

The Wife I Picked Up Is Too Chapter Chapter 1008

Fu Anlan looked at Feng Yuanzhou in disbelief. She didn't expect that the man would say the truth that was hidden from her for so many years so casually and with an expression that said that it was all for her own good. How could she accept this?

The truth that Feng Yuanzhou had said was like a steel knife that pierced Fu Anlan's heart one after another. Her biological child had actually died as soon as she was born, but she had been kept in the dark. She had actually raised the child of another woman for more than ten years willingly?

Back then, when she found out that Feng Jianing wasn't her and Feng Yuanzhou's daughter, Fu Anlan was also very angry. However, she had invested too much energy and money in Feng Jianing, especially in order to support Feng Jianing to become a celebrity in the entertainment industry. She had paid too much. Now, she had finally nurtured Feng Jianing into what she imagined, but the result was...

Back then, when Fu Anlan first met her 'biological daughter' Feng Qing, she didn't like Feng Qing very much, so she treated Feng Qing very ordinarily. Feng Qing's performance also disappointed her greatly. At the same time, she became even more determined to focus on nurturing Feng Jianing. Compared to Feng Qing, Feng Jianing had appeared to be smart since she was young. Moreover, she had received all sorts of good education since she was young. It was easier to nurture and control her.

At that time, she even discussed this idea with Feng Yuanzhou and decided on it. Her idea quickly had the first effect. Feng Jianing had already made a name for herself in the entertainment industry when she was 15 years old. Although Feng Jianing was only an adopted daughter, as long as she could earn money for the Feng family and lead the development of the Feng family's perfume company, she would be valuable to the Feng family. But now, she knew that she was the clown. She was the real outsider.

It was only now that Fu Anlan finally understood why Feng Yuanzhou didn't agree to announce to the public that Feng Jianing was his adopted daughter back then. It seems like he had long planned it.

Fu Anlan asked, "What about Feng Qing? Back then, you were the one who found Feng Qing and treated her as our long-lost daughter. In the end, why is she not related to the Feng family at all?"

Feng Yuanzhou lit a cigarette and sat on the sofa to smoke. Then, he said a secret that had been buried in his heart for many years, "Since it's already like this, I'll say it all. Back then, the reason why I brought Feng Qing back to the Feng family was not because she was our daughter, but because she was Feng Yiru's daughter!"

Fu Anlan was stunned. She shouted in disbelief, "Feng Qing is Feng Yiru's daughter? How is that possible? No, definitely not. If Feng Qing is her daughter, then Feng Qing is your biological niece. But why is her DNA completely different from yours? Why is there no biological relationship?"

Without waiting for her to finish her sentence, Feng Yuanzhou blew out a smoke ring and said, "Can't you figure it out? The reason is very simple. Because Feng Yiru and I are not biological siblings at all, Feng Qing and I are not related by blood."

With that, he did not need Fu Anlan to ask any more questions. Instead, he took the initiative to explain, "Back then, my mother went out to buy vegetables and heard a little girl crying in the alley. Later on, she found out that the little girl was an orphan, so my mother brought her home to raise her. That little girl was Feng Yiru, so Feng Yiru and I are only siblings in name, but we're not related by blood."

At the mention of Feng Yiru, Feng Yuanzhou's expression was a little dark and unfathomable. His mouth also opened and closed, looking like he wanted to say something but couldn't say it. It wasn't that he didn't want to say it, nor was it that he didn't know how to say it, but there were many things he didn't dare to say.

After taking a few deep puffs and stubbing out the cigarette butt, Feng Yuanzhou said cautiously, "Feng Yiru is a person who has been smart since she was young. Moreover, she's good-looking and is liked everywhere she goes. Her stubborn temper is also very similar to Feng Qing's. However, Feng Yiru is born rebellious and doesn't know how to be grateful. As long as she has any thoughts of repaying the Feng family for raising her, the Feng family would have risen long before we got married. Unfortunately, Feng Yiru only has herself in her heart. She doesn't consider anyone else when she does anything. Her conscience has been eaten by dogs."

At the mention of the past, Feng Yuanzhou seemed to have opened his mouth. At the same time, he changed the topic to Feng Yiru. From his evaluation of Feng Yiru, he had always been holding a grudge against her for what she had done. In his heart, Feng Yiru was the same as Feng Jianing and Feng Qing. The Feng family had raised them up because they wanted them to earn money one day to repay the Feng family. Otherwise, it would be unfilial and disloyal to the Feng family.
