

## Prodigiously Amazing Weaponsmith

### Chapter 26: A Small White Lotus

Even if this was the case, she couldn't allow this cheap slut off easily.

She coldly chuckled: "Even if she did bump into something bad, the cause was because you, cheap slut! You unlucky person! I long said that you were bearer of bad luck. Making your father die wasn't enough, now you even want to strike out at your cousin! Why don't you do us a favour and die already?"

Blinking her eyes, Huang Yue Li replied: "Second Sister, look at what you're saying. Aren't you alive, living just fine? In the entire Manor, it is only you who frequents here the most. You have yet to die, so how am I able to curse others to their deaths?"

"What's your meaning?" Taken back by her words, Bai Ruo Qi paused before reacting again, "Little slut, are cursing for my death?"

On Huang Yue Li's face, she wore her sweetest smile.

"Second Sister, how could speak like that? We are blood related cousins, while also being Young Miss' of Wu Wei Manor. If I am a little slut, then what would you be Second Sister? A big slut? Then what about Second Aunty? The universe's unequalled-super-ultra-awesome-big-slut?"

Never would Bai Ruo Qi think that the always yes-man and cowardly Third Sister would dare to utter such words today.

Not only did she dare to provoke her, she also dragged in her own mother to scold. She was overturning the heavens!

Red faced she retorted: "Good, good! It looks like you truly are shameless. Not getting beaten for one day, you would forgot who and what you are? Today I will help you recall it. I will let you know that trash is trash, you will never be able to turn over a new leaf!"

As she shouted this, Bai Ruo Qi advanced in large strides and threw out a slap towards Huang Yue Li's face.

Face paling instantly, Cai Wei cried out: "Third Young Miss!"

The Second Young Miss was at the seventh level of the Profound Qi Realm. Within that slap were clear traces of profound qi that would definitely cause the receiver to spit out mouthfuls of blood.

It was only the other day that Third Young Miss had been carried home. Her health had yet to fully recover, how could she possibly suffer that slap?

She was fully devoted to protecting her master and really wanted to block that slap for her Third Young Miss. But that was a slap from a seventh level Profound Qi cultivator, most definitely was not her opponent. Before she could even react, Bai Ruo Qi's delicate jade hand had already arrived and was about to land on Huang Yue Li's face!

In dismay, Cai Wei shut her eyes as she couldn't bear to watch what would happen afterwards.

She only heard Huang Yue Li cry out an 'ah' sound.

"Save me! Please don't! Don't come over!"

Following it, a 'pa' sound crisply rang. Then suddenly a 'thump' sound, like a weight had been dropped onto the ground.

Peeking her eyes open, Cai Wei saw a slender figure heavily land on the ground.

Pu——! A mouthful of bloody mist sprayed out into the immediate area in the back courtyard.

"Third Young Miss——! !"

Extremely panicked, she jumped up. Uncontrollably, her tears rained down.

That sound was very loud, and her fall wasn't light. It was unknown whether or not her Third Young Miss was alive or not. Her Young Miss is really living a harsh life!

She was clearly borne of a high-social family, golden branches and jade leaves. Yet how did her father and mother die, whilst also being bullied from young? How did this happen?

Kneeling on the ground, Cai Wei looked on intently, before her eyes turned blank.

Her-her-her....eyes didn't hallucinate right? That female who had fallen to ground and was struggling up...why did it look like Second Young Miss?

Rubbing her eyes, Cai Wei then looked again.

Only hearing Huang Yue Li speak up from behind her: “Ah....Second.....Second Sister, what happened to you? Are you alright? Why did you...why did you suddenly....suddenly fly up? What mighty martial technique was that?”

Dazed, Cai Wei turned her head around, to see her Third Young Miss clutching herself with misty eyes. With a confused expression on her face, her white robes started to flutter in the wind, making her seem like a delicate white lotus.

## Chapter 27: Are You Guys Fools?

Bai Ruo Yan attempted to stand up straight. Although she wanted to stand up, she found that she was unable to move even a single finger!

As she glared at the female in front of her, her eyes seemed to lack just that little bit more before it would start to shoot out fire.

“Bai Ruo Li! What witchcraft did you use? Just why can't I move? ?”

“Second Sister, just how are you speaking? How come this little sister of yours, cannot understand what you are saying?” On her face, Huang Yue Li displayed her incomprehension, “You cannot move, how is this related to me in any way? Just then...wasn't it you who wanted to strike me? I was far too scared, so I was wholly unaware at what had happened. I only thought of hiding.....”

Clamping her teeth, Bai Ruo Qi sent Huang Yue Li a seething and poisonous glare.

She truly felt that her Third Sister was playing tricks, but it was just as she said. It was her who had struck out first, while Huang Yue Li was too preoccupied in hiding, losing her head in fear. In the end, she held her head with both hands and squatted down.

While Bai Ruo Qi had ruthlessly kicked out. Internally she was thinking that even if this kick didn't kill this little slut, it should at least make her vomit blood.

As a result, her kick really made the receiver go flying. Furthermore they as spit out blood as well, but the one who spat blood was her?

How could that be? Wasn't that too cursed?

At that moment, Huang Yue Li cried out like she had suddenly remembered something: “Ah! Second Sister, when you went flying earlier, your cry was very loud. Did you hurt or break any part of your body? No wonder you're not moving! Hurry and let me see!”

Immediately after speaking, she knelt down and starting feeling Bai Ruo Qi's back.

Suddenly, Bai Ruo Qi felt pain coursing throughout her entire body, as if every single bone her body had shattered. She was in so much pain that she let out bloodcurdling screams of agony.

“Ah—! So painful——! Ah, ah——!”

Because her cries were far too mournful, everyone felt cold sweat form on their bodies.

Due to their exchange being far too fast, the old topknot maid Bai Ruo Qi bought could not react. She would never think that a young miss of the Bai Family would lose to that good-for-nothing, so she could not respond fast enough. It was only now that she regained herself.

“You...you what did you do to Second Young Miss?”

“Aren't your guts too big? What trickery did you play? Hurry and cure Second Young Miss, or there you will regret it!”

“That's right, not even thinking about what your status is? Just a piece of trash, yet dare to offend our Young Miss? Just wait for our Young Miss to teach you a lesson!”

Huang Yue Li chuckled out loud: “Are you guys fools? You clearly know that if I cure her, she will teach me a lesson, then why should I cure her?”

Shrieking in pain, Bai Ruo Qi spoke up: “Hurry! Hurry up and capture that little slut! Fiercely beat her up!”

Those servants were just waiting for those words as they leapt into action.

But these servants were all normal citizens who did not cultivate, at most they would use a little bit more effort. In front of Huang Yue Li, they could not survive a single strike from her.

Bang! Bang! Bang!

It was merely a span of a few breaths, these maids were all knocked out and fell to the floor.

Startled, Bai Ruo Qi's eye nearly fell out of their sockets. As things escalated to this degree, she saw that her Third Younger Sister was completely different from before!

But was clear that her body didn't possess or emit any profound qi, so how could she.....beat down that many servants?

Furthermore, she had used some unknown technique to seal up her points. She could not move at all.

Bai Ruo Qi attempted all types of methods, like striking at her meridians directly, yet none of these methods worked.

Huang Yue Li sashayed to her. Blinking her eyes, she meekly said: "Second Sister, why are you lying on the ground and not getting up? What happened?"
