

The Wife I Picked Up Is Too Chapter Chapter 1012

Upon hearing Feng Jianing's words, Fu Anlan and Feng Yuanzhou looked at each other and instantly understood what Feng Jianing meant. Since Feng Jianing was Feng Yiru's only niece and the only bloodline of the Feng family, why don't they send her to the Seven Stars Continent? That way, Xian Cheng would have completed the mission and their Feng family could use this opportunity to rise rapidly. As for Feng Qing, let her continue to be a small intern in the Xie Corporation.

Feng Yuanzhou said, "Yes, Jianing's idea is very good. We don't have to send Feng Qing to the Seven Stars Continent to create a powerful enemy for the Feng family. At the same time, as the bloodline of the Feng family, you will definitely bring a lot of benefits to the Feng family after you gain a foothold in the Seven Stars Continent."

Feng Jianing nodded. "That's right. It's fine as long as the three of us never say the secret about Feng Yiru isn't related to the Feng family to outsiders."

With that, Feng Yuanzhou and Feng Jianing looked at Fu Anlan. As long as Fu Anlan nodded, this matter would already be half successful. Therefore, it still depended on Fu Anlan's attitude.

Fu Anlan slowly stood up from the ground. Her cold gaze swept across the Feng father and daughter without hiding anything. "Alright, I'll look for Feng Qing now and ask her to give me the two appraisal reports."

Fu Anlan turned around and walked out of the door. However, she was limping as she walked. Feng Yuanzhou's kick just now had made her lose her balance and her ankle was a little sprained. She gritted her teeth and could still walk. Looking at Fu Anlan's back view as she left, Feng Jianing's eyes revealed a hint of coldness that made people shiver.

...

Three days later, in the living room of the Feng family's villa.

Feng Yuanzhou placed the four paternity test reports on the newly bought coffee table. Xian Cheng from the Seven Stars Continent sat opposite him with his legs crossed. Unlike the respect on Feng Yuanzhou's face, Xian Cheng's face was calm, as if he was already used to Feng Yuanzhou's respectful attitude.

"Mr. Xian, these four are the paternity test reports released by the most authoritative appraisal agency in Xia country. They are the paternity test reports of us, Feng Jianing, and Feng Qing. According to the test report, Feng Jianing is my biological daughter, and Feng Qing is not related to us by blood at all. She is not of our Feng family's bloodline. If Mr. Xian doesn't believe me, we can do another paternity test at any time." Feng Yuanzhou said humbly. His flattering expression was just short of calling Xian Cheng 'Daddy'.

There were a total of seven families in the Seven Stars Continent, and the Xian family that Xian Cheng was in was one of them. Although Xian Cheng wasn't the head of the Xian family, he was very famous in the Seven Stars Continent and the outside world because he was the number one top piano master in the Seven Stars Continent. Because Feng Jianing had learned to play the piano since she was young, the Feng family was also familiar with the name of the Seven Stars Continent's Xian Cheng.

Even when Feng Jianing was young, she had fantasized about marrying Xian Cheng when she grew up. Xian Cheng had started learning the piano at the age of four and had already started performing at the age of nine. At the age of twelve, he had already started the world's piano performance. At the age of

sixteen, he was already called the top piano master in the world. Many people wanted to hear him talk about a song, but they couldn't. Coupled with his identity as the member of Xian Family of the Seven Stars Continent, he was famous throughout the Seven Stars Continent and the outside world. Many people wanted to see him, let alone hear him play the piano.

Although Xian Cheng crossed his legs and had a calm expression on his face, he still had good taste in clothes. From head to toe, from the inside out, they were all high-end private custom-made. There was elegance in the retro style, and amidst the elegance, there was also fashion and vitality. However, his figure was not very good. Because he had been playing the piano for a long time, it was inevitable that he would develop a small stomach. His fair and slender fingers had also become abnormally thick because of long-term piano practice, but his palms were especially wide, allowing him to easily complete the large span of playing the piano keys. It could be said that his hands were born for the piano.

After hearing Feng Yuanzhou's report, Xian Cheng couldn't help but narrow his eyes. He picked up the appraisal report on the coffee table and looked at it carefully. Actually, Feng Yuanzhou had already told him about this three days ago. He had also sent someone to investigate and verify it at the first moment. He had even specially arranged for Feng Yuanzhou and Feng Jianing to do another paternity test to verify if they were biological relatives. The truth was certain. After the most authoritative appraisal in Xia country, Feng Jianing was Feng Yuanzhou's biological daughter. His people had also found out that Feng Qing and Feng Yuanzhou were indeed not related by blood. The possibility of tampering with it was almost zero.
