutes just for the beautiful sales to prepare the goods.

“They’re all ready!”

Just as the beautiful saleswoman handed all ten mobile phones to Lin Ran, suddenly a group of people came around the corner in the distance, and all of them were wearing security uniforms, and at a glance, they were the security guards of Digital City.

“That’s him, he’s the one who did it!”

Lin Ran and the others looked over, only to see that Li Cong was also mixed in the crowd and was gesturing at his side.

“This bastard, why did he call the security guards here!”

Song Nuan saw this and her eyebrows were slightly raised, it was fine if this guy ran away, they weren’t prepared to do anything to him, but this guy was now calling a group of security guards back, this was simply too much.

“You guys be careful, the security chief of the digital building, is Li Cong’s cousin!”

The beautiful saleswoman reminded beside him again.

Lin Ran smiled at his words.

“The cousin is the chairman of a listed company, but the cousin is a security captain, this cousin is really doing a six-parent job!”

“Haha!”

These words amused the beautiful saleswoman who couldn’t help but laugh.

“Stop it, they’re here!”

Song Nuan hurriedly opened her mouth to remind, and just as her words fell, a group of people had already arrived close to them.

“Who’s name is Lin Ran!”

The leader of the security team said aggressively, he was not very old, but he looked quite factious, with a line on his face.

“Didn’t someone identify you, and you need to ask?”

Lin Ran looked at the other party and said blandly.

“That’s him! Quickly have someone arrest him!”

Li Cong commanded from the side again.

The security chief looked at Lin Ran at his words, with a teasing look on his face.

“Kid, daring to damage other people’s belongings in a place under my jurisdiction, you simply have the nerve to eat a bear’s heart and a leopard’s guts, someone tie him up for me!”

“Yes!”

Immediately, two uniformed security guards rushed over to the side, ready to tackle Lin Ran.

“Wait!”

Lin Ran spoke.

“What, still have something to say? It’s late!”

Li Cong sneered from the side.

The security chief waved his hand and sneered.

“Speak!”

Lin Ran asked with a bland smile.

“Does self-defence count as destroying someone’s finances? Have you retrieved the surveillance to see? Who actually made the first move?”

“Transferring surveillance? Haha! You’re out of your mind, kid!”

The security chief immediately laughed, and Li Cong on the side also laughed.

“It’s not that easy to transfer the surveillance of the mall, moreover, Li Cong is a good citizen of our mall, how could he have done it first, it must have been you, a poor kid, who was jealous of other people’s finances and did it!”

Lin Ran smiled bitterly at his words and shook his head helplessly.

“It’s really enough for a cousin to make it to your level, but your cousin is really something, he didn’t say anything to help you even though he has a lot of money in his own pocket, he actually let you work here as some kind of security chief, and now he’s looking for your help, it’s simply ironic!”

“You!”

Li Cong smiled and felt his face burning hot, at first his cousin did look for him, but he saw that his cousin could not, so he did not ask for it, and now the result

“Sharp teeth, and you want to provoke us, you simply have the audacity!”

The security chief shouted coldly.

“And a real rash!”

Lin Ran was helpless, this guy was really the best cousin in the world.

“Why are you still standing there! Don’t tie him up for me yet!”

The security captain scolded.

“Yes Captain!”

A group of men all pounced towards Lin Ran at once at his words.

Lin Ran saw this and shook his head helplessly, saying.

“As you can all see, so many people don’t know right from wrong and want to arrest me, so I’ll have to defend myself justifiably!”

Saying that, Lin Ran dashed into the crowd directly.

At this moment, many people were gathered around, and when they saw Lin Ran rushing into the crowd of security guards alone, they all gave him a sweat.

Li Cong was the only one standing by, and his cousin both had cold smiles on their faces.

“I told you to be crazy, you act like you’re a millionaire in front of me, today I’ll show you what it means to not be able to touch a tiger’s ass!”

Li Cong sneered.

Just as his words fell, a figure was rushing out from the crowd of security guards and had reached him in the blink of an eye.

“You’re wrong, a tiger’s butt can be touched, it just depends on how fast you are.”

Lin Ran sneered, following which he kicked Li Cong directly in the buttocks.

Li Cong only hastily saw Lin Ran’s face, followed by his whole body being thrown straight out and smashed straight into his cousin’s body next to him, the two of them rolled in a ball and rolled towards the group of security guards at the back.

Before the group of security guards could see what was going on, they were tossed to the ground by the two men, and the scene was suddenly a mess.

“Holy shit! This brother is bowling, right!”

“Looks like it to me!”

“This stance, stuntman, right!”

A crowd of onlookers around couldn’t help but let out a gasp, and many even took out their mobile phones and filmed it.

“Don’t fucking film it!”

“Stop it!”

Li Cong and his cousin both managed to break free and got up to see the crowd taking pictures, and their old faces turned red with anger.

“Where’s that guy!”

Li Cong was the first to react and scolded, but no one answered him, as a group of security guards had just got up.

“He’s gone!”

“Yes, they’ve been gone for two minutes!”

Some kind-hearted people around said.

“Bastard!”

Li Cong was so angry that he gritted his teeth, but there was nothing more he could do.

At this moment, some kind-hearted people around said.

“Don’t be angry, that kid said he had a message for you before he left!”

“It was self-defence, if you’re not convinced, you can take the video from the mall and report it to the police, he’ll definitely show up by then!”

“Fuck off!”

Li Cong’s old face turned red at his words, reporting to the police? He didn’t want to go to the bureau, because he did start it!

Next to him

Wonder Doctor Read Online Chapter 180

Leaving Digital City, Lin Ran and the two of them went straight back home, and halfway down the road Song Nuan couldn’t help but ask.

“What on earth are you doing buying so many phones at once?”

“Of course I’m using them!”

Lin Ran laughed and immediately took one out and handed it to Song Nuan.

“One for you, one for myself, and the remaining eight will be for the clinic staff from now on!”

Lin Ran said.

“Ah? Don’t be such a tycoon!”

Song Nuan was speechless, buying such in one breath, just to give it to the staff, if this matter was spread out, I’m afraid others would die of envy, how come their own boss wasn’t so capricious.

“It’s called cohesion!”

Lin Ran laughed.

“Bah!”

Song Nuan gave him a blank look, but this was always Lin Ran’s own business, so she didn’t bother to care too much, she got a new phone anyway, so he could do whatever else he wanted.

When they got home, it was already late in the evening, so they had dinner and prepared to rest separately.

But at that moment, Lin Ran’s mobile phone rang.

“Hm?”

When he looked at the caller ID, Lin Ran couldn't help but frown, as he had only dialed this number once and hadn't called it since.

“What's wrong? Who's calling?”

Song Nuan asked as she came over.

“That rental owner in the city village, I think his name is Chase!”

“What does he want from you? Could there be a problem with the house you rented in the first place?”

Song Nuan asked.

Lin Ran shook his head.

“I don't know, I spoke to him right after the rent was due, and it's been about two weeks since then!”

“You pick up first and see what's going on!”

Song Nuan said.

Lin Ran nodded and instantly picked up the phone.

“Hello! Is this Lin Ran?”

Chase's familiar voice came over the phone.

“Yes! What's going on?”

Lin Ran asked.

“That you’d better come back sometime, I’ve got something for you!”

“What’s the matter? Can’t we talk on the phone?”

Lin Ran asked, frowning.

“You’d better come back in person, there are some things that can’t be said clearly on the phone!”

Chase said.

“Fine, I’ll go there now!”

Lin Ran nodded, he didn’t like to procrastinate, it was only seven o’clock in the evening, so he should simply go there, it wasn’t far away anyway.

“I’ll go with you!”

Song Nuan said.

Lin Ran smiled and nodded without refusing.

The two of them set off and soon arrived at the city village.

The village in the city was still as usual, as if it would not change, as it always did.

The two of them soon arrived at the place where they had rented the room in the first place and met Chase.

“You’re here, eh this is?”

Chase didn’t know Song Nuan, and was a little surprised to see that this ninny was so pretty and was actually with Lin Ran.

“She’s my friend.”

Lin Ran introduced.

“Hm!”

Chase nodded, then let the two into the room, before closing the door behind them.

“What the hell is going on? So secretive.”

Lin Ran asked straight away, opening the door.

“It’s like this, I can’t say anything about this matter, but it’s indeed very weird!”

Chase said with a frown, and Lin Ran clearly saw a cold sweat appear on his forehead as he spoke.

“In the past two days, I’ve had an upset stomach, and I often got up in the middle of the night to go to the toilet, and I noticed that the light in your room was actually on!”

“Bright?”

Lin Ran asked, frowning at his words.

“It’s been two weeks since I stopped renting the house, right, haven’t you rented it to someone else?”

“No!”

Chase said with a sad face.

“It’s low season for renting, it’s almost New Year’s Eve and many people have chosen to go home, so this house has been empty!”

“How come the lights are on when it’s empty? Is there a problem with the wiring?”

Song Nuan asked next to her again.

“Absolutely not!”

Chase assured, and then explained.

“The first time I found the light on, I thought it was a wiring problem, so I went to turn it off, and didn’t notice anything unusual at that time.”

“But the next night it was that time again and the light came on again, and now I was scared too, so I didn’t dare go over there!”

Chase said, shrinking unconsciously, and continued.

“Then I found for five days in a row that the lights would come on at the same time, and then it was from two or three days ago that the lights stopped coming on!”

Speaking of this, Chase looked a little distracted and concluded.

“Originally I thought this was just going to pass, but the result was that from the day before yesterday, I actually heard breathing sounds in that room in the middle of the night, the sound of a person sleeping, but there was no one in there at all, and once again I was brave enough to feel my way in and found that there was really no one there, but up close I heard breathing sounds, exactly the same as yours!”

“What!”

This time even Song Nuan blew up.

An unoccupied room with the sound of Lin Ran's breathing actually coming from it in the middle of the night, this was simply more frightening than even a horror movie!

“So I had to call you to see what this was all about!”

“Hmm! I got it!”

Lin Ran nodded his head, then counted the time and got up and said.

“Let's go to the room and check it out, and find someone to ask about the situation!”

“Find someone? Find who!”

Chase was puzzled.

Lin Ran smiled faintly and said.

“The person who lives across from me!”

“Huh? You mean those two? I didn't say for you to deal with them less, that man in there, he's not to be messed with!”

Chase hastily warned.

“It's alright!”

Lin Ran smiled lightly, the people living inside were none other than Liu Wen Long's brother and sister, comparing people Liu Wen Long might not be easy to mess with, but to Lin Ran, it was similar to a friend.

While the three of them were talking, they had already arrived at the room where Lin Ran was before, Lin Ran went and knocked on Liu Wenlong's siblings' room, the two of them were very surprised to see Lin Ran come back, when Lin Ran explained the reason for his visit, both of them felt their hearts tremble.

“I want to ask, have you seen any suspicious people out and about in the vicinity recently!”

Lin Ran asked.

“No!”

Liu Wenjuan said, since Lin Ran had left, Li Zheng had become the head of the Chinese medicine department, and although the flow of people in the Chinese medicine department was more than before, she had never worked with the same vigour as before.

“I don't think so, but lately when I come back at night, I've been finding a car parked nearby!”

Liu Wenlong said.

“Right, right! I remember this, that car plate I still feel curious, as if I have seen it before in the hospital!”

Liu Wenjuan hurriedly said.

“Okay I know!”

Lin Ran nodded at his words and then asked.

“How's the hospital these days?”

“It’s fine, after you left, everyone doesn’t seem to have much energy, only Xiaoyu and Aya are okay, you know that Xiaoyu’s boyfriend is Qi Yin, but since you left, Qi Yin has also left, and the two of them seem to have blown off!”

Liu Wenjuan said, then she looked at Lin Ran and asked.

“Brother Lin, I heard that you’re opening a clinic, can I come over

Lin Ran was slightly stunned at his words, and then laughed.

“Of course I welcome you to come, but my small clinic, the salary is not comparable to that of a big hospital!”

“I don’t care about the salary!”

Liu Wenjuan said, and then patted Liu Wenlong who was on the side and said.

“Now it’s all about my brother supporting me, so I’m responsible for making money to spend, haha!”

“That’s fine! When the renovation is done, you can come over anytime!”

Lin Ran laughed.

“Mm!”

Liu Wenjuan nodded, and then said.

“I’ll have to talk to Li Zheng about this, he’s so preoccupied with how to learn the art of Chinese medicine from you, he’ll definitely come over too when the time comes!”

“Eh! If even he comes over, I’m afraid that Dean Yang will hate me to death!”

Lin Ran said with a bitter smile.

After chatting with the two siblings for a few moments, Lin Ran then returned to Song Nuan’s side.

“What now?”

Chase asked as he looked at Lin Ran.

Lin Ran thought for a moment and said.

“It’s definitely not haunted, let’s open the door and go inside first, I’m afraid that someone is behind this!”
