

The Wife I Picked Up Is Too Chapter Chapter 1022

Seeing that Feng Qing had finally replied in the group, the students and teachers in the group couldn't wait to open the voice message and listen. They had finally waited for Feng Qing to reply to Feng Jianing. She had actually sent a voice message. Feng Qing sending a voice message meant that she was very angry, right? She was so angry that she couldn't even type. They were very curious what Feng Qing would say to Feng Jianing in front of so many people. Was she flustered and exasperated, or was she hysterical, or was trying to save her dignity?

However, when everyone heard the voice message, they realized that it was a man's voice. Moreover, this man's voice was too sexy. It rang in their ears like a low cello, like the morning bell and evening drum, cleansing their souls. Xie Jiuhan's voice entered everyone's ears, especially those who were wearing earphones. After hearing the man's sexy voice, they had goosebumps all over their bodies. Their hearts beat crazily, and their hearts surged with emotions.

On the other end of the phone, Feng Jianing finally received a message from Feng Qing. Moreover, it was a voice message. She couldn't wait to click on the voice message and listen to it. Then, a man's voice that almost made her ears pregnant sounded from the phone. After hearing the man's words, she was even more stunned. Then, her expression changed drastically. In the end, all her emotions gathered into a strong confusion. Feng Jianing clicked on the voice message again and listened. She asked in her heart, "Who does this voice belong to?"

At this moment, everyone had basically heard that voice message. At the same time, the music school's group was dead silent. It was completely opposite to the lively scene just now. Originally, the students were still speaking enthusiastically. Some were gossiping about Feng Qing, and some were congratulating Feng Jianing. However, no one spoke anymore. It was as if everyone was strangled by a hand at the same time.

The silence lasted for five minutes before a message finally popped up in the music school's chat group. The person who sent the message was indeed Gu Qingye, and he had sent a few messages in a row.

“I’m just saying, did you idiots eat too much and overload your brains? Oh, you must have played the instruments and sung all day long to make your brains stupid. A bunch of stupid people who jumped to conclusions from insignificant evidence, I really don’t know how you grew up. Is your head just for show?”

“And you, Feng Jianing. You’re a f*cking b*tch. Haven’t you already been expelled by Capital University? How can you still have the cheek to come to the music school’s group chat to show off?! Feng Jianing, I advise you to look in the mirror and see what you look like before coming out to be smug. A person like you is as disgusting as you can be. You’re the f*cking shame of Capital University. Do you think you can clear your name by acknowledging a master? Stop dreaming. The dirty things you’ve done in the past will become a stain that you won’t be able to wash away in your life, especially that bastard in your stomach. You still don’t know who he belongs to. You still have the cheek to put on a show and hold an apprenticeship banquet. It’s simply too disgusting.”

“Didn’t you invite me to the apprenticeship banquet? Very good. Tomorrow, I’ll go to your apprenticeship banquet to congratulate you. I’ll set up ten large screens in the banquet hall and play the video of you playing poker with that old fellow in Country F 24 hours a day to liven up your apprenticeship banquet. There’s one more thing that I can answer you. Our Qingqing won’t go to your messy apprenticeship banquet because you’re not worthy!”

Because Gu Qingye was considered a celebrity at Capital University, most of the people in the group recognized his voice. However, everyone was puzzled as to why Gu Qingye didn’t use his own account to curse but Xie Shihao’s. However, before anyone could react, a few new messages popped up. According to the profile picture and voice of the account, Xie Shihao was using Gu Qingye’s account to curse. All the students in the group were stunned.

Xie Shihao used Gu Qingye's account to curse again. He had never lost to Gu Qingye in terms of scolding. He sent more than twenty curses in a row and bombarded the music school's chat group like cannonballs. However, after cursing, he still felt that it wasn't enough and started typing in the group.

"What's wrong? Weren't you guys discussing quite enthusiastically just now? Why are you all silent now? Are you deaf or mute? I suggest you collectively go to the hospital and register. It's best if you register for a brain checkup and see if there's anything serious illnesses!"
