

## Weaponsmith 3441

### Chapter 3441: Whatever My Wife Says (5)

Li Leyun's heart was torn apart by jealousy, and she was in a lot of pain, but she didn't dare to go forward to provoke Li Moying.

Li Moying doesn't know what it meant to have tender, protective feelings for the fairer sex.

She could only turn her eyes to Li Yuntao and Li Yunhai for help.

The two Divine Generals noticed her gaze and both frowned.

They were very disappointed with Li Leyun's performance today. In fact, they have already made up their minds to report back to the family and disqualify Li Leyun from competing for Li Moying's fiancée.

So, they didn't want to help Li Leyun anymore.

However, they had reasons to stand up for her...

Li Yuntao exchanged glances with his brother, then walked out of the crowd and walked in front of Li Moying.

"Young Master, you are here! This Divine General has a few words to tell you."

Li Moying had already planned to take his precious wife home, so he just glanced at him and refused, "If there's anything, we'll talk tomorrow at the Allied Armies branch."

When Li Yuntao saw that he was about to leave, he became anxious. He originally planned to go to no one to talk about it in private, but he couldn't care less at this time.

He stopped Li Moying loudly, "Wait, Young Master, do you know what the woman beside you did today?"

Li Moying paused for a while, and finally gave him a glance, and then said in a cold tone: "What do you mean by 'this woman'? Little Li'er is my wife, if you still think I am the Young Master of the Cloudy Qilin Clan, then please remember, Little Li'er is the Young Madame of the Cloudy Qilin Clan!"

Although Li Moying usually disdains those girls in the clan, he still gives some face to the seniors of the family.

Therefore, Li Yuntao never expected that Li Moying would reply him so curtly in public.

Moreover, his point just now was to remind Li Moying that Huang Yueli did something wrong to the Cloudy Qilin Clan, but Li Moying completely missed his point.

Li Yuntao resisted his anger and said, "Young Madame? If Lady Li really considered herself the Young Madame of the Cloudy Qilin Clan, she wouldn't say that she is not from the Cloudy Qilin Clan today! She even handed over the business she had finally acquired. The Xuanwu family will do it! Look at this woman, she doesn't care about your family at all, what position does she put you in?"

Li Moying glanced at Huang Yueli and said nothing.

Huang Yueli also found that her husband was not happy again.

However, it was not her who was angry this time.

Huang Yueli couldn't help but feel sorry for Li Yuntao in her heart. If the tiger doesn't show its power, you will treat others as a sick cat, and you will definitely suffer!

It's a pity that Li Yuntao was not her, so he didn't know Li Moying so well.

Although he could see that Li Moying's face was not good, he felt that Li Moying must be dissatisfied with Huang Yueli's performance!

A woman who doesn't think about her husband's family, but also gives benefits to other forces, is no different from betraying her husband. No man can stand it!

Li Yuntao also thought to himself that he had done a wonderful job.

On the one hand, Li Moying was angry and would definitely ask Huang Yueli to return the business to the Yunlin family. No matter how tough the little girl is, does she dare to go against her husband? On the other hand, Li Moying can also use this to see the true face of this little girl. Maybe she doesn't need to be obstructed by the family, and the little girl will fall out of favor!

"What did you do to her?" Li Moying said again, but Li Yuntao was stunned for a moment.

"What did you say?" Li Yuntao asked subconsciously.

#### **Chapter 3442: Whatever My Wife Says (6)**

Li Moying's tone was calm and restrained, but it was only the calm before the storm.

"I ask... What did you do to Little Li'er? If it wasn't for the unforgivable things you did, it would be impossible for her to deliberately make trouble with you."

Li Moying still knew his little fox very well.

Although he doesn't need Huang Yueli to do anything for his family, Huang Yueli will still take the initiative to consider it for him, and will take care of his face when possible.

Now that she has gotten to the point where they had torn apart all formalities, it was conceivable that Li Leyun and the others must have done something too extreme, and they had completely irritated her!

Li Yuntao stared at Li Moying in disbelief.

He never imagined that Li Moying's first reaction was not to accuse Huang Yueli, but to question him, an elder!

She's just a woman. Even if she looks good, she can refine weapons, but how can she compare with the power of the Cloudy Qilin Clan? Li Moying didn't even think about it and he stood on Huang Yueli's side!

Li Yuntao was stunned for a while, and then he regained his senses and immediately lowered his face, “Young Master, this old man has sacrificed a lot for the Cloudy Qilin Clan for many years, how can you talk like this? Even if this little girl is your woman, but so is the old man. What does it mean to speak to an elder like this, for her? She actually dares to turn her face, and ignores the family interests of the Cloudy Qilin Clan and directly gives the business to the Black Tortoise Clan! Tell me, is this woman too ignorant?”

After Li Yuntao reacted, he immediately took out the identity of an elder and began to rely on it.

If you really want to say what happened to Li Leyun and himself with Huang Yueli just now, then anyone with a discerning eye will know who was at fault, and looking at how much Li Moying loves that little girl, heavens knows how he will choose.

Therefore, Li Yuntao decisively avoided this topic.

However, Li Moying was not stupid, how could he not hear that there was something tricky in it?

He snorted coldly and said, “Your Excellency Divine General, I respect you as an elder of the family, so I can only talk to you here now! Otherwise, whoever made my woman suffer, I will definitely pay it back a hundredfold! However, I still hope to clarify that no matter what what my wife does is right, she can have the final say, and the one who dares to make her unhappy is the real ignorant one!”

When Li Yuntao heard this, he was flabbergasted!!

He really didn’t expect that Li Moying not only didn’t mean to accuse Huang Yueli at all, but Li Moying said such threatening words to him, the Divine General!

Previously, Li Moying resolutely rejected the marriage arranged by the family. Li Yuntao had already thought about it. He must be very fond of that woman from the lower realm.

But looking at it now, the estimates he made in advance were countless times different from the facts!

Li Moying is so fond of his lady, she is not allowed to say a single word to her, not even the face of the family elders!

In fact, how did Li Yuntao know that Li Moying almost couldn’t control his anger.

It was Huang Yueli who tugged at him secretly, and he managed to suppress his anger. He only warned Li Yuntao a few words, and did not take any more extreme actions.

Li Yuntao’s face was red and blue, and it was extremely exciting.

As a six-star Divine General, he has not been so embarrassed for many years, but unfortunately, he has nothing to do with Li Moying!

### **Chapter 3443: Whatever My Wife Says (7)**

When Li Moying left Amethyst Paramount Palace, he was able to defeat the warriors in the early stage of the Dao Profound Realm. Now, after a few months, his strength must have grown, and Li Yuntao did not dare to say that he would definitely defeat Li Moying.

Besides, even if he tried his best to win, he wouldn't dare to hurt Li Moying.

As a god-level genius, Li Moying was the hope of the family's future. If he really dares to attack Li Moying, he will be the enemy of the entire family.

The other warriors present also grew their mouths, their faces full of shock and surprise.

Just now, Li Moying gave Huang Yueli a little arrogance, and they thought that Li Moying was just the same to this lady!

But who would have known that, in such a blink of an eye, Li Moying would so strongly defend the girl in his arms!

Li Leyun was so jealous that she almost fainted!

Even in her dreams that the girl in Li Moying's arms was herself!

But unfortunately, this man didn't even look at her.

Li Moying's attention was all on Huang Yueli in his arms. After talking to Li Yuntao, regardless of his mood, he bent down slightly and directly hugged Huang Yueli.

"Ah!"

Even Huang Yueli didn't expect him to do this, so he fell back and hurriedly grabbed the clothes on Li Moying's chest.

Li Moying carefully supported her and adjusted her to a comfortable position.

"Alright, we're going back first, we'll talk about it tomorrow."

What else could Huang Yueli say? She could only nod her head obediently.

Li Moying looked at his little fox with satisfaction, and walked away with her in his arms.

The surrounding warriors were all stunned, unable to even say a word.

Until Li Moying and Huang Yueli disappeared at the end of the corridor, everyone recovered in a trance.

"Young Master Li actually... actually took the young lady out! It's still... it's still the princess carry!"

"Oh my, the manner in which he looked at Madame Li! If he could look at me like this, even if I die immediately, I'd be willing to do it!"

"Madame Li is really lucky! Who said just now that the two of them have a bad relationship? If the relationship is not good, would Young Master Li will protect his wife like this? If the relationship is not good, he will carry his wife back? Doing this, it must be because he must have heard Madame Li shouting that she was tired just now!"

"That woman is very lucky! If you hadn't met Young Master Li in the lower realm and married him, Young Master Li would have gone to the God Realm and seen so many noble ladies of the God Realm with outstanding talents and identities. Get on her!"

“That’s not necessarily true. Men like beautiful ones. Even in the realm of the gods, there are very few beauties like Madame Li!”

There was a lot of discussion and everyone said anything.

However, whether it is envy, jealousy, or unwillingness, the topic revolves around Li Moying and Huang Yueli.

As for Li Leyun and Li Yuntao, they have long been forgotten by everyone!

Grandmaster Xiao couldn’t help but sigh.

However, after all, he is mature and prudent, and he still remembers the purpose of today.

Seeing Xuan Qingling standing at the door thoughtfully, Grandmaster Xiao quickly walked over, “Elder Xuan, Young Miss Xuan, don’t forget to discuss this at the old man’s manor tomorrow. By the way, the old man is still worried that Madame Li will forget, please remind her tomorrow.”

Xuan Qingling nodded quickly and replied, “Grandmaster Xiao, please rest assured, we will be there on time tomorrow!”

#### **Chapter 3444: Happy Cooperation (1)**

Li Moying hugged Huang Yueli and strode out of Grandmaster Xiao’s manor.

At the door, a luxurious carriage was parked, and Li Tianyi and Li Tianer respectfully waited beside the carriage.

Seeing their Young Master and young lady appearing in front of them in such an ambiguous manner, they were already used to it, and they didn’t look sideways the whole time.

Li Moying shoved Huang Yueli into the carriage, and then followed him up.

As soon as the two sat firmly, the carriage began to move.

Huang Yueli was pressed by Li Moying to the seat covered with soft sheepskin, and then was stuffed with a large glass of hot milk.

She hadn’t eaten all day today, so she was already hungry, but just now she was busy coping with the various situations that cropped up and didn’t care.

Now, as soon as she smelled the aroma of milk, she immediately felt hungry.

Huang Yueli held the cup in both hands, raised her head and took a sip. Then she was pleasantly surprised to see that the low table in front of the seat was filled with all kinds of her favorite snacks. She quickly reached out to pick it up, and ate several in a row.

When she was full, she licked the corner of her lips, only to realize that the carriage seemed to be a little too quiet.

The man beside her had been silent since she got in the car.

Apart from handing her milk at the beginning and draping her a white fox fur, there was no other movement.

Huang Yueli blinked her big eyes and turned to look at Li Moying.

The tall and straight man leaned back on the back of the chair, his eyes were slightly closed, his thin lips were slightly pursed, and the hazy moonlight shone through the car window and fell on his angular face, which was as sharp as a knife and axe. A mysterious and cold sexy.

Huang Yueli was immediately bewitched.

She subconsciously got closer, closer and closer...

Seeing that, she was about to lick the corners of Li Moying's lips.

But at this moment, Li Moying suddenly opened his eyes and tilted his head slightly...

Huang Yueli kissed him but her lips only touched Li Moying's cheeks.

She was stunned for a moment, and only then did she realize what she had just done, and her cheeks blushed.

She had no idea why but recently, whenever she sees Li Moying, she was inexplicably attracted to his masculinity, and she couldn't help but want to get closer to him!

However, Li Moying seems to be sticking to her even more...

Wouldn't it be because the two of them practiced the double cultivation technique together?

When Huang Yueli was distracted for a short time, she suddenly found that Li Moying seemed to move to the side, avoiding her touch without a trace.

Huang Yueli was stunned for a while, then laughed.

Turns out this man hasn't finished being arrogant at all!

She looked normal at Grandmaster Xiao's manor just now, it was just to maintain her instincts, but now she becomes arrogant again as soon as she gets in the car.

Huang Yueli approached slowly, "Why don't you let me kiss?"

Li Moying's cold eyes slowly swept across the girl's extraordinarily beautiful and refined face under the moonlight, "Someone didn't wipe her mouth clean after eating!"

Huang Yueli was stunned for a moment, and then she thought that she really didn't wipe her mouth when she ate just now!

She subconsciously stuck out the tip of her tongue, licked the corner of her mouth, and as expected, she felt a milky smell...

Boo hoo, she was really dirty, and she was despised by her husband!

Huang Yueli was annoyed and didn't notice that the man above her head saw her licking her lips, and the colour at the bottom of her eyes instantly became darker!

“I’ll go wipe it!”

She turned her head to find a handkerchief, but someone grabbed her shoulders!

### **Chapter 3445: Happy Cooperation (2)**

“What are you doing...”

Li Moying’s tall body suddenly pressed down and pressed her onto the back of the chair.

At the same time, he blocked Huang Yueli’s lips with all his strength, and his scorching kiss was like a fiery wave, instantly drowning her.

Huang Yueli struggled for a while at first, but soon, she was losing her own ground under Li Moying’s passion. She forgot where she was and what she was doing. The only thing she could remember in her heart was that there was only her man in front of her, and the aura on him made her feel extremely familiar and reassuring.

While the two of them were ambiguous, suddenly, the carriage vibrated.

Huang Yueli suddenly snapped back to her senses, and only then did she realize that Li Moying had unknowingly laid her down on the spacious seat of the carriage, laying flat on her back, and her belt had been torn off by him.

Huang Yueli’s face became hot for a while, and she quickly reached out to push him.

“You... let me go! We’re in a carriage!”

Although the two of them have done all kinds of shameful things now, they may pass through the downtown area at any time on the moving carriage...

This was still unimaginable for Huang Yueli!

Li Moying’s eyes were full of deep darkness, and his body shook slightly.

However, the strength he held on Huang Yueli’s shoulder did not relax immediately, and his body was still hanging above Huang Yueli, full of oppression.

“Young Master, Young Madame, we have returned to the manor. May I ask you two...”

Suddenly, a voice broke the stalemate between the two.

It had been a while since the carriage arrived at its destination. Li Tianyi and Li Tianer waited in front of the door for a long time, but they did not see their Young Master and young lady get off the carriage.

Due to the sound-isolating formation engraved on the carriage of the carriage, the sound could only be transmitted from the outside to the inside in one direction. Therefore, they couldn’t hear the movement inside at all, and could only wait outside.

After waiting for a long time, the two were worried that something might have happened so only then did they dare to speak.

After Li Tianyi spoke, it didn't take long for the carriage door to open.

Li Moying took Huang Yueli's hand and got off the carriage.

Huang Yueli was wearing Li Moying's fur cloak, her hair was hurriedly pulled up again, it looked a little messy, and her face was flushed.

Li Moying, on the other hand, had on a grim expression as he gave Li Tianyi a cold look, then took his wife and walked forward without saying a word.

When Li Tianyi saw the glare, cold sweat broke out behind his back.

He he he... Did he do something wrong just now?

...

After the two entered the room, Li Moying's icy expression eased a little.

Huang Yueli tugged at his sleeve, "Are you still angry? You've been angry all night already, are you still not angry enough? Or else, I'll cry and show you!"

Huang Yueli now has a lot of experience in coaxing her husband, and she knows that Li Moying hates her crying the most.

Even if she just casually threatened, he couldn't stand it.

Sure enough, Li Moying's expression changed as soon as she said those words, he grabbed her waist, took her into his arms, and held her tightly.

"When did I get angry? When did I show you a bad face? Never!"

Huang Yueli laughed secretly, after being arrogant, he still didn't admit it!

"Then while you were at Grandmaster Xiao's place just now, and you deliberately ignored me. Everyone said that I was..." She poked Li Moying's hard chest in dissatisfaction.

### **Chapter 3446: Happy Cooperation (3)**

Li Moying frowned, "Who talked about you just now? I'll send someone to catch him tomorrow and teach him a lesson!"

When Huang Yueli heard the tyrannical words out of his mouth, she raised her eyebrows amusedly.

This man was usually calm and aloof. Only when he encounters something related to her will he suddenly become so naive...

She still had an aggrieved expression on her face, "What does it have to do with gossiping with others? It's clearly you who bullied me! Didn't I just go home a little late? You are so cruel to me!"

"When did I get mad at you?" Li Moying retorted subconsciously.

But then, he squeezed Huang Yueli's slender waist, lowered his head, and looked at the innocent little face in his arms with some displeasure.

"Besides, shouldn't I say a few words to you? How many times have I told you that the Cloudy Qilin Clan's affairs are handled by me, and you should try not to conflict with them. After all, the Cloudy Qilin Clan has been in the God Realm for countless years. The huge power of the clan, it is very difficult for you to deal with any elder in the family! What if you are injured and taken away?"

Huang Yueli blinked, "You don't know the situation at the time! Those people are all scolding you, saying that if you can like a woman like Li Leyun, you must be a scumbag! I can hear you say that! Besides, on a formal occasion like today, it is still very safe in Grandmaster Xiao's manor. No matter how domineering your Cloudy Qilin Clan is, you can't bully an ordinary weak girl in such a place, right?"

She really felt that she did nothing wrong.

Although she also knew that Li Moying definitely didn't like her taking risks, Huang Yueli took all aspects of her self-consciousness into consideration and did not take any risks at all.

Li Moying glared at her, "You're right?"

Looking at the cold light flashing in the man's dark pupils, Huang Yueli subconsciously shrank her neck, feeling a little guilty.

However, she soon raised her chin again and looked directly at Li Moying.

"I know you're worried about me, but I've thought about it many times before I show up as my true identity! I won't do anything really dangerous!"

Li Moying was speechless for a while.

His little fox is good at everything, but he is so capable, sometimes it makes him, a husband, quite powerless.

If it were another girl, knowing that there are so many people in the Cloudy Qilin Clan who disagreed with their marriage, and that there are many experts in the Dao Profound Realm thinking of dealing with her, I am afraid that she would have been scared and hiding in her husband's arms, trembling like a little deer!

Li Moying would rather have Huang Yueli hide in his arms and let him solve all the troubles.

However, he also knew that it was impossible...

But he at least hoped that before this little fox did anything, she could tell him first, otherwise he would really have a sudden cardiac arrest!

Huang Yueli was tightly wrapped in his arms, she looked like a small one, with her fair complexion and delicate facial features, from the outside, she looked like a weak and pitiful doll.

But only he knows that under the appearance of this peerless beauty, there was a strong heart that couldn't be suppressed by anything!

“Next time you do something like this, can you send someone to tell me? Do you know how worried I was when I learned that you and the two Divine Generals were quarreling today?” Li Moying sighed deeply.

Huang Yueli’s heart softened immediately.

#### **Chapter 3447: Happy Cooperation (4)**

However, before she could say anything, Li Moying stretched out his fingers and raised her chin, and the hot breath landed on her lips again.

“I can do anything for you, but I can’t tolerate anything untoward that happens to you... Do you understand?”

The man’s deep mesmerizing voice resounded closely in her ear, by her side.

Huang Yueli wanted to say that she understood, and she understood what he meant.

However, she couldn’t find any chance to speak, and her attention was quickly diverted.

...

The next day, Huang Yueli woke up very early.

It was rare for Li Moying to wake up later than her, and was still asleep. Even in his sleep, he leaned his head against her neck, as if he was afraid that she would disappear in the middle of the night.

Huang Yueli tilted her head slightly, and she could see Li Moying’s handsome face.

In the morning light, his long eyelashes were like two small fans, leaving a light shadow under his eyes.

The face that usually looks cold and severe, now has a soft, gentle and pure expression, like a newborn baby.

This makes him look even more handsome and extraordinary than at night, and has a contrasting cuteness. With such a unique appearance, it is no wonder that so many girls like him...

However, this man was now hers, all hers!

While thinking about it, Huang Yueli secretly kissed Li Moying’s lips.

She just wanted to touch it lightly, so as soon as she touched it, she regretted it.

At that moment, Li Moying’s arm suddenly tightened, and at the same time, he turned over, lowered his head, and flipped her over.

“Uuuu-!”

Huang Yueli was taken aback by the sudden attack, but somehow she remembered the purpose of getting up early this morning, and hurriedly pushed Li Moying several times before pushing him away a little.

However, Li Moying just propped up her body with her elbows, her pitch-black ink pupils narrowed slightly, and looked down at her without saying a word, not intending to let her free.

The long hair, which was usually neatly tied in a white jade crown, was messy at this time and slipped down from the corner of Li Moying's forehead, making him even more lazy and calm, like a dormant cheetah, ready to fall in front of him at any time. The little fox was caught in the trap and he was ready to swallow it!

Huang Yueli shook her head quickly.

She... she was thinking about something!

"Moying, look, it's already dawn, we can... we can get up!"

Li Moying stared at her calmly, "Who said it's dawn?"

Huang Yueli subconsciously looked at the window.

The early morning sun was shining through the gaps in the curtains, which was particularly dazzling.

But then, the curtains suddenly moved automatically without wind, as if being pushed by an invisible force, moving on their own, blocking every gap, and not even a bit of sunlight could penetrate.

The light in the room suddenly dimmed.

Although it's not as late as night, it makes it difficult to see things around.

Seeing this, Huang Yueli was speechless for a while, and glared at the man in front of her, "What are you doing? Aren't you a tad too childish? It's dawn when it's dawn. Alright, don't stay in bed, get up!"

Li Moying's eyes darkened, "You say your man is childish? It seems that I have to prove myself..."

He said, bowed his head slightly, and leaned towards Huang Yueli with his beautifully curved lips.

However, what he touched was the skin of Huang Yueli's palm.

### **Chapter 3448: Happy Cooperation (5)**

Li Moying was stunned for a moment.

Taking advantage of the moment while he was still in a daze, Huang Yueli used some profound strength to push him aside.

However, she was so anxious and her strength was out of control, so she accidentally pushed Li Moying out of bed.

"Boom!"

The sound of heavy objects falling to the ground sounded!

Huang Yueli's eyes widened, she couldn't even react!

When she realized what had happened, she quickly jumped up from the bed, grabbed the sheets to block her in front of her, and at the same time used her profound strength to sweep away the curtains that were pulled tightly closed by Li Moying before.

The sun shone into the room, revealing a dazed handsome man half lying beside the bed.

Even with such an embarrassed posture, Li Moying still looks full of indescribable charm. Every inch of his muscles was so perfect, like a craftsman had spent his entire lifetime carefully crafting it...

At this juncture, Huang Yueli couldn't help but stare at him a few more times.

Then, she said embarrassingly, "Cough, husband, are you all right... Have you been injured anywhere?"

Li Moying sat on the ground and glared at her coldly.

Huang Yueli touched her nose with some guilt, and at the same time, she sneaked a peek down his abdominal lines. The danger she had felt earlier had receded and all was calm.

The crisis was over!

Actually, it's not that she didn't want to accompany Li Moying to get up early for double cultivation, it's just that she really...really had something important on today!

Huang Yueli gave Li Moying a sweet smile, "Husband, I'm sorry! However, I have a lot of things to do today. When I come back in the evening, I will serve you a delicious apology!"

After she finished speaking, she didn't even go to him to pull him up but hurriedly ran behind the screen to change her clothes.

Although the sound just now sounded a bit scary, Li Moying was also an exponent of the Heart Profound Realm.

Moreover, she knew with her toes that if she dared to go over now, that shrewd man would never let her go easily.

In addition, the two of them are not wearing any clothes now, so the result... she was certain that she was going to be late!

Huang Yueli quickly found a dress and put it on before walking out from behind the screen. After taking a shower, she sat in front of the bronze mirror and pulled her hair.

She had just pulled her long black and silky hair to the top of her head, trying to find a hairpin to hold it in place, when suddenly, her fingers touched something sharp.

"Use this one." Li Moying's voice sounded from behind her, and at the same time handed her a red hairpin.

"The hairpin of the blood essence stone!" Huang Yueli exclaimed in surprise!

Blood Essence Stone was a very rare material with the fire attribute, and it could greatly increase the attack power of fire attribute. Generally, it's used as an attack armament. Moreover, it does not need

such a large piece to make an armament, as long as it is mixed with the size of a fingernail. A piece of it can be used as the core of the force field.

Unexpectedly, Li Moying actually gave her such a hairpin.

Seeing Huang Yueli in a daze, Li Moying simply put the hairpin on her head and adjusted the position before taking a few steps back.

“As I thought, red suits you well...”

Li Moying’s voice was gentle, and his eyes were filled with adoration.

Hearing this, Huang Yueli’s face immediately showed a shy smile.

Even if countless people were shocked by her beauty, it couldn’t compare to Li Moying’s simple compliment.

### **Chapter 3449: Happy Cooperation (6)**

Huang Yueli stood up from the chair, turned around and walked in front of Li Moying.

“Husband, you are so kind to me! The hairpin is so beautiful, thank you!”

When Li Moying heard her words, the corners of his mouth were obviously raised, but he still spoke in a very arrogant tone, “There’s no need for any thanks, just don’t kick me out of bed if you don’t agree!”

“Uh, that was all a mistake! It was a mistake!”

Huang Yueli looked up at the sky and became a little anxious, “It’s getting late, I made an appointment with Grandmaster Xiao to meet at and I’m only left with half an hour now, I should leave...”

Li Moying grabbed her shoulders and pulled back his little fox who had already taken two steps forward.

“Wait a minute, you have to have breakfast!”

“Ah? But, I’m too late...”

“Let them wait before it’s too late!” Li Moying said firmly.

Huang Yueli was speechless for a while, Li Moying is really getting stronger and stronger, she is a junior after all, it would be a bit rude to let an old man like Grandmaster Xiao wait!

However, she also knows that what Li Moying believes will not be shaken by anything.

So, I could only sit down and have breakfast with him.

She was in a hurry, so she ate quickly. Li Moying still had half of her plate, and she had already finished it.

Huang Yueli raised her head, looked at Li Moying eating gracefully, and said, “I’m done eating, then I...”

Just then, someone knocked on the door.

Immediately, Li Tianyi reported from the outside: “Young Master, Young Madam, there is a Black Tortoise Clan’s Young Miss from the Black Tortoise Clan who said that she is a friend of Young Madam and came to find Young Madam.”

Huang Yueli gave an “ah” and hurriedly said: “She must have come to find me to go to Grandmaster Xiao’s manor with me, I’ll go right now!”

Huang Yueli stood up and was about to go out.

Li Moying followed and stood up, “I’ll take you there.”

Huang Yueli blinked and looked back at him, “No need! Since Xuan Qingling is here, she must have brought the Black Tortoise Clan’s carriage and guards. I’ll just go in her carriage.”

Li Moying glanced at her and said lightly, “There’s no need for anyone else to send my wife. Besides, last night, you agreed...”

Huang Yueli’s mind buzzed, and she immediately remembered how, under Li Moying’s various methods, she dazedly agreed to let him pick her up every day.

She couldn’t help blushing and glared at him.

“Since you don’t find it too troublesome, and you want to be my bodyguard in such a hurry, then you should come! But don’t interfere with the deal while I’m discussing it with my friends, I won’t be able to care about you then!”

Li Moying glanced at her noncommittally, but did not speak.

However, when Huang Yueli got up and went out, he walked by Huang Yueli’s side without any haste.

Huang Yueli was a little impatient, so she walked quickly.

Not long after, he arrived at the hall.

“Young Miss Xuan, you’ve been waiting for a long time! You are too polite, why did you come out of your way and come all the way here? We can meet directly at Grandmaster Xiao’s place, there’s no need to trouble you!”

Huang Yueli walked in in a hurry, saw Xuan Qingling sitting and drinking tea, and said a few polite words.

Xuan Qingling shook her head, “It’s alright, it’s on the way. Grandmaster Xiao specially asked me to come over yesterday, worried about you...”

Halfway through her words, she saw Li Moying who was following behind Huang Yueli. Halfway through her words, she stopped abruptly.

“Why are you worried about me?” Huang Yueli asked curiously when she saw that she didn’t say anything.

## **Chapter 3450: Happy Cooperation (7)**

“Err, well, it’s...it’s because of what happened yesterday...I was afraid that you’ll be in a bad mood..”

As soon as the words were about to fly out of Xuan Qingling’s mouth, she swallowed them back and gave a random reason instead.

In fact, she understood what Grandmaster Xiao meant yesterday. He was afraid that Li Moying would get angry with Huang Yueli when they went back but now, looking at the inseparable appearance of these two people, it was clear that Grandmaster Xiao is overthinking...

This little couple was clearly in love! Look at those pink bubbles!

Speaking of which, a man like Li Moying who looks so ruthless on the outside was actually so sweet to his wife. If she hadn’t seen it with her own eyes, it would be hard to believe.

Huang Yueli didn’t suspect her at all, she simply smiled and declared, “Hmph! It’s not that I’m bragging but back while we were still in Soaring Heavens Continent, I had many rivals in love! But all those who dared to come and provoke our relationship all ended defeat!”

Although Huang Yueli didn’t think much about it, Li Moying heard what Xuan Qingling meant, and glanced at her coldly.

Xuan Qingling was usually a firm-willed person, but when he glared at her like that, she felt her scalp tingle and she couldn’t help but sit down at Huang Yueli’s side.

Huang Yueli asked strangely, “Young Miss Xuan, what’s wrong with you? Why is your face a little ugly? Are you feeling unwell?”

Xuan Qingling shook her head, “It’s alright, alright! I just want to say, it’s getting late, or we should leave early, go to Grandmaster Xiao’s place, and finalize the business! There are many people who covet this big business. If you make a little decision, you can also rest assured earlier, so as to avoid unintended consequences.”

When Huang Yueli heard the words, she smiled slightly.

She knows best that this deal would not fly away!

After all, she was the real boss behind the scenes.

However, since Xuan Qingling said so, she did not object and stood up directly.

“Alright then, let’s go now!”

The two walked out of the gate together, and in addition to the black carriage of the Black Tortoise Clan, there was a silver-white carriage parked.

Not only does this carriage look luxurious and comfortable, but the horses that pull the carriage were spirit beasts of the eighth rank and above.

Xuan Qingling couldn’t help but look back at Huang Yueli, gaining a new understanding of her favorability.

Even a master at the level of the elders of the Twelve Great God Clans, very few people ride in such a luxurious car when they travel. Compared with the carriage that Huang Yueli was riding in, the one she was riding in was very shabby...

However, what surprised her even more was what happened after.

Li Moying supported Huang Yueli as she stepped into the carriage. However, he did not stop there, but got into the carriage himself.

When Xuan Qingling saw this scene, her eyes widened.

Could it be that Li Moying also wanted to personally send Huang Yueli to Grandmaster Xiao's manor?

As the Young Master of the Cloudy Qilin Clan, was he so free?

Huang Yueli left to do such a little thing, and she didn't even go out of the city gate, he had to send her personally!

However, this was indeed the case.

After Li Moying got into the carriage, the silver-white carriage began to move at a very fast speed.

Xuan Qingling saw that the other party quickly ran a distance, and hurriedly ordered his bodyguard.

"Hurry up, keep up with the carriage of the Cloudy Qilin Clan!"

Not long after, the two carriages stopped in front of Grandmaster Xiao's manor, and Grandmaster Xiao personally came out to greet them.

When he saw Li Moying behind Huang Yueli, he was also taken aback, "Is Young Master Li also participating in the negotiation today?"
