

Wonder Doctor Chapters 27-28 -

Chapter 27

Liu Chen and Zhang Xu couldn't help but look at Song Nuan.

Was this considered a love rival?

“Is something wrong?”

Lin Ran asked indifferently.

“What? Can't you say hello if there's nothing? At least we used to be lovers.”

Zhao Yu sneered, her eyes filled with disdain and contempt, as if dumping Lin Ran was throwing away a rag that made her feel disgusted.

“Hmm.”

To everyone's surprise, Lin Ran actually nodded his head before turning around and continuing to close his eyes, as if Zhao Yu was someone's ex-girlfriend.

“Pretending to be bashful, I'll see how long you can pretend.”

Zhao Yu sneered, and then actually sat down in the seat next to Lin Ran and the others, and shouted at the front desk.

“Waiter, two cocktails.”

“Holy shit, Lao Liu, this Zhao Yu is crazy, how can he do it next to us and not feel embarrassed.”

Liu Chen hurriedly came up and asked.

“It’s not awkward, let her be.”

Lin Ran didn’t even raise his eyelids.

“Old Six, School Girl Song is right next to you, you have to be mindful of her feelings too!”

Liu Chen continued.

Just then, the waiter was bringing a cocktail over and smiled.

“Gentlemen, this is from that young lady.”

With that the waiter placed the drink on the table, while Zhao Yu’s voice also came over.

“Lin Ran gave it to you, drink slowly and taste it properly, later on when you get dumped by the school girl, I’m afraid you won’t be able to taste such a good cocktail.”

“Holy shit, who are you looking down on!”

Liu Chen was instantly furious, Lin Ran stopped him with open eyes and got up.

“I don’t like drinking, especially when it’s from a strange woman.”

He said and threw the wine glass directly into the bin.

“You!”

Zhao Yu was so angry that his face turned blue, he said in a cold voice.

“Give shame, you’ll be a poor loser for the rest of your life.”

He turned around and was about to leave when Liu Chen saw this and shouted.

“Stop, who is the poor loser calling? If I remember correctly, your family’s condition is not in good condition either, right?”

“You!”

Zhao Yu’s face became even more ugly.

Liu Chen’s family was not bad, although it was not comparable to Wang Qiang’s, it was still medium, while her family was not much better than Lin Ran’s.

“Her family’s condition is not good, but who let her lick it, find a rich second generation, still worry about not having money to spend?”

Zhang Xu said gloomily, he had just chatted with Xiaoyan and he already knew the context, he was disgusted with women like Zhao Yu, so he naturally had to damage her a few times at this time.

“What, you want to lick too? Then I have to be able to look at you too.”

Suddenly, a voice rang out behind Zhao Yu, and when the crowd looked, it was none other than Wang Qiang.

“Brother Qiang, they are bullying me.”

Zhao Yu had a pitiful look on her face.

“Don’t worry, this is not a school, bullying Laozi’s woman, do you really think I, Wang Qiang, am paper-thin.”

With that, Wang Qiang waved his hand, and four or five dark and strong men poured out behind him, these men were dressed in construction site clothes, each with strong and dark muscles, and at a glance they were engaged in long term physical labour.

“Serve the wine!”

Wang Qiang shouted, and at once bottles of wine were brought up by the glass, and although they were not expensive, there were dozens of bottles.

“Today, I’ll put my words down, either each of you will give me fifty bottles of wine and this will be over, or all of you will break a leg.”

Said Wang Qiang, looking towards Lin Ran and sneering.

“Except for you, of course, even if you kneel down and shout a hundred times to your grandfather today, I will still decide to break your leg.”

“These words are for you.”

Lin Ran looked at Wang Qiang and said blandly.

“Good, that’s crazy enough! I want to see what capital you have to be wild with me today!”

Said Wang Qiang, waving his hand and shouting at the four or five men behind him.

“Don’t hit the women, the rest of the men, break a leg and pay 10,000 each!”

Song Nuan was among them, he didn't dare to do anything to Song Nuan, the name of Master Song could scare him half to death just by hearing it, naturally it was only for Lin Ran's group of men.

Hearing that one person was given ten thousand, those behind them were all red-eyed and immediately copied the sticks in their hands and rushed over.

“Old Six!”

Liu Chen stepped in front, wanting to let Lin Ran go first, he was on the school basketball team and the most capable of the three.

However, Lin Ran was the one who pulled him behind him and then rushed straight out.

“Protect the others at the back.”

Dropping the words, Lin Ran had already rushed into the crowd.

“Old Six!”

Liu Chen still wanted to rush out when Zhang Xu stopped him with one hand.

“Don't be impulsive, you know Lao Liu's character best, he won't act recklessly without being sure.”

The moment he rushed out, Lin Ran was drowned in the crowd.

There were four of them, all of them were strong and tough, so Lin Ran, a nerd, was no match for them.

“Humph! Let you look down on me, let’s see how you still have the face to face me later!”

Zhao Yu smiled smugly.

Her smile had only just appeared when she heard a “bang!” With a loud bang, the four people surrounding Lin Ran actually flew backwards towards the back at the same time, causing drinks to fly around them in a mess.

“This! How is this possible!”

Wang Qiang’s mouth grew, how long had this been going on? I’m afraid it hadn’t even been ten seconds, and his four carefully selected hard workers had actually been defeated.

While he was wondering, a figure had already rushed up to him and slapped him without a word. He slapped Wang Qiang directly on the face.

Wang Qiang was like a kite flying backwards, flying three or four metres before he hit the ground with a “bang! His face was already swollen like a pig’s head.

Lin Ran stepped forward and squatted beside Wang Qiang, saying coldly.

“I’ll give you two choices, first, apologise to my friend immediately and then get lost.”

“Second, spend the rest of your life in a wheelchair, your choice!”

As he said that, Lin Ran placed one palm on Wang Qiang's thigh, and immediately a sharp pain went straight to his bone marrow, causing Wang Qiang's eyes to brush down with tears.

He cried out in a pig-killing voice.

"I apologise! I apologize! Don't pinch!"

Chapter 28

"Yes... Sorry, I have eyes I don't know Taishan, I'll leave now, I'll leave now!"

Wang Qiang stammered, pulling Zhao Yu to leave.

Zhao Yu was upset and hurriedly said.

"Brother Qiang, you can't leave, she has stepped on you to the ground, can you swallow this bad breath"

Before she could finish her words, Wang Qiang glared directly at her and scolded.

"Shut up!"

"Brother Qiang!"

Zhao Yu said eagerly.

Wang Qiang still wanted to get angry, suddenly, the bar but a quiet, all eyes looked at the bar door, only to see three figures slowly step in.

The leader was a young man with short hair and wearing a black vest.

The light inside the bar was dim and only the side of his face could be seen, his knife-like face was sharp and angular, and his body was even more well-proportioned, with a smooth muscular body that stood out under the vest.

He was followed by two youths, one in a white t-shirt and one in a black t-shirt, very conspicuous.

“It’s Brother Long!”

“That’s right it’s Brother Long, I know the two men behind him!”

“I know them too, nicknamed something like the black and white twins.”

The people around were talking, but Brother Long seemed not to have heard, he found himself an empty seat and sat down, ordered a few glasses of wine and drank in silence.

“Lin Ran you wait for me!”

Seeing Brother Long, Wang Qiang came to life, sneering at Lin Ran, and immediately trotted towards Brother Long.

“Old Six, what should we do? Should we bolt while we still have the chance?”

Liu Chen was busy coming up and asked, Wang Qiang had obviously run off to shout at someone, the aura of the man who came in was not an ordinary person, he was afraid that Lin Ran would not be able to carry on if he stayed.

“No, just watch quietly!”

Lin Ran smiled and returned to his seat, drinking with the crowd.

At this moment, where was the crowd in the mood for drinking, their eyes drifted to the back from time to time, to Brother Long's position.

Soon, Brother Long's three men, led by Wang Qiang, walked towards Lin Ran and the others.

“Old Six!”

Liu Chen's heart was anxious and he directly got up and blocked Lin Ran, shouting at Brother Long.

“I did the deed, come at me if you have anything to do with it!”

Lin Ran's heart couldn't help but feel warm.

To be the boss in the dormitory was by no means just because he was the oldest, it was more about commitment and responsibility, these two times Liu Chen had stood up for himself, Lin Ran had seen it in his eyes.

Without a glance, Long just walked silently, and when he was still four or five metres away from Liu Chen, he suddenly launched himself on his feet, and his whole body rushed over directly.

And then leaping into mid-air, with a backward turn, the palm of his foot was like a giant pillar in the sky, collapsing towards Liu Chen's chest.

This kick, from building up momentum to kicking out, was done in one go, and the force was so great that it simply gave birth to the wind, scaring Liu Chen into directly freezing in place.

“Liu Chen, be careful!”

At this critical moment, Lin Ran decisively stepped in, pulling Liu Chen behind him, while his feet collapsed and his horse stance fell, one hand in front of him, one hand against his arm, and he directly met him.

As soon as Lin Ran came out, Brother Long got a good look and a look of surprise appeared on his face.

“Benefactor, how is it you!”

Liu Wenlong hurriedly retracted his leg, but the man was in mid-air and did not listen at all.

“Benefactor, dodge!”

Liu Wenlong hastily reminded, however, Lin Ran smiled faintly and met him.

A kick landed and a “bang!” was heard. There was a dull sound, followed by Liu Wenlong actually not standing still and stumbling backwards two steps towards the back.

“This!”

Liu Wenlong was shocked, this was his signature move, but Lin Ran had blocked it so easily, knowing that this move had killed a cow.

“Benefactor, I’m really sorry, it was my recklessness!”

Liu Wenlong hurried forward, his face full of guilt.

“It’s alright, the power is very good!”

Lin Ran smiled and nodded his head.

Liu Wenlong's face felt hot, somehow he didn't know how to face Lin Ran, if it wasn't for this man in front of him, he would still be suffering from mental torture.

At this moment, the people around were all dumbfounded, the titular Brother Long, an existence that no one dared to mess with in this area, was actually bowing to a youth, and that youth clearly looked like a bumpkin, at most a recent university graduate.

“Benefactor, it's all a misunderstanding, I will take care of it immediately!”

Liu Wenlong laughed awkwardly, and Lin Ran nodded without saying anything.

“Ah Bai, what's going on!”

Liu Wenlong turned around and asked, the youth in the white t-shirt turned pale and hurriedly looked at Wang Qiang, angrily scolding him.

“Stupid bastard, even Brother Long's friend dares to bang, you don't want to live!”

He said and rushed up directly, punching and kicking Wang Qiang.

“Don't, don't hit, I'm wrong!”

He had come to the bar today to meet Brother Long. He knew Brother Long's man, Ah Bai, and wanted to introduce him so that Brother Long could take the lead and kill Lin Ran.

However, he didn't expect that Lin Ran had somehow become Brother Long's benefactor, and at this moment, his heart was weeping, and his field was turning blue with regret.

This was too much of a coincidence, how could he let himself be caught up.

In order to show his loyalty, Ah Bai did not have a soft hand, beating Wang Qiang's head again swollen a large circle, if it would not know beforehand, Lin Ran almost did not recognize.

"Alright, let him go."

Lin Ran said as he saw that it was almost time for all the punishments that should be meted out, so he got up.

Liu Wenlong nodded, and at that moment, Hei Pi was assisted by Zhao Yu and fled out of the bar.

"My friend and I still have to drink, so go and get busy too!"

Lin Ran turned around and smiled, Liu Wenlong nodded at his words, then thought of something and spoke.

"Benefactor, this place was smashed so badly, do you need me to step in for compensation"

"No need."

Lin Ran laughed, Liu Wenlong did not say more, and immediately turned around and took his men back to their positions.

The people around saw that there was no good show to watch and soon dispersed.

When Lin Ran returned to his seat, Liu Chen and Zhang Xu and Xu Lan and the others all came over to him, their eyes glowing.

Liu Chen opened his mouth and said.

“Old Six, you’re good, when did you become Brother Long’s saviour, that’s the king of this generation, no one dares to mess with him!”

“It’s just a coincidence.”

Lin Ran smiled lightly, then his gaze looked to the side, frowning slightly as he spoke.

“This is troublesome, the bar is coming to claim.”
