

The Wife I Picked Up Is Too Chapter Chapter 1036

Seeing how confident she was, He Caifan couldn't help but mutter, "You haven't completed the apprenticeship ceremony yet, but you're already calling him master. Isn't it too smooth?"

Feng Jianing sneered. She knew very well how much the Cao family disliked her. If not for the child in her stomach, the Cao family would have blacklisted her long ago. However, it wasn't important to her anymore. As long as she acknowledged Xian Cheng as her master and followed him into the Seven Stars Continent, she wouldn't take the Cao family seriously anymore. Using the more popular saying now, 'you ignored me in the past, but you can't reach me in the future'.

Just as everyone was discussing fervently, a pleasant piano sound suddenly came from outside the banquet hall. The sound of the piano was beautiful and pleasant to the ears, like an oriole standing on a branch and singing. The guests in the hall who were chatting stopped talking one after another. This was just like what Feng Jianing had said just now. Even those who usually didn't listen much and didn't understand music would feel intoxicated when they heard this song.

Unlike the guests, the students of the music school were all professionals. With just a few melodies, they knew that the person playing the piano was very powerful. Be it the fingering or the rhythm, they were all superb. It was definitely not a level that ordinary people who knew how to play the piano could reach.

Everyone looked at each other and saw curiosity in each other's eyes. They walked out with strong curiosity. Who was playing the piano? Who could play it so beautifully?

At the same time, the elevator door on the third floor opened. Xian Cheng, who was dressed in a suit and a blue suit, walked out. Xian Cheng had a look of disdain on his face as he kept patting his

clothes. Although there was nothing on his clothes, from Xian Cheng's expression and actions, it was as if there was something disgusting stuck to it. Smelling the stench on his clothes, Xian Cheng felt a wave of dissatisfaction in his heart. It was all the Feng family's fault for insisting on holding an apprenticeship banquet. Otherwise, why would they let him take such a crappy elevator? He didn't know what was wrong with this hotel, but they actually let him take the freight elevator. He had just stepped on two rotten vegetable leaves in the elevator. This was the first time he had encountered it in his life.

However, after taking two steps, Xian Cheng froze. Only his ears twitched gently. Then, he turned to look out of the banquet hall. A beautiful and pleasant piano sound entered his ears. Xian Cheng was attracted by the pleasant piano music and subconsciously took two steps in the direction of the sound. Xian Cheng frowned and thought to himself, Who is playing the piano?

The people in the banquet hall did not notice Xian Cheng's arrival because everyone's attention was attracted by the sound of the piano outside. Xian Cheng walked straight through the crowd towards the entrance of the banquet hall. The closer he got to the door, the more pleasant the beautiful sound of the piano was.

Xian Cheng walked out of the banquet hall and walked along the corridor to the other end. That was the second banquet hall. Xian Cheng quickly walked to the entrance of the second banquet hall and saw the woman sitting in front of the black piano. The woman's hands were slender and snow-white, and her delicate fingers were pressed on the piano keys. Then, colorful notes floated into the air. The beautiful and pleasant notes entered Xian Cheng's ears and occupied all his thoughts.

In the banquet hall, the lights were shining. Xian Cheng subconsciously walked towards the woman playing the piano. His originally slender eyes had narrowed into a line. At this moment, in front of him was a woman with waist-length black hair. The woman was sitting in front of the piano. Her back was straight, and her long neck was clear. Her slender arms were suffused with a jade-like glow. The woman's skin was very good and very tight. It was obvious that she had taken good care of herself. Just her figure added some color to the piano music flowing out of her fingertips.

The woman's movements were elegant, and her expression was solemn. Her hands quickly played along with the rhythm. Soon, a classic song reached the climax, and her movements became faster. In the midst of the climax, everyone was immersed in the sea of notes. Everyone's faces subconsciously revealed enjoyment and satisfaction. When the woman pressed the last note, the song was finally finished. Only at this moment did Feng Qing, who was sitting in front of the piano, heave a sigh of relief. Then, she turned to look at Xian Cheng, who was standing less than two meters away from her. She had felt someone approaching just now.

However, when Xian Cheng saw her face clearly, his narrowed eyes instantly widened, and even his mouth opened into an 'O'. Xian Cheng felt that it was unbelievable. He was stunned for a while before he said in disbelief, "Fourth-Fourth Young Master? Why is it you?"
