

The Wife I Picked Up Is Too Chapter Chapter 1019

Back then, after Di Tianxing and Feng Yiru's fourth child was born, Feng Yiru escaped on a rainy night. When Di Tianxing found out about this, he rushed into the nursery immediately and picked up Fourth Young Master and threw him out the window as if he had gone crazy. The bodyguards beside him jumped out of the window with the child. The bodyguards would rather fall and have a concussion to save Fourth Young Master's life.

Feng Yiru left quietly again. Di Tianxing also ordered people to look for her again. This search lasted for a few years before Di Tianxing finally captured Feng Yiru and brought her back to the Seven Stars Continent.

Not to mention the young Xian Cheng at that time, even Di Tianxing did not know how many times he had captured Feng Yiru. He even suspected that Feng Yiru herself was not clear. It was also at that time that Feng Yiru got pregnant again and gave birth to the Fifth Young Master before disappearing again. This was also the longest Feng Yiru had left. When Di Tianxing found her again, Feng Yiru said something that shocked him. "Tianxing, you don't know, right? I gave birth to a daughter outside this time. She's very good-looking."

Upon hearing this, Di Tianxing couldn't help but ask, "Where is my daughter?"

Feng Yiru replied, "She's already dead."

Xian Cheng sat in the car, but his thoughts returned to the past. The scenes of the past seemed to have happened yesterday. Back then, when he followed his father, Xian Feng, in and out of the Di Palace, he often saw the tyrant who controlled the entire Seven Stars Continent. He had also seen that man go crazy countless times. His entire childhood was almost filled with that man's coldness and bloodthirsty

ruthlessness. In his impression, only Feng Yiru could subdue that tyrant and calm the man down from his violent madness, making that man willing to be her lapdog.

In front of that tyrant, they were all just subordinates. In front of Feng Yiru, that tyrant seemed to have become a subordinate. Sometimes, he was even inferior to a subordinate. Xian Cheng knew that Di Tianxing liked his daughter. If the Sixth Princess was still around, Di Tianxing would definitely dote on his only daughter to the heavens. Unfortunately...

At the thought of this, Xian Cheng couldn't help but sigh deeply. He didn't dare to report the news that the Sixth Princess had died early to Di Tianxing. That would only make Di Tianxing's condition worse. If Di Tianxing found out that the Sixth Princess he had been thinking about was no longer around, the entire Seven Stars Continent would probably not be peaceful. With his understanding of Di Tianxing, that man would very likely end his own life.

...

In the Capital's Xie Manor.

Feng Qing and Xie Jiuhuan were sitting in the dining room and eating. Shortly after, they saw Little Wu walking in with Xie Shihao in her arms. Feng Qing couldn't help but smile when she saw the two of them. Xie Shihao started to shout in Little Wu's arms, "Little Aunt, Little Aunt, did you see the trending topic on Weibo today?"

Feng Qing raised her eyebrows. "The trending topic on Weibo?"

Xie Shihao hurriedly said, "The biggest trending topic today is the news that the youngest piano master in the world, Xian Cheng, is going to take Slut Feng in as his disciple!"

Upon hearing this news, Feng Qing couldn't help but stop eating. She looked into Xie Shihao's eyes, who was in Little Wu's arms. It had been a while since she came back from Sacred Island. Although Xie Shihao's injuries had recovered a lot, he still needed to continue recuperating so that there wouldn't be any repercussions. Xie Shihao had been resistant to Little Wu's service at the start, but he was already used to it now. He didn't feel awkward lying in Little Wu's arms.

Feng Qing's thoughts were pulled back from the matter between Xie Shihao and Little Wu. When Xie Shihao mentioned Slut Feng just now, she finally remembered who he was talking about. It was her good younger sister, Feng Jianing. Slut Feng was a nickname Xie Shihao had given her. Usually, when Feng Jianing was mentioned, Xie Shihao would call her by her nickname 'Slut Feng'. In Xie Shihao's eyes, Feng Jianing was a slut. If not for her, many things wouldn't have happened. Many people were unlucky because of Feng Jianing, so he gave her such a nickname.

Xie Shihao looked at the clock on the dining room wall and hurriedly shouted, "Little Aunt, Qingye even asked me to remind you that Feng Jianing seemed to have tagged you in your music school's group."

With that, Xie Shihao frowned and muttered to himself, "That's not right. Previously, Feng Jianing had already been dissuaded by Capital University because of what happened in Country F. Why is she still in your music school's group? Could it be that she didn't leave the group?"
