### Chapter 3271: The Real Main Character (6)

Hearing Jing Shaoyuan's query, the Divine Lieutenants next to him appeared a little surprised.

"This banquet is held in honor of Young Master Li and Young Master Jun. So getting them to sit in the superior seats is very reasonable, isn't it?"

"That's right. A god grade genius like Young Master Li attained such outstanding results at such a young age! In the future, he will definitely become a top exponent on the Profound Sky Chart! It's perfectly normal for Lord Xuan to appreciate him!"

"That's right, it should be so!"

Hearing his comrades saying that, Jing Shaoyuan swallowed back the rest of the things that he wanted to say!

He hurriedly turned towards Lan Mengqing.

This time, Lan Mengqing was finally not looking at Li Moying. Instead, she bent over to eat her food and she was very focused, as though she hadn't realized what was going on in the surroundings.

Jing Shaoyuan silently heaved a sigh of relief. He would absolutely not admit it, but from the moment he saw Li Moying walking into the banquet hall, his heart was filled with jealousy!

At the same time, he felt a deep sense of crisis!

As a man, he naturally knew the impact Li Moying had on the young ladies in God Realm who worshipped strong exponents!

Jing Shaoyuan originally assumed that Lan Mengqing wasn't focusing on Li Moying. But he didn't know that Lan Mengqing just seemed as though she was not looking at Li Moying. But she had been pricking her eyes to hear the other people's discussions.

Many people were talking about Li Moying in the banquet hall and she slowly understood Li Moying's experience, ability, and status in the Cloudy Qilin Clan. All of these... had won against Jing Shaoyuan instantly!

After Li Moying sat on the chair, he cupped his hands in greeting the two Divine Generals and spoke apologetically.

"Lord Xuan, Divine General Meng, I'm apologizing on behalf of Jun Sihan and his wife. They are not able to attend this banquet today!"

Meng Shurong asked in surprise, "What's the matter? Why isn't Young Master Jun coming? Did he meet with any trouble? Is there anything we can help with?"

Xuan Jiuling had organized a banquet, so generally, none of the younger generations would have a reason to not attend it.

Meng Shurong's first reaction on hearing that Jun Sihan was not attending the banquet was worry that he might have met with trouble.

Li Moying muttered, "I'm not too sure exactly what had happened as well. Originally I had arranged to meet Jun Sihan and his wife and come over to Divine General residence together. But before I set off, he sent someone to pass me a letter stating that he met with an urgent situation. He had to leave with his wife immediately. He also asked me to apologize to both Lords on his behalf!"

Hearing Li Moying's explanation, Meng Shurong, and Xuan Jiuling were extremely bewildered.

But they did not fuss too much over this.

Xuan Jiuling exclaimed. "It seems that Young Master Jun must have met with some pressing matters! That's alright. This is just a banquet, so we can't ask him to put his proper business aside just for the sake of having a meal! This Divine General already feels that meeting a young talent like Young Master Li is already worth my trip here!"

Li Moying didn't expect Xuan Jiuling to speak so courteously to him. In fact, he even praised him so highly.

He hurriedly leaned over and said, "Lord Xuan has overpraised me!"

Xuan Jiuling smiled. The more he looked at Li Moying, the more satisfied he was.

"In this lifetime, there are slightly over 20 young practitioners with heaven grade innate talent within the twelve ancient God clans! I have always found it a pity that there aren't any god grade geniuses in this generation! I didn't expect to meet Young Master Li in Blessed City on my route back!"

### **Chapter 3272: Where Is Your Wife? (1)**

"This Divine General was still worried that Young Master Li has extraordinary innate talents and might be too young. So I thought you might not be firm enough. But after today's meeting, I realized that I am overthinking things! A hero like Young Master Li is sufficient to become the leader of the younger generation! An old man like me feels incomparably touched!"

Xuan Jiuling was extremely satisfied with Li Moying's humble and polite attitude. The more he looked at the latter, the more he liked him.

If he had to say one thing that he felt disappointed with, it would be that Li Moying was from the Cloudy Qilin Clan, and not his Black Tortoise Clan!

Xuan Jiuling looked as though he was in his late forties or early fifties, but his actual age was between four to five hundred years old. He was indeed much more senior than Li Moying and the others with abundant experiences and knowledge.

When he saw Li Moying, he immediately judged that this young man did not only possess incredible innate talent and ability, but he also had a kind of steady and overbearing temperament that natural-born leaders owned!

With a successor like Li Moying, Cloudy Qilin Clan would probably suppress the other god clans in the next thousands of years!

But this disappointment did not affect Xuan Jiuling's appreciation for Li Moying.

Very soon, he continued to talk and enquire about the exact situation when he killed Sky Devil Ruize.

Li Moying spoke eloquently and narrated the exact situation that had happened back then.

But he prudently avoided the part where he and Jun Sihan summoned their ancient spiritual beasts for help.

As the art of summoning ancient spiritual beasts in the current ancient times was gradually being lost, many Life Profound Realm top exponents could not contract any ancient spiritual beasts. This innate talent of theirs might easily cause others to be jealous. So there was no need to actively promote this.

Hearing Li Moying's description, Xuan Jiuling nodded his head eagerly.

The reason for him asking this question was because he was intending to test Li Moying.

Just based on one devil stone, it was really hard to judge how much effort and strength they had exerted in the process of killing Sky Devil Ruize!

Of course, ordinary people couldn't tell the authenticity of what Li Moying had said.

But to a top exponent like Xuan Jiuling, he could judge Li Moying and Jun Sihan's ability clearly just through his narration of the scenario.

When the two of them were engaged in a conversation, Jing Shaoyuan kept staring at them.

Jing Shaoyuan knew that Xuan Jiuling would definitely ask Li Moying about the process of killing the Sky Devil.

Back then when he killed a Sky Devil early-phase practitioner and brought back the devil stone, he was confident that he could become one of the most eye-catching top exponents among the younger generation.

However, the allied armies Headquarters had also sent a Profound Sky Chart top exponent over. After asking a few questions, they managed to find out every single detail.

Although he was given the military merits, they did not promote his military rank.

Jing Shaoyuan remembered this clearly. So although Xuan Jiuling used his Profound Energy to screen out the surrounding spaces, he could make a rough guess even though he could not hear!

"Hehe, two Heart Profound Realm practitioners killing a Sky Devil mid-phase top exponent. Who would ever believe in this! Did you think that bringing out a devil stone can prove that you killed him? In front of Lord Xuan, if you dare to tell any lie, you will be exposed right on the spot!"

Thinking of this, Jing Shaoyuan's flustered feeling started to calm down. He also tucked into the food happily.

However, he would occasionally lift his head to take a look at Li Moying.

## Chapter 3273: Where Is Your Wife? (2)

He had been waiting to see Xuan Jiuling's angry or disappointed expression.

However, Jing Shaoyuan kept waiting and waiting for a long time. But he didn't manage to see it in the end.

On the contrary, after Xuan Jiuling finished listening to Li Moying, he clapped his hands and roared in laughter!

"Young Master Li, you and Young Master Jun indeed have extraordinary capabilities! If I'm not wrong, the two of you have already mastered three Saint grade secret techniques, right? Your innate talent is really astounding! Youngsters like you will surpass us in time!"

Xuan Jiuling's evaluation of Li Moying had raised another notch now!

Based on his experience and foresight, he could judge the authenticity of one's fight through their narration.

When Li Moying was narrating the battle scenario against Sky Devil Ruize, he did not excessively exaggerate or downplay the details. He merely described his and Jun Sihan's performance as it was.

On one hand, he verified the fact that he and Jun Sihan really did have the ability to kill a Sky Devil mid-phase practitioner. On the other hand, it proved that Li Moying's character was overly rigid.

Xuan Jiuling had already removed the space barrier in his surroundings when he said this.

He heaped praises on Li Moying without any concealment and that instantly spread throughout the entire banquet hall.

Hearing a Profound Sky Chart's top exponent thinking so highly of Li Moying, all the practitioners revealed shocked and envious gazes!

"Wow, even Lord Xuan is full of praises for Young Master Li!"

"Young Master Li is so talented and he has such high innate talent. Who would not like him?"

"Tsk, that Lord Xuan isn't someone who just cares about a man's looks. He places more emphasis on the younger generation's ability!"

"Who says we only care about his looks? Isn't Young Master Li's ability more outstanding than his looks?"

"This... this is true..." That person went speechless after being retorted.

Jing Shaoyuan's eyes widened as he could not believe what he was hearing!

"Impossible! This... isn't possible. It's too abnormal! How could such a thing have happened??"

He couldn't understand why he was reduced to a youngster who was angled for fame after meeting the Sky Profound Chart top exponent while Li Moying was highly valued by Xuan Jiuling!

This was totally different from what he had imagined!

Jing Shaoyuan was so agitated that he almost slammed his fist on the table.

Luckily, Lan Mengqing who was beside him tugged his sleeve at this moment.

“Shaoyuan, what’s the matter with you? Why is your face so red? Did you drink a little too much?” Lan Mengqing frowned slightly as she whispered.

Earlier, Jing Shaoyuan got too agitated and knocked into a cup. It gave off a sound and gave Lan Mengqing a shock, pulling her back to her senses.

Hence, she managed to pull him back in time to prevent him from doing something even more embarrassing.

Jing Shaoyuan had calmed down after being tugged by her. He realized that if he dashed out in this way, the person who would be embarrassed would be him, and not Li Moying!

But hearing the people around him praising Li Moying, he simply could not take it lying down!

Flames of jealousy filled his heart, and it was continually spiraling upwards!

Jing Shaoyuan took a deep breath to suppress his jealousy. At the same time, he looked at the goddess-looking lady whom he called his fiancée.

Jing Shaoyuan’s eyes suddenly lit up!

He thought, “How could I have forgotten about this?” When he came, he already knew that Li Moying would definitely be in the limelight at the banquet this evening.

He had originally planned to use his fiancée to crush Li Moying!

### **Chapter 3274: Where Is Your Wife? (3)**

But two accidents happened during the execution of this original comprehensive plan.

The first point was Li Moying’s wife not showing up to attend the banquet today. No one knew where she was!

The other point was Jing Shaoyuan didn’t expect his fiancée, Lan Mengqing, to be so focused on Li Moying. Luckily, everyone was looking at Li Moying and had not noticed them. Otherwise, he would have been so embarrassed!

Thinking of this, Jing Shaoyuan felt rather upset.

But...

He turned around and took another look at Lan Mengqing.

At least after the banquet started officially, Lan Mengqing no longer looked at Li Moying. He assumed she must have been curious about him initially, so she took a few more looks at him!

Jing Shaoyuan repeatedly convinced himself in his mind. "With such a perfect fiancé by her side, Lan Mengqing wouldn't be so silly to be interested in that flirtatious Li Moying!"

He pondered for a moment more and finally made up his mind.

"Mengqing, I'm acquainted with that Young Master Li. Let's go offer him a toast!" He turned to Lan Mengqing and said.

Lan Mengqing had already been thinking of ways to get closer to Li Moying. Hearing Jing Shaoyuan, she instantly agreed.

"Alright, that's great! I'll go with you!"

Lan Mengqing agreed so readily and that made Jing Shaoyuan feel a little indisposed. But he didn't think too much about it.

The two of them had often flaunted themselves in the past, so Lan Mengqing must have been used to it long ago.

The two of them held up their wine glass and walked over.

Seeing the two of them approaching them, Meng Shurong and the others were stunned.

It was normal for Divine Lieutenants to offer toasts to someone as respectable as Xuan Jiuling, or the main characters like Li Moying.

But it would normally be after they had at least three rounds of toasts.

Wasn't it a little too early to come over now?

But Jing Shaoyuan didn't look embarrassed at all. He cupped his fists at Meng Shurong and Xuan Jiuling in greeting, then turned to Li Moying.

"Young Master Li, I came over specially to offer you a toast! Your hard work in killing Sky Devil Rui Ze this time has saved everyone in Blessed City! I would like to thank you on their behalf!"

Li Moying knew that he was up to no good, but at least this sentence was rather decent.

So he responded coolly, "Young Master Jing is too kind. All the allied armies officers stationed in Blessed City fought in the battle together and that's why we have obtained victory. It's not my individual credit."

Saying that, he raised his wine glass, wanting to finish up the contents so that he could get rid of this fellow who came with ill intentions.

But just as he was about to drink the wine, Jing Shaoyuan stretched out his hand to stop him.

"Young Master Li, why are you so anxious? I'm not done yet!"

Li Moying frowned slightly upon hearing that. But he replied in a normal tone, "What other things does Young Master Jing have to share?"

Jing Shaoyuan smiled delightfully, "Allow me to introduce the lady next to me. She is the Number One Beauty from Emyrean Fox Clan, Lan Mengqing, and she is also a heaven grade genius! Her status in

Empyrean Fox Clan is also very high. She's the granddaughter of one of the Grand Elders! I heard that Young Master Li will be bringing your wife along today, so I specially brought my fiancée along to accompany her."

Saying that, he pretended to be surprised. "Hmm? Young Master Li, why isn't your wife here today? Could she be too shy? That's why she feels awkward attending this kind of occasion?"

#### **Chapter 3275: Where Is Your Wife? (4)**

As Jing Shaoyuan said that, he turned around and motioned to Lan Mengqing.

"Mengqing, this Young Master Li is the allied armies' hottest person now! He's the talk of the entire Blessed City. Everyone says his ability is extraordinary, and he even killed a Sky Devil mid-phase practitioner! Quick, offer a toast to Young Master Li!"

Lan Mengqing had been secretly sizing Li Moying up since she walked over.

From a close distance, this man appeared to be even more handsome and charming. His masculine features had no flaws at all, and his cold and celibate temperate gave one the feeling of a lukewarm relationship. One simply couldn't draw their attention away from him.

Hearing Jing Shaoyuan's words, Lan Mengqing suddenly shuddered as she stared at him in disbelief.

She thought, "Does Shaoyuan mean... this devilishly handsome man is already married at such a young age?? He has a wife?!"

"W... What's wrong with him?"

"He looks even younger than Shaoyuan!"

Talented practitioners at their grade would usually focus on cultivation and advancing into Dao Profound Realm first. They would not get married at such a young age. At most, they would get engaged like herself and Jing Shaoyuan.

Just as she was in a daze, Jing Shaoyuan urged, "Mengqing, what's the matter with you?"

Lan Mengqing abruptly came back to her senses. She took a step forward and raised the wine glass in her hand.

"Young Master Li, allow me to offer you a toast!"

Her voice was a little too tender.

Jing Shaoyuan couldn't help but frown slightly as he stared at her.

But Lan Mengqing's attention was fully focused on Li Moying, so she did not detect the dissatisfactory emotions that her fiancé was displaying.

No matter how she looked at Li Moying, she felt that he was simply too young!

She thought, "Who would get married at this age? I don't believe this at all!"

Li Moying also felt that something was wrong with Lan Mengqing's voice. But he couldn't be bothered about another woman, other than his wife. So he didn't even look Lan Mengqing in the eye.

Li Moying raised his wine glass and said indifferently, "Please don't say that. Young Miss Lan is too kind."

Seeing Li Moying drinking her toast, Lan Mengqing felt a little excited. She totally did not consider that Li Moying doing that was out of courtesy.

Even if it was any ordinary allied armies' officer other than her, he would also drink to their toasts under this kind of occasion today.

Lan Mengqing hurriedly said, "Young Master Li, this is your first time coming to Blessed..."

She wanted to quickly strike up a conversation with Li Moying.

Although she was shocked to find out that Li Moying had a wife, she quickly set up her mind to close the distance between her and Li Moying, so that she could find out more about his so-called wife's background.

Lan Mengqing felt that there should be something that she wasn't aware of. She thought, "He's still so young and so focused on cultivation. Moreover, he doesn't know much about the affairs of the heart. Perhaps, some shameless woman tried to think of a way to seduce him."

She decided that she would not allow such an outstanding man like Li Moying to be deceived by those little sluts!

However, Lan Mengqing had just barely said a few words before she was interrupted by Jing Shaoyuan.

"Young Master Li, you haven't answered my question yet. Where is Young Madam Li? Why isn't she here today? This is such an official occasion but she actually refused to attend this event with you. This is simply unreasonable! Moreover, this is like a huge disrespect to Lord Xuan and Divine General Meng..."

### **Chapter 3276: Where Is Your Wife? (5)**

Li Moying originally wanted to ignore this eccentric unmarried couple. However, he was seated near Meng Shurong and Xuan Jiuling. Moreover, Jing Shaoyuan intentionally spoke loudly to drag both Divine Generals into the topic.

Meng Shurong and Xuan Jiuling looked over when they heard their names being mentioned.

Li Moying had no choice but to explain, "My wife has gone out in the day to deal with some private affairs. But in the end, she was delayed and couldn't get back in time. I ask for both Divine Generals' forgiveness on this!"

Saying that, he cupped his hands at Meng Shurong and Xuan Jiuling.

The two Divine Generals originally had no intention to blame him.

Xuan Jiuling smiled and said, "That's such a waste! Originally I wanted to meet your wife, to see what kind of peerless genius young lady could capture Young Master Li's heart!"

He suddenly seemed to have thought of something and turned towards Meng Shurong. "Lord Meng, have you seen Young Madam Li before?"

Meng Shurong smiled and shook his head. "It's not really considered as seeing her. Just yesterday when Young Master Li entered the city, we briefly saw each other. But as Young Madam Li had put on a disguise, I didn't see her true countenance."

Hearing both Divine Generals discussing Huang Yueli, Jing Shaoyuan was extremely happy that things were going according to plan!

He instantly leaned over and interrupted, "My Lords, Li Moying's wife is truly extraordinary! This Subordinate heard that she had accumulated a lot of military merits when she was under Divine Lieutenant Li Yukun! She's a hero amongst women!"

"Oh? Really?" After Jing Shaoyuan's introduction, Xuan Jiuling was even more interested. "Young Master Li, tell us which young lady is your wife from? Which lady from one of the 12 God clans is so lucky to become your wife?"

Xuan Jiuling wasn't being polite when he said that. He was honestly praising her from the bottom of his heart.

Li Moying's innate talent and ability were something he recognized. Today upon seeing him, Xuan Jiuling discovered that he was really good-looking. Adding to the fact that his character was very upright, this kind of young man was absolutely the best candidate to be anyone's son-in-law!

Xuan Jiuling even considered introducing the outstanding talented ladies from Black Tortoise Clan to Li Moying.

If they could get Li Moying to become Black Tortoise Clan's son-in-law, wouldn't their clan also shine in his glory?

Alas, Xuan Jiuling had not even started on his plan and heard Meng Shurong saying Li Moying had already got married at a young age!

This news left Xuan Jiuling a little surprised.

But he had lived for hundreds of years, so there wasn't anything that could faze him. He was merely astounded for a moment and turned back to normal.

It might be a pity, but Li Moying was already married. Surely he couldn't force the ladies onto him, right?

When Jing Shaoyuan heard Xuan Jiuling's words, he might be extremely discomfited to hear the praises given to Moying. But he felt more excited rather than disgruntled!

Because Xuan Jiuling had finally been pulled along to ask the question he wanted to ask the most!

Li Moying's wife was not one of the young ladies from any of the 12 God clans. She was a useless wild lass!

He wanted to sit back and see how Li Moying was going to tell Xuan Jiuling. He was just waiting to see him being embarrassed!

Jing Shoayuan had been sneering while staring at Li Moying, hoping to see how awkward he was.

However, what made him melancholic was Li Moying's expression remained the same from the start to the end. He said calmly, "My wife is not an aristocrat. She's just an ordinary young lady."

"Oh? She's not one of the young ladies from the God clans?"

### **Chapter 3277: Where Is Your Wife? (6)**

When he heard Li Moying saying that, Xuan Jiuling was honestly surprised.

But a man of his status would naturally not be like Jing Shaoyuan, just waiting to see Li Moying make a fool of himself.

He only found it weird. "Which young peerless genius like Li Moying wouldn't be hounded by plenty of beautiful ladies? When they picked their cultivation companion, wouldn't they have a load of strict requirements? Wouldn't they pick the woman with the best looks, status, and innate talent?"

"Above all, their status and bloodline were the most important considerations."

"Just look at Jing Shaoyuan and we will know. Those women who try to get close to him are countless. But in the end, he chose Empyrean Fox Clan's Lan Mengqing."

"However, Li Moying says... his wife is an ordinary person!"

Li Moying silently nodded. "That's right. When I was in the Lower Realm, we fell in love with each other. Since we got married, we have been very loving. Originally I wanted to ascend with her. However, my advancement was brought forward because of an accident and I ascended to God Realm before her. I have finally found her after such a long time. To me, finding her is even happier than killing Sky Devil Rui Ze by a hundred times!"

Recalling the past he shared with Huang Yueli, Li Moying's eyes revealed a tinge of tenderness and he smiled warmly.

His ice-cold temperament instantly melted with this smile, as indescribable emotions flowed out.

Everyone was stunned.

All the women who saw his expression couldn't help but feel jealous of that woman that he was talking about!

Lan Mengqing stared at him blankly and her heart felt as though it was being chewed by innumerable ants!

Even when Jing Shaoyuan wooed her, she had never revealed this kind of expression. She could tell that Li Moying truly loved his wife from the depths of his heart!

This kind of feeling might not even be found in one of 10 thousand men.

What more for a super genius like Li Moying!

“Who is that woman? Why is she so lucky?”

“Moreover, from Li Moying’s words, she seems to be an ordinary human who had ascended from the Lower Realm?”

When Xuan Jiuling heard his words, he felt a little pitiful for him. Xuan Jiuling felt that with his status, it was simply too inappropriate for him to marry a human race young lady! It was a completely lowering of his self-worth!

However, seeing Li Moying showing such expression after talking about his wife, he could somewhat understand.

Xuan Jiuling and Meng Shurong exchanged a glance and smiled while shaking their heads.

Although they found it a pity, youngsters were all like this! After all, who had not been young once?

They were just thinking that Cloudy Qilin Clan might not agree to their only god grade genius marrying an ordinary woman with a normal bloodline...

But this had nothing to do with outsiders like them!

Xuan Jiuling raised his wine glass and laughed, “Young Master Li and your wife’s feelings are on such good terms. This makes us so envious...”

Meng Shurong quipped in, “Isn’t that so? A Lower Realm couple reunited after they ascended is a beautiful story!”

Both Divine Generals were tactful people, but Jing Shaoyuan intentionally wanted to make Li Moying feel bad. So he would never miss out on a chance like this.

He laughed dryly and asked, “Both Divine Generals are right! But I am a little worried for Brother Li! How can an ordinary young lady hope to enter the doors of Amethyst Paramount Palace?”

Meng Shurong and Xuan Jiuling silently frowned upon hearing what Jing Shaoyuan said.

Saying this kind of thing on such an occasion is just plain rude! Doesn’t this young lad have any basic courtesy?

### **Chapter 3278: Spectacular (1)**

Jing Shaoyuan didn’t notice that both Divine Generals were slightly unhappy with him. He was still immersed in his delightful feelings, thinking that he would be able to poke at Li Moying’s sore spot!

“So what if you have outstanding talent? Marrying a woman who will drag you down, perhaps might even cause a huge disturbance within your clan!”

Hearing that, Li Moying’s original composed expression suddenly reflected a tinge of anger. The gaze in his eyes abruptly turned cold!

“This is my affair, so I wouldn’t trouble Young Master Jing to worry for me! I will naturally let the woman I love get what she deserves! Young Master Jing had better control your own woman and control her from staring at other men!”

Anyone could say things about him, but they could not do the same for his Li’er. He would not be able to tolerate it.

Actually, Huang Yueli’s identity wasn’t low. She was Sacred Phoenix Race’s god grade genius and was definitely the most compatible with him.

But Li Moying could not expose Huang Yueli’s real identity here.

On one hand, it was because Huang Sanbai was still searching for her whereabouts. So for safety’s sake, Huang Yueli had to continue lying low, which was more appropriate.

On the other hand, based on the grudges that Cloudy Qilin Clan and Sacred Phoenix Race had, perhaps it might be easier for his clan to accept Huang Yueli as a normal human than someone from the Sacred Phoenix Race...

Li Moying’s voice was icy cold and his sharp gaze swept toward Lan Mengqing.

This woman had been staring at him openly ever since she came. He was already extremely bothered by it!

Hearing that, Lan Mengqing’s countenance flushed white!

She thought she had already used the most conservative gaze to look at him. However, it didn’t escape Li Moying’s powerful soul trace. He even used such a heartless and cold tone and made it clear to everyone.

She was still standing next to her fiancé but her eyes were glued to another man. It was a blatant display of unfaithfulness.

All the practitioners below the stage broke out in a clamor upon hearing what Li Moying said.

Especially those young ladies who secretly carried a torch for Li Moying. Their eyes seemed to turn into daggers that stabbed right onto Lan Mengqing.

“This Lan Mengqing is simply too shameless! She already has a fiancé but keeps staring at Young Master Li!”

“It’s probably because Young Master Li is more powerful than Divine Lieutenant Jing, and she’s regretting it? But Young Master Li is already married, and moreover, they are so loving!”

“That Divine Lieutenant Jing isn’t some nice person as well. He keeps picking on Young Master Li! Don’t think that we can’t tell!”

“I’m guessing Jing Shaoyuan is upset that his fiancée is smitten by Young Master Li? Why doesn’t he admit that he isn’t as charming as Young Master Li?”

These young ladies originally were enchanted by Li Moying's handsome looks and ability. Hearing how he defended his wife, they instantly liked him even more and decisively stood on his side. Without any rhyme or reason, they simply said disdainful things about Jing Shaoyuan and Lan Mengqing.

No matter where Lan Mengqing went, she would usually be crowded around by aristocratic young masters, and also envied by all the young ladies. So she had never experienced being put in a spot like this

In a moment, her embarrassment turned into anger. All she wanted to do was to find a hole and hide there!

Jing Shaoyuan's face flushed red. He turned around and stared fiercely at Lan Mengqing, then sneered at Li Moying. "Li Moying, stop spouting nonsense! Don't think I don't know what you're plotting? Your wife is just a country bumpkin from the Lower Realm, and she's so ugly that you don't dare to let her come here..."

When he was in the middle of his sentence, a personal guard's voice reported loudly from the door.

"Divine General Sir, Young Madam Li has arrived!"

When he heard this, Jing Shaoyuan's hooting abruptly stopped!

Everyone in the banquet hall simultaneously turned around and looked at the door.

"Young Madam Li! Isn't she Young Master Li's wife? She really came!"

"I wonder what kind of stunning beauty she is, to be able to capture Young Master Li's heart..."

"That's right. Her family background is so ordinary, yet Young Master Li is so in love with her. She must be a stunning beauty!"

No one expected Li Moying's wife to suddenly appear at the banquet, moreover, at this moment!

After Jing Shaoyuan and Li Moying's debate, everyone was now filled with curiosity over Young Master Li's wife.

Even veteran top exponents like Meng Shurong and Xuan Jiuling also couldn't suppress their curiosity. Their eyes were peeled as they stared excitedly at the door!

Li Moying's face was filled with joy. He immediately stood up from his seat and walked to the entrance, preparing to welcome his Li'er.

Jing Shaoyuan saw Li Moying leaving excitedly, and his lips couldn't help but curl into a sneer.

He was worried that Li Moying's wife wouldn't come because she was afraid of being embarrassed! If she didn't appear, he would be embarrassed.

Li Moying's eloquence was simply out of his expectations. Jing Shaoyuan ridiculed him so much and every single sentence was sufficient to make him embarrassed, yet Li Moying was able to solve it easily.

Moreover, Li Moying intentionally put on a devoted look which earned many ordinary practitioners' liking...

In Jing Shaoyuan's opinion, Li Moying was just putting up a pretense. He was simply a hypocrite!

But now, Li Moying's wife really appeared!

Thinking of the previous time when he saw Huang Yueli, that ordinary face made Jing Shaoyuan excited.

This time, Li Moying could not escape from his fate of being embarrassed!

Many people were guessing how beautiful Li Moying's wife was. Jing Shaoyuan wondered what would their reaction be when they saw her true countenance?

Jing Shaoyuan smiled coldly as he couldn't wait for Huang Yueli to appear.

Amid everyone's attentive gazes, a figure finally appeared at the end of the corridor.

An exceptionally beautiful young lady in a faint purple flowing dress started to walk towards the banquet hall.

She had snowy white skin and perfectly exquisite features. Although her figure was slightly petite, that graceful figure made everyone feel as though she was a fairy who had walked out of a painting.

Moreover, her swaying motion as she walked exuded gracefulness. That bearing and temperament directly won all the aristocratic young ladies from the God clans.

When Jing Shaoyuan saw Huang Yueli, he was truly stunned for a moment. This was the first time in his entire life seeing such a beautiful young lady! Not only was she gorgeous, but she also had an indescribable temperament, which made one involuntarily fall beneath her feet.

As compared to her looks, his fiancée Lan Mengqing whom he had always been proud of, instantly became a maid. Her looks were just revolting!

Jing Shaoyuan stared at that figure for a long while and he only came to his senses upon hearing various praises in the banquet hall.

But a query instantly arose in his heart.

"That's strange. Which God clan's young lady is this beautiful lady from? Why haven't I seen her before? She's also here to attend the banquet today? Is she here together with Li Moying's wife?"

Jing Shaoyuan did not even consider the possibility of this gorgeous young lady, who had captured his attention, to be Huang Yueli herself!

Lan Mengqing was also in a daze as her heart was filled with mixed feelings.

As God Realm's famous beauty, her first reaction upon seeing another beautiful woman was to make a comparison.

Beautiful women often got jealous of one another and would often compare their looks and their men.

However, when she saw the beautiful woman in the corridor, Lan Mengqing didn't even have any thoughts of being jealous!

The disparity between them was simply too huge. If she hadn't seen it for herself, she would never believe that there was a young lady with such exceptional looks in this world!

Lan Mengqing stared at Huang Yueli for some time and suffered a huge blow. Then she said in disbelief, "Young Master Li's wife is actually so beautiful..."

Jing Shaoyuan was just standing next to her, so he naturally heard what she muttered.

He turned his head and said disdainfully, "How could that be? This is not Li Moying's wife. I think she should be an aristocratic lady from some big family? I've seen Li Moying's wife before. She looks worse than a roadside country bumpkin!"

This might sound exaggerated, but Huang Yueli's looks after disguise were indeed very ordinary.

Most practitioners would try to match their original looks when they put on a disguise. So Jing Shaoyuan seemed to have verified this point. Hence until now, he still believed that Huang Yueli looked very ordinary!

"But... but didn't the personal guards report that Young Madam Li had just arrived earlier..." Lan Mengqing was a little surprised.

Jing Shaoyuan snorted coldly, "I guess that woman must be so scared of walking out together with that gorgeous beauty like this lady? Just wait and see!"

Lan Mengqing was skeptical but she indeed wished that Jing Shaoyuan was right.

This lucky woman had already monopolized such an outstanding man like Li Moying. If she also looked that beautiful, all the women in the world would probably die from jealousy!

Jing Shaoyuan had just completed his sentence when Li Moying had already walked forward and walked out of the banquet's door.

The gorgeous young lady in the corridor was originally walking and looking curiously at the surroundings. But when she saw Li Moying's tall figure, her face immediately broke out into a sweet smile.

She walked forward quickly and came before Li Moying in a few steps.

Li Moying stretched out his hand and gazed at her tenderly. Then he said softly, "Li'er, you're finally here. I thought you would not be coming today!"

Huang Yueli obediently placed her hand on his palm. At the same time, she tiptoed and whispered in his ear. "I'm sorry. I was discussing a major deal with Sky Gem Glass Chamber's President Liu and forgot the time. That's why I came late. You won't blame me, right?"

Li Moying held her hands and pulled her into his embrace.

"Why would I? You've been busy for the whole day. Even if you don't come, I can understand. I'm really happy that you can come and accompany me. Otherwise, I'm about to die of boredom!"

Huang Yueli chuckled when she heard that, and hooked her hand around his arm. Her lips curled into a faint smile and allowed Li Moying to lead her into the banquet hall, like a gracious young lady.

At this moment, the entire banquet hall was silent.

Everyone stared at the perfect couple who walked in. No one could bear to blink at all!

Such an outstanding beauty was so beautiful that she didn't seem real. They wondered if she would disappear if they blinked?
