

Weaponsmith 3181

Chapter 3181: Am I Dreaming? (1)

In the next moment, Rui Ze's vision became clear again.

His expression turned exceptionally sinister and terrifying. His eyes seemed as though it was going to spill blood as he stared fiercely at Huang Yueli.

"This Seat has misjudged you! So, you're from an ancient god clan! You're a god clan genius who even contracted the ancient spiritual beast Phoenix! No wonder you can sneak an attack and kill my younger brother! But no matter how capable you are, you're just in Dream Profound Realm. This is the end for you! Wait to die—!!"

Rui Ze's right hand turned and a huge cutlass appeared in his palm!

The original blade which should be shimmering in silver was totally black now. It was congealed with solidified demonic Qi!

Rui Ze lifted his cutlass high up and struck it towards Huang Yueli's head!

"Hiss—! Hiss—!"

Little Wang Cai screeched anxiously as it tried to dash over to save its master.

However, the speed of a Sky Devil mid-phase practitioner was not something that an immature Phoenix could contest against. Before Little Phoenix managed to come near, the blade was already at the top of Huang Yueli's skull!

"Li'er—!!"

Just as Huang Yueli was at all loss on what to do, a familiar male voice suddenly exploded in her ears!

Even under such a pressing moment, Huang Yueli was distracted for a second upon hearing the voice!

"This voice... why does it sound so familiar..."

"I heard it so many times in my dreams..."

"Could it be that I'm already dead? That's why this hallucination appeared? Did I just hear the voice that I wanted to hear the most?"

But at the next moment, she felt a tremendous tug which pulled her back abruptly!

Multiple electric currents descended from the sky right in front of her eyes!

It accurately landed on Sky Devil Rui Ze's cutlass that was about to strike her! And it crashed fiercely against his demonic Qi!

"Rumble—rumble—"

Deafening explosive sounds rang throughout the skies!

The entire demon tribe's campsite swayed vigorously, almost blown off by the impact!

In a second, numerous tents flew into the sky as gravel and dirt swirled into the air!

Huang Yueli felt her world turning and by the time she finally managed to regain a little consciousness, she realized that her waist was held on tightly by a powerful arm.

Whereas for her, she leaned against a man's body.

The aura that the man dissipated was so familiar to her.

It was so familiar that... she didn't dare to believe it.

Huang Yueli abruptly lifted her head and looked at the handsome, godly countenance above her!

"Moying! Moying, is it really you? You... are you real? I'm not dreaming, am I??"

For a moment, she forgot that she was in an extremely critical battle and could not help but scream out loud!

Li Moying's arm on her waist instantly grew tighter, as though it was about to break her slender waist into half!

He breathed heavily and looked at the small face in disguise, trying to suppress the anger in his heart.

"Let me deal with this devil first. I'll settle the debt with you later!"

Li Moying would usually be very gentle with her, rarely treating her in such a fierce manner.

Moreover, this was the first time they met after being separated for close to two years.

After being scolded by Li Moying, Huang Yueli was a little stumped as she blinked blankly in disbelief.

But she quickly recalled their current predicament.

Chapter 3182: Am I Dreaming? (2)

"Moying, this... this devil's cultivation is Sky Devil mid-phase. He's very strong, and you're not his match. Let's not take the risk. Why don't we retreat first?"

Huang Yueli saw Li Moying's murderous look and hurriedly reminded him about it.

Although she didn't know how high her husband's current cultivation was, only two years had passed. It was apparently not possible for Li Moying to advance into the Dao Profound Realm.

Since that was the case, dealing with Sky Devil Rui Ze was practically not possible.

Huang Yueli was deeply worried that he was anxious to stand up for her and would insist on butting heads so she quickly reported Rui Ze's cultivation first!

She had just reunited with Li Moying. So she didn't hope to see Li Moying injured just because of her.

Li Moying blinked and shot her a light glance, "No matter, I have a helper."

"What?" Huang Yueli's eyes opened wide as she couldn't comprehend his meaning.

Just as they were talking, a bright light abruptly appeared behind Sky Devil Rui Ze's back!

A gust of powerful water-attributed energy spiralled towards Rui Ze. All the drinking water in the campsite instantly raised to the sky to become a water blade, stabbing at Rui Ze's back!

Rui Ze's expression abruptly changed. He turned around and wanted to block the attack.

But Li Moying also made his move at this very moment!

Multiple electric currents descended from the sky, forming a dense net to envelop Rui Ze inside.

Rui Ze was attacked from the back and he was strained. So naturally, he couldn't ward off all the attacks and was struck by several bursts of Profound Energies.

"Ughh— Pfft—"

Blood spilled out of his mouth and he was thrown out. He only barely managed to stop after he flew very far away.

As for his face, it had turned as white as a sheet of paper!

"You... the two of you... good, very good!"

Rui Ze swept a deadly glance at Li Moying and Huang Yueli, as well as Jun Sihan who was standing by the side. "I will remember all of you! I will definitely exact revenge on you for killing my brother! Just wait and see! The day that I break through to Sky Devil end-phase will be your death anniversaries!"

Rui Ze knew that he wouldn't be able to win today.

Hence he left a ruthless warning and abruptly mustered his strength to make his escape.

Li Moying and Jun Sihan's thoughts were not on earning military merits, so they had no intention to chase after him at all.

Huang Yueli saw Rui Ze leaving and finally heaved a sigh of relief.

She had met with several crises this evening after continuously battling. Only now could she finally relax.

But before she had time to do so, she sensed a cold, gloomy gaze falling on her face.

Huang Yueli trembled and hurriedly lifted her head to meet Li Moying's handsome face that was frowning tightly.

She silently shuddered and tried her best to squeeze out a smile. She said coquettishly, "My darling husband~~ I miss you so much! Did you miss me?"

Li Moying stared at her and his thin lip lifted slightly. "Of course I...."

Huang Yueli silently felt delighted, feeling that her charm was simply irresistible. She could even make an excellent man like Li Moying listen to her!

Although she ventured into danger, almost died, and was even caught red-handed by Li Moying, she only needed to use her honey trap to make this man give in to her. Hahaha!

Alas, before she could finish laughing, she heard Li Moying's icy cold voice.

“...want to spank you!”

“Ughh? Huh... ouch! You... you really hit me!”

Huang Yueli's face flushed red in a second.

Because just as Li Moying said that, he really proceeded to slap Huang Yueli's buttocks at the same time!

Chapter 3183: Am I Dreaming? (3)

“Stop trying to act cute! How can you even think of using the honey trap to bewitch me with that ugly face?” Li Moying said irritably.

“Ughh...” Huang Yueli was speechless.

She had totally forgotten that she was still wearing the disguise!

Speaking of this, this disguised look was not only plain, the most crucial thing was it was a man's look!

She would really have a nightmare if Li Moying was bewitched by this face.

Seeing Huang Yueli pausing for a moment, Li Moying's agitated and anxious feelings calmed down a little. But he was still holding tightly to this young lady, unwilling to loosen his grip.

Only when he sensed that young lady's temperature and the light scent did it pacify his uneasy heart.

“I'm sorry, Brother Li. I'm going to interrupt you and your wife for a bit!” Jun Sihan walked over and said to the both of them.

Huang Yueli then recalled that someone else was right next to them! Moreover, she was acting so intimately with her husband...

Her little face flushed red again, but luckily it was concealed by her disguise. Even if she felt embarrassed, she wouldn't be able to see it too clearly.

Huang Yueli subconsciously pushed Li Moying's chest, wanting to push him away.

But Li Moying wasn't willing to let her go at all. He held her tight in his embrace and even shot a warning look at her, telling her to be obedient!

Huang Yueli was helpless because she knew it was her fault at first. Hence she could only listen to him obediently.

Li Moying nodded his head at Jun Sihan and made introductions.

“Brother Jun, this is my wife, Sacred Phoenix Race's god grade genius Huang Yueli! Li'er, this is my good friend, Veracious Wyvern Clan's Young Lord, Jun Sihan! Brother Jun has helped me several times and he is my best friend in God Realm.”

Huang Yueli propped her head out of Li Moying's arms, sizing Jun Sihan curiously.

This man looked older than Li Moying by three to five years old and his countenance was also handsome. He looked outstanding and had a superior aura attached to him!

But it was no wonder because he was the Young Lord of the Veracious Wyvern Clan, also one of the 12 ancient God Clans!

No wonder he could become good friends with Li Moying!

Huang Yueli had a rather good impression of him. She hurriedly nodded her head and greeted him like how Li Moying did. "Brother Jun, how do you do!"

Jun Sihan's lips curled into a smile, "Sister-in-law, you're too courteous! I have something to ask you. I heard from Divine Lieutenant Li that my wife should have come along with you to fight. But why didn't I see her? Where is she right now?"

Huang Yueli was puzzled as she looked at him blankly.

"What? Brother Jun's wife?"

Jun Sihan saw her puzzlement and explained further, "Her name is Xia Yunxi! She should be together with you! But Little Xi likes to disguise herself as a man. So I don't know if you've seen her true countenance."

It was only now that Huang Yueli understood what was going on. She suddenly thought of something and couldn't help but scream out in surprise.

"Ah, you.... you're Yunxi's scum of a husband!"

Jun Sihan's original flawless smile instantly collapsed.

"... scum of a husband?"

Huang Yueli realized that she had misspoken and hurriedly covered her mouth. Then she smiled awkwardly and said, "Cough cough, Brother Jun, you heard wrongly!"

But Jun Sihan's hearing was very good. So there was no way that he would believe what she just said.

He instantly asked, "What scum of a husband? What did Little Xi tell you exactly?"

Huang Yueli was helpless as she could only tell Jun Sihan the contents that Xia Yunxi had complained about.

Chapter 3184: Am I Dreaming? (4)

Jun Sihan's face sank as he heard the story.

"That naughty young lass actually cooked up a story about me to others! Did she really think that I can't do anything to her?"

"If she makes me angry, I'll tie her to the bed when we go back. Then I'll let her know how incredible her husband is! I'll see if she dares to spout rubbish again!"

Huang Yueli sneaked a peek at Jun Sihan's expression after she was done and said uneasily, "Brother Jun, you... are you angry? Actually, I can tell that Yunxi still loves you very much. But I don't know what misunderstanding the two of you have. I don't believe that you will be together with another woman..."

Initially, she was very puzzled because no matter in terms of ability, looks, status, or personality, Xia Yunxi was first-class.

Which man would have an affair with such a perfect wife around him, unless he was blind? No ordinary woman could be compared to this first-class beauty, wasn't it?

Take herself, for example, she had never been worried that Li Moying would have a change of heart.

Xia Yunxi was also very beautiful like she was, so she shouldn't have anything to worry about!

But since Xia Yunxi had already said that, as her friend, Huang Yueli could only follow along.

Yet today, when she saw Jun Sihan who came along with Li Moying, she totally leaned toward Jun Sihan's side.

After all, if he could become Li Moying's best friend, there should be nothing wrong with his personality.

She just couldn't understand what had happened between this couple.

But this wasn't something that an outsider could dabble in.

Jun Sihan spoke with a ghastly expression, "Many thanks, Sister-in-law, for understanding. I'm definitely not the kind of man who fools around! Can I trouble you to tell me where Little Xi is right now?"

Huang Yueli hurriedly said, "We met with Sky Devil Ruize and I stayed back to cover their escape. So I asked Yunxi to be responsible for leading the troops to retreat. I believe they should be on their way back. Just follow along the way to return to the campsite and you'll definitely be able to find her!"

Jun Sihan nodded and said, "Many thanks, Sister-in-law!"

Following that, he didn't say anything else and turned around to leave quickly.

Huang Yueli looked at his departing figure and sighed.

"He's indeed Veracious Wyvern Clan's Young Lord. His temperament is indeed outstanding! Moreover, he's so polite... ouch!"

Huang Yueli was in the middle of her sentence when she suddenly felt pain in her waist. She lowered her head and took a look, only to realize that Li Moying had just pinched her hard.

Her brows creased and she said, "You... what are you doing? You're hurting me!"

Li Moying's brows rose as he looked at her and said in a chilly tone, "Why? You saw someone's handsome husband and have already gotten sick of me?"

Huang Yueli was stumped for a moment, then she burst out laughing. "What are you talking about? I only feel that he looks very compatible with Sister Yunxi!" Saying that, she leaned towards Li Moying and blinked, "Why? Are you jealous?"

"Jealous?" Li Moying snorted!

He pinched Huang Yueli's chin and turned her head in the other direction.

"This face of yours is too ugly. Don't come so close to me!"

“...”

Huang Yueli was despised so clearly by her husband and she felt extremely melancholic!”

But before she could say anything else, she suddenly felt her body growing light. Li Moying had carried her into a princess hug.

Huang Yueli almost fell and quickly wrapped her hands around his neck.

“What do you want to do?”

Li Moying put on a straight face. “Bring you back to the campsite and find a place to teach you a lesson!”

Chapter 3185: Am I Dreaming? (5)

Li Moying might bear an abstinence expression and his tone might be cold. But not knowing why, Huang Yueli seemed to hear an ambiguous tone in his words.

She pouted and put on a tsundere look. But actually, she was feeling extremely delighted.

She thought, “I knew it! My husband just can’t do anything to me!”

“I can just smuggle past the dangerous fact that I challenged the Sky Devil on my own! It’s so easy!”

Alas, Huang Yueli had painted too far-fetched hopes for herself.

Li Moying carried her and swiftly ran back to the campsite.

When they came near the campsite, Huang Yueli initially wanted Li Moying to let her down because they were both in man’s dressing!

If Li Yukun were to see them in an embrace together, he might faint from shock!

Divine Lieutenant was a seriously injured person. So Huang Yueli felt that they couldn’t scare him like this.

But Li Moying used brute force to restrain all her struggles. He ignored her objections and directly carried her to the campsite.

Li Yukun was sitting in the center of the vacant space and saw them immediately.

Huang Yueli laughed dryly, “That... Div... Divine Lieutenant!”

She just started to explain when she heard Li Yukun heaving a long sigh of relief. “You’re finally back! I’m relieved that Young Lord and Your Lady are safe!”

Huang Yueli was dumbstruck. “What? Divine Lieutenant addressed you as Young Lord??”

Li Moying nodded at Li Yukun and carried Huang Yueli right in. He slowly said, “I’m Cloudy Qilin Clan’s Young Lord whereas Li Yukun is also from the Cloudy Qilin Clan. There shouldn’t be anything wrong with addressing me as Young Lord, is there?”

“Huh? Rea... Really?” Huang Yueli’s eyes widened.

Li Moying looked at her full look and sniggered silently.

Even with this ordinary-looking disguised face, his little fox was still very cute! But he wanted to teach this young lass a lesson, so he would absolutely not praise her for being cute today!

“Which tent are you staying in?” Li Moying asked.

Huang Yueli paused for a moment and replied, “Oh, it’s that one in the southwest corner...” She pointed at a white little tent.

Li Moying instantly carried her and walked over.

He laid Huang Yueli on the bed, then turned around to pull the tent’s hanging door.

Only now did Huang Yueli manage to react. She shouted, “You... when did you become Cloudy Qilin Clan’s Young Lord? We’re both god grade geniuses. Why am I in such a miserable state while you became the clan’s Young Lord??”

Hearing that, Li Moying’s expression turned gloomy.

“I was just about to ask you! Aren’t you Sacred Phoenix Race’s highly valued god grade genius? I heard that Sacred Phoenix Race even sent out an Elder to receive you! Why did you go missing, and even came to such a place? Do you know how long I have been looking for you? There were several times that I thought something had happened to you!”

The more Li Moying thought, the angrier he thought. He couldn’t stop himself from pinching Huang Yueli’s face hard.

“Y...you... can’t you just wait for me to pick you up in Soul Connection Ocean? I’m really so angry!”

Huang Yueli was berated badly and her expression looked extremely aggrieved.

“You... why are you treating me so fiercely...”

Li Moying said angrily, “This is considered fierce? Have you ever thought of how worried and scared I have been all this while?”

Chapter 3186: Am I Dreaming? (6)

Huang Yueli knew she was in the wrong and hurriedly leaned over to kiss his perfectly chiseled cheek.

“I’m sorry, I know I’m in the wrong... Moreover, I didn’t do it purposely. I thought my clan had sent someone to pick me up and he would be very reliable. Whoever knew that I would meet with a sinister, cunning old man!”

Huang Yueli said softly with a slight trace of coquetry.

Li Moying heard her euphonious voice and his heart instantly softened up.

But he didn’t miss out on the doubtful point in Huang Yueli’s words.

“Wait, what do you mean? What sinister, cunning old man?”

Huang Yueli sighed and said, "He's Elder Huang Sanbai from the Sacred Phoenix Race! Back then, he led a group of people to pick me up from the Soul Connection Ocean and said that the clan valued my innate talent a lot. They wanted to nurture me and I didn't doubt him. Whoever knew..."

Huang Yueli spilled out everything about the happenings in Soul Connection Ocean, including the part where Huang Sanbai suddenly became hostile and wanted to kill her.

Li Moying's expression turned pale, and he was horrified!

"Luckily you're very alert and know how to defend against that old man. Otherwise, the consequences would be dire!"

Li Moying narrowed his eyes and an austere look flashed past his eyes!

"I met that Huang Sanbai in Serene Rain Town, and I also asked him about your whereabouts. But not only did he not say a word about it, he even blamed the Cloudy Qilin Clan. He said that Cloudy Qilin Clan's clansmen sneaked an attack on you, causing you to go missing!"

"Back then, I thought that he wouldn't possibly attempt to murder the clan's god grade genius. Whoever knew that he had designs on the Sky Phoenix Ring on you. No wonder... now that I think about it, he indeed seems very suspicious! It's all my fault for not being vigilant enough. I didn't discover his abnormality back then!"

Now that Li Moying recalled the scenario then, he felt extremely vexed!

If only he had discovered that Huang Sanbai's words weren't quite right, he might not need to go on such a big detour and his Li'er wouldn't need to meet with so many dangerous situations. The two of them might have met up sooner!

Li Moying's hands clenched into fists as he punched the edge of the bed.

Huang Yueli saw his remorseful look and was heartbroken. She walked up and placed her fingers over his brows, smoothening the creased folds.

"Don't blame yourself. What you say is not wrong. Huang Sanbai is an esteemed Elder in Sacred Phoenix Race after all. Just look at the attitude of the other clansmen towards him, he should be highly respected in the clan. Who could imagine that he is actually a sanctimonious-looking hypocrite?"

"Even I also didn't think that such a thing would have happened from the start, not to mention you who is from the Cloudy Qilin Clan. This is very normal..."

She stretched out her head and rubbed it against Li Moying's chest.

"The most important thing is we've finally met again, regardless of all that had happened..."

Hearing Huang Yueli's words, Li Moying's feelings slowly settled down.

He stretched out his hand and rubbed Huang Yueli's head. His tenderness uncontrollably gushed out.

"That's right, Li'er. Since the day I ascended, we've not met for close to two years... There's never a day that I haven't missed you in the past two years... Li'er..."

Hearing the man's magnetic voice by her ear, Huang Yueli's heart pounded agitatedly as she hugged Li Moying's neck.

"Me too, me too! Moying, I miss you so much! I've been cultivating day and night every single day, just so that I can meet you sooner!"

Chapter 3187: Am I Dreaming? (7)

The two of them looked deeply into each other's eyes.

Slowly, they closed the distance between them...

Huang Yueli sensed that Li Moying wanted to kiss her. She subconsciously shut her eyes, perked up her lips, and waited quietly.

However, she waited for a long time but the anticipated warmth did not appear.

Puzzled, she opened her eyes and saw Li Moying staring at her with a complicated expression.

"Oh my—!" Huang Yueli instantly reacted and covered her face. "I'll go and wash my face, I'll go right now!"

She jumped and screamed at the same time, running towards the corner of the tent to get a pail of water. Then she started to wash off the disguise pigments on her face.

But she was feeling too anxious and wanted to wash off the pigments quickly so that she could conquer this man with her beauty. But the more anxious she was, the easier it was to make a mistake!

So she washed her face for a long time but somehow kept missing out on certain areas. There was always a bit of pigment left on her face.

Huang Yueli grew even more flustered and she threw the towel into the wash basin while mumbling angrily, "It's so irritating! This godforsaken place, they don't even have a pail of clean water!"

Li Moying saw her childish look and found it amusing. So he walked towards her.

He took the towel from Huang Yueli and twisted it dry. Then he lifted Huang Yueli's chin and used the towel to wipe the pigments on her face.

The dark yellow color was wiped off slowly, revealing Huang Yueli's originally delicate, flawless fair complexion.

That big, watery eyes, straight nose bridge, and alluring lips all carried the temptation to lead one to commit a crime.

Li Moying threw the towel away and leaned closer to Huang Yueli.

Huang Yueli obediently shut her eyes as her heart leaped for joy. She was no longer a stinky man in her husband's eyes! Thinking silently, "I knew it, I'm still a pretty girl in my husband's eyes, his one and only!"

Li Moying was slowly enchanted by her presence and stretched out his hand to carry her onto the bed.

The temporary tent on the frontline naturally had rudimentary furnishings and the bed was also very hard, which was uncomfortable.

But to the lovers who reunited after such a long time, they totally couldn't be bothered about these trivialities.

The bedroom was engulfed in warmth.

...

On the other end, after Jun Sihan bade Li Moying and Huang Yueli goodbye, he moved swiftly and soon chased up to the majority of the troops.

Xia Yunxi had now become this army's temporary Commanding Officer, as assigned by Huang Yueli before they parted.

Her innate talent in formations was pretty high as well. Adding on to the ability to foresee the future, she was a natural leader in leading the army.

"Everyone, make a right turn and go round the back of the forest! Advance in full motion!"

Xia Yunxi rode the steed and gave an order. All the soldiers immediately obeyed her command.

She silently thought, "The feeling of bossing people around feels pretty great. No wonder that fellow Jun Sihan likes to order people around so much, hmph!"

Just at this moment, she suddenly had a dangerous hunch!

Xia Yunxi instantly became alert. "What's going on? We have already left the demon tribe's campsite so far away, and even purposely went on a detour! Why would there still be danger? Could something have happened to Yueli?"

Just as she was feeling puzzled, a tall figure suddenly appeared right in front of the troops!

This person's aura was extremely strong, and they could tell that he was a top exponent who wasn't easy to deal with.

The soldiers became anxious immediately.

Chapter 3188: It's Entirely My Fault (1)

"Who's that??"

"Report your name, otherwise we will take action!"

"The allied armies' soldiers are currently executing a mission. Those who are not involved should quickly move aside."

The soldiers were really afraid of fighting the demon tribe. So when they saw a powerful exponent appearing in front of them, they subconsciously drew out their long swords to prepare to fight.

They heaved a sigh of relief when they took a clear look to find the man in front of them was not from the demon tribe.

Commander Hu and the others saw the abnormality in front of them and quickly looked for Xia Yunxi to report on this.

“Commander Xi, a young god clan practitioner is blocking our path in front. What do you...”

“God clan practitioner?” Xia Yunxi frowned and walked to the front, thinking of checking out the situation for herself.

However, she only took a look from afar and was instantly dumbstruck!

That person who stood in front of the troops was actually... Jun Sihan!!

“Why did Jun Sihan suddenly appear at this place? Shouldn’t he be in Veracious Wyvern Clan, assuming his position of Young Lord and flirting around? Then shouldn’t he be happily frolicking around with his new lover?”

Xia Yunxi’s first reaction was to run away!

But she had just nudged when Jun Sihan heard her voice. He shouted sternly, “Xia Yunxi, how dare you try to run away!!”

“Why wouldn’t I dare?” Xia Yunxi subconsciously retorted.

At the next moment, she realized that a grip tightened around her waist and she was lifted into the air. Following that, she crashed into a wall made of flesh!

Jun Sihan simply carried her without any warning, with her head facing down!

Xia Yunxi’s face turned bright red and she struggled agitatedly and swung her feet. “Jun Sihan, you scum! Let me down, let me down!”

However, not only did Jun Sihan not let her off, a dangerous sneer was heard coming from his throat.

“Didn’t you say that I was a scum? Didn’t you say that I enamored with someone new and forsaken the old, abandoning my wife and tangled myself with another woman? Since I’m already that bad, then why should I let you down?”

When Xia Yunxi heard this, her mind suddenly went blank.

“Something’s not right. I painted this picture of Jun Sihan only after I reached Blessed City. And I only told Huang Yueli about this. How did Jun Sihan find out?”

An idea came to her mind and she suddenly understood what was going on.

“Huang Yueli, y... you... you actually betrayed your BFF—!!”

Xia Yunxi was feeling angry but it was too late to say anything else now. Jun Sihan carried her over his shoulder and directly took her away!

When Commander Hu and the others saw this, all of them were overwhelmed with shock!

No one expected a god clan top exponent to suddenly pop out in front of them. Moreover, he even kidnapped their Commanding Officer without a word!

Commander Hu came back to his senses and hurriedly commanded, "Quick! Quickly chase after him! Stop that man and save Commander Xi!"

The soldiers hurriedly chased after them in hot pursuit, but Jun Sihan's speed wasn't something that ordinary practitioners could compare with.

He carried his wife on his shoulder and moved swiftly. In a blink of an eye, he was already gone!

Commander Hu was both shocked and horrified, not knowing what he should do next!

"This... what is this? Where did that man come from and why did he capture Commander Xi?"

Commander Yang shook his head. "No idea, but this man only captured Commander Xi and did not attack our troops. I think they should have a personal feud?"

"Personal feud? Even if it's a personal feud, he can't just capture our Commanding Officer, right? We're the allied armies! As someone from one of the god clans, how can he do this?"

Chapter 3189: It's Entirely My Fault (2)

Commander Yang took a look at Commander Hu and shook his head helplessly.

"Even if he's wrong in doing this, what can we do since we can't even chase up to him? Moreover, from his ability, even if we did manage to chase up to them, we aren't capable enough to get him back."

Commander Xiao also said, "The only thing we can do now is to hurry back to the campsite and report this to Divine Lieutenant before we decide on the next course of action!"

Commander Hu heaved a sigh, "We can only do this then!"

...

Jun Sihan didn't know that he had made Commander Hu and the others so worried.

Of course, even if he knew, he wouldn't care.

The only thing on his mind was to teach that troublemaker young lass a good lesson! "How dare she run away from home when they disagreed on something!"

"Moreover, she even went on the battlefield, landing herself in such a dangerous situation!"

Only heaven knew that his life had been shortened by this scare!

Xia Yunxi knew that she was a goner and continued to struggle. "Let me down, let me down! Jun Sihan, you scoundrel! Not only did you have an illicit lover, you even hit me!"

Jun Sihan's veins on his forehead twitched when he heard her accusation.

"I said a thousand times that I didn't look for another woman. Moreover, what do you mean by having an illicit lover? Is that term even used to describe men?"

"You didn't have an illicit lover, but you went to look for another woman!" Xia Yunxi recalled the scene that she last saw before she left, and her heart pounded hard with fury!

Jun Sihan placed his hand on Xia Yunxi's butt and threatened, "If you dare spout rubbish again, I will teach you a lesson when we return to the campsite!"

Xia Yunxi felt the warmth on her back and recalled the various immoral "punishments" that Jun Sihan often undertook on her. She involuntarily shuddered, not daring to say a word more.

Jun Sihan heaved a sigh of relief and carefully adjusted the little lady in his arms into a slightly comfortable position. Then he ran all the way carrying her to the campsite swiftly.

When they reached the campsite entrance, Xia Yunxi said anxiously, "Wait, let's split up for a while! I am a man at the campsite! If other people were to see us, they will misunderstand!"

"Misunderstand? What's there to misunderstand? You're originally mine!" Jun Sihan said overbearingly.

Xia Yunxi was rendered speechless by what he said and went into a short blank. Then she said, "But I'm not a man..."

Before she could finish her sentence, she heard Li Yukun's voice from a distance away.

"Young Master Jun, you've returned too?"

Jun Sihan carried Xia Yunxi and gave a simple "Uh huh" as a reply.

Li Yukun smiled and said, "I saw Young Lord returning very quickly, but you haven't come back. So I was worried that something might have happened! Now that you've come back, all is well!"

Jun Sihan nodded at him. "Many thanks to Divine Lieutenant for today. I will definitely show my gratitude in the future! Now, I'll make a move first!"

Saying that he carried Xia Yunxi and left. "Woman, which tent is yours?"

Xia Yunxi was still immersed in shock. "Divine Lieutenant he... what's the matter with him? Has he... gone mad? Or am I dreaming??"

Jun Sihan's brows creased. Grabbing Xia Yunxi's jaw, he leaned close to her.

"Quickly tell me which is your tent? If you don't speak, I don't mind showing affection in public..." His scorching hot breath revolved around Xia Yunxi's lips.

Xia Yunxi's eyes widened as she looked at him with an accusing look. "You're shameless!"

Chapter 3190: It's Entirely My Fault (3)

Jun Sihan grinned evilly, "Why don't you try and see if I'm really that shameless or not?"

Xia Yunxi chewed her lips. Eventually, she lost because she could not beat that man's thick skin.

"My tent is that one over there!" She pointed her finger at one of the tents.

Jun Sihan couldn't wait to carry his wife in and lay her on the bed.

Xia Yunxi was originally still angry. But under Jun Sihan's overbearing oppression, she had no choice but to submit to him.

Hence, when no one was around, her expression instantly changed. She asked coldly, “Young Lord Jun, why didn’t you stay put in your clan? Why did you come over here for? Aren’t you enjoying the company of your new lover, lying with her on the same bed?”

Jun Sihan was angry but he couldn’t help but burst out into laughter on hearing her say that.

He walked swiftly to the side of the bed and watched Xia Yunxi intently. “What did you say about me? Care to repeat that?”

“You... why are you leaning so closely for? You’ve already got a new lover. We talked about this in the past. The minute you have a change of heart, I will leave right away! So we’re no longer husband and wife... ummph—!!”

Xia Yunxi said angrily.

Whoever knew that when Jun Sihan heard her saying they were no longer husband and wife, his anger instantly arose. He didn’t care about anything else, pounced on her, and made her fall onto the bed.

Xia Yunxi instantly went silent. Her face was as red as a beetroot and she pushed Jun Sihan’s shoulder.

By the time Jun Sihan let her go, Xia Yunxi was already panting heavily.

She stared at him angrily but didn’t dare to say a single word. She was scared that this man would “punish” her upon any disagreement!

However, Jun Sihan’s deep gaze stopped on her face. A moment later, his gaze gradually turned warm.

He sighed softly, elbows placed on the sides of Xia Yunxi’s head, and he looked attentively into her eyes.

“Little Xi, I’m saying this for the last time. Nothing happened between that woman and me! That day, I was drunk and she suddenly ran into my room. But luckily I woke up in time and chased her away! I only have you in my heart and will absolutely not do anything that will let you down!”

When Xia Yunxi was threatened by his fierce look, she never took it lying down and would shout back at him.

But once his tone turned so gentle, Xia Yunxi instantly softened up and tears started to well up in her eyes.

“But... but you gave her a chance! You promised not to see her again!”

Jun Sihan hurriedly explained, “I didn’t! I swear I didn’t! I also don’t know how she managed to come into our residence. Perhaps it was my mother...”

Xia Yunxi pouted and said aggrievedly, “I know it, it was your mother again! I understood this long ago. You people from the Veracious Wyvern Clan feel that I’m not worthy of you just because I am not born in one of the god clans. So that’s why they keep obstructing us. If it wasn’t for the fact that we already have a child in the Lower Realm, they would probably have forced me to leave!”

“Even now, they keep trying to introduce women to you!”

Jun Sihan looked at her aggrieved look. The thought of giving her a “lecture” earlier was long gone!

Now, only heartache filled his entire heart!

Since the day he met this young lady, all he hoped for was to protect her properly and see her stay beside him blissfully.
