

The Wife I Picked Up Is Too Chapter Chapter 1007

What Fu Anlan and Feng Yuanzhou didn't know was that just as the two of them were tearing each other apart, Feng Jianing was standing on the balcony on the second floor and watching quietly. She didn't know that Fu Anlan was back, but she heard a violent argument in the living room on the first floor, so she ran out to take a look. In the end, she heard Fu Anlan and Feng Yuanzhou's conversation just now. She couldn't deny that Fu Anlan's words had also caused a huge stir in her heart. It turned out that she wasn't the adopted daughter of the Feng family, but the daughter of the Feng family with a pure bloodline. She and Feng Yuanzhou were biological father and daughter, but Feng Qing wasn't related to the Feng family at all. She was a real outsider.

At the thought of this, Feng Jianing was secretly happy. She was the real daughter of the Feng family, but Feng Qing wasn't from the Feng family. In other words, she was the only child in the Feng family. This was an unexpected good thing for her.

"Ah!" Suddenly, Feng Yuanzhou let out a scream. Feng Jianing looked over and realized that there were three more scratches on Feng Yuanzhou's face. Bright blood seeped out and flowed down his face. Fu Anlan grabbed him very tightly, and her sharp fingers sank into his flesh.

Feng Yuanzhou instantly lost his temper when he saw that he was disfigured. He raised his leg and kicked Fu Anlan's stomach fiercely. His angry kick sent Fu Anlan flying. Even the glass coffee table was shattered by Fu Anlan.

Fu Anlan fell to the ground and let out a series of wails. The broken glass shards cut a few small wounds on her face. Feng Yuanzhou was freed from the tearing and looked at Fu Anlan on the ground in shock. Fu Anlan's appearance just now had almost scared him to death.

Feng Yuanzhou covered his face and said angrily, "F*ck, you really dared to scratch me? Where did you hear this from?"

Fu Anlan fell to the ground and supported her body with her elbow with difficulty. Feng Yuanzhou's kick just now had kicked her until she was about to vomit blood. Fu Anlan wiped the corners of her mouth and said, "Feng Yuanzhou, why are you and Feng Jianing related but I'm not?"

With that, Fu Anlan tried her best to prop her body up. "It's fine if you don't say it. I'll pull Feng Jianing for another paternity test now. I want to see who gave birth to her."

When Feng Yuanzhou heard this, his expression gradually turned ugly. He knew that paper couldn't cover fire, so he shouted with a dark face, "Alright, since you want to know so much, I'll tell you. You're right. Jianing and I are indeed biological father and daughter. Are you satisfied now?"

Although she already knew the result at Di Hui Building, it still gave Fu Anlan a heavy blow after hearing Feng Yuanzhou admit it personally. Fu Anlan felt her vision turn black and her mind go blank. After a while, she reacted and asked, "Then, then what about my own child? Where is she?"

Upon hearing this question, Feng Yuanzhou's chest heaved violently, and his face darkened to the extreme. He was unwilling to mention the past, nor did he want to think about these things anymore. However, Fu Anlan kept asking. How could he accept this? Moreover, admitting that Feng Jianing was his daughter was equivalent to admitting that he had cheated on her. In the future, Fu Anlan would have something on him. However, at this point, he had no choice but to say it. Hence, he gritted his teeth and said, "Your biological child, she-she died prematurely."

With that, Feng Yuanzhou asked with a vicious expression, "Tell me, who told you these things?"

However, Fu Anlan sat on the ground in a daze and had no intention of answering him at all. Helpless, Feng Yuanzhou could only say patiently, "Fu Anlan, since you already know, then I'll tell you everything. Back then, when you were pregnant, I was indeed the one who cheated on you with another woman. However, your child died in the incubator because of a congenital heart disease when she was born. Be it me or the medical personnel in the hospital, everyone tried their best to save her, but that child had a short life. She died before she could open her eyes to look at this world."

Speaking up to this point, Feng Yuanzhou's face also revealed a sorrowful expression. Clearly, he was also very painful at the mention of the past. Feng Yuanzhou sighed deeply and said, "I was afraid that you would be sad. Coincidentally, Jianing was born a few days earlier than your child and was in the same hospital, so I secretly brought Jianing over. This is the entire matter."

Hearing Feng Yuanzhou's words and looking at the man's serious face, Fu Anlan's body trembled violently.
