

The Wife I Picked Up Is Too Chapter Chapter 1032

“You guys were busy organizing the apprenticeship banquet and didn’t notice. This matter has already occupied the headlines since yesterday afternoon. It’s normal for so many people to come now. Moreover, Mr. Xian is a very popular topic. No matter where he goes, he will cause a commotion. It’s only right that the reporters come today.” Feng Jianing said with a smile.

Hearing her say this, Feng Yuanzhou muttered to himself regretfully, “Why didn’t you say so earlier? If I had known that it would be so sensational, I would have arranged for someone to block the door and collect entrance fees from those reporters.”

It usually took less than ten minutes to drive from the Feng residence to the Diansheng Hotel. However, because it was too congested today, it took them half an hour to arrive. Before the car could stabilize, Feng Jianing couldn’t wait to push the door open and get out of the car. Today, she was wearing a red maternity dress, but the back was opened much bigger than that of ordinary maternity clothes.

The car door opened and Feng Jianing got out of the car with her long dress. The flash only flashed on her for a few seconds. When the photographers saw who came out of the car, everyone’s camera froze.

“Oh? Who is this fat woman? Why haven’t I seen her before?”

“Does anyone know her? Which family’s daughter is this in the Capital?”

“I don’t know. In any case, I don’t remember such a person. She came in a lousy Mercedes-Benz that cost a million. Even if she’s from a wealthy family, she’s not any better. She must be some lowly daughter of a wealthy family. Everyone, save your energy. Save your memories for later.”

Many people looked at Feng Jianing with disdain as they whispered to the photographers. Upon hearing these words, Feng Jianing, who was posing, was instantly stunned. What was going on? Weren’t these people here to take photos of her? Even if she had gained a lot of weight from her pregnancy, it’s not to the point that they couldn’t recognize her at all, right? Just as Feng Jianing was about to reveal her identity, she heard someone in the crowd recognize her.

“Oh, I know who she is. Her name is Feng Jianing. She’s the woman who embarrassed our Xia country in Country F!”

“Ha? She’s Feng Jianing? It looks like the news of her being pregnant out of wedlock is true. I heard from the hotel that the piano master from the Seven Stars Continent, Xian Cheng, wants to take her in as his disciple today. He’ll hold an apprenticeship banquet here.”

“Tsk tsk, I really don’t know what Master Xian Cheng is thinking. He can take anyone as his disciple, but he has to take her in. Forget it, since I’m waiting, I’ll take a few photos of her along the way. There can still be some news when I go back.”

Feng Yuanzhou and Fu Anlan also walked out of the car. The two of them were all smiles as they raised their hands and prepared to greet the surrounding media and passers-by who were watching the fun. However, after waving their arms twice, their arms stopped awkwardly in midair because they realized that the surrounding media reporters were not taking photos of them. Instead, they moved the camera to the side. Feng Yuanzhou and Fu Anlan looked at each other and saw confusion in each other’s eyes. What was going on?

Feng Yuanzhou shook his head and said without thinking, "Let's go in first."

Upon hearing this, Fu Anlan nodded and pulled Feng Jianing towards the hotel entrance. However, just as they approached the hotel entrance, they were stopped by two security guards. "I'm sorry, there will be an important banquet here today. Please show your invitation."

Feng Jianing said, "Sir, you might be mistaken. Our family booked the banquet hall on the top floor of the hotel today. What invitation should I use for my own banquet?"

Upon hearing this, the security guard acknowledged and patted his head. "So it's Miss Feng Jianing. Look at my memory. Didn't the hotel receptionist inform you? Our hotel has already been booked today. An important person is holding a banquet here, other than that noble guest and her friends, no one without an invitation can enter the entire hotel."

Feng Jianing raised her eyebrows. "Booked the entire place? Who reserved the entire place?"

The security guard looked around and said mysteriously, "Who else could it be? It's naturally the Xie Corporation. The legendary Madam Xie is holding a banquet here today and invited her friends, so I'll have to trouble Miss Feng and the relatives and friends you invited to enter through the side door. The main entrance is filled with people from the Xie Corporation, so you can't enter at all. Oh, right, the banquet hall you booked previously has already been requisitioned by Madam Xie. The hotel seems to have given you the small banquet hall on the 18th floor."

Feng Jianing said in shock, "Madam Xie? Which Madam Xie?!"
