

The Wife I Picked Up Is Too Chapter Chapter 1039

Feng Qing was slightly stunned. She had thought that Xian Cheng would be attracted by her piano music and would even praise her for her talent in playing it. However, she had never expected that Xian Cheng would actually take her in as his disciple and even bring her to the Seven Stars Continent. Looking at Xian Cheng's sincere expression, Feng Qing knew that he was not joking.

However, before Feng Qing could answer, Feng Jianing's voice sounded from the entrance of banquet hall number two. "Master, you promised me that you would only take me as your disciple in your life. Why are you taking her as your disciple again today? Are you going back on your words in front of everyone?"

Feng Jianing came very suddenly and instantly destroyed the atmosphere in the entire banquet hall. All the guests looked at her in unison. Many people had ugly expressions on their faces. Everyone was looking forward to Feng Qing's answer. It naturally made everyone feel disgusted that someone suddenly interrupted her.

However, Feng Jianing pretended not to see everyone's eyes and vividly displayed her shamelessness. Just now, she had been waiting at the entrance of banquet hall number one. In the end, she saw Xian Cheng actually walking out of the freight elevator of banquet hall number one and walking straight towards banquet hall number two. Hence, she hurriedly followed him out. In the end, she saw Xian Cheng walk into banquet hall number two. Then, she heard what Xian Cheng had said to Feng Qing just now. If she hadn't heard it personally, Feng Jianing wouldn't have been able to believe her ears. She was the real daughter of the Feng family. How could she let Feng Qing obtain the same treatment as her? Feng Jianing didn't want to share everything she had with Feng Qing because she wasn't from the Feng family.

Upon hearing this, Feng Qing looked at Xian Cheng again and said, "Oh, so Mr. Xian only wants to take in a disciple. In that case, please choose one between Feng Jianing and me as your disciple.

Otherwise, others will say that you went back on your words. After all, Mr. Xian is a top international piano master. You still have to pay attention to your public image.”

Feng Qing said what Feng Jianing was thinking. Instantly, Feng Jianing stared at Xian Cheng without blinking. Even her breathing stopped temporarily. However, she also knew very well the reason why Feng Qing said these. She wanted to snatch the qualifications to be Xian Cheng’s disciple and the chance to go to the Seven Stars Continent with him. Her intentions are evil. However, she agreed with Feng Qing very much because she didn’t want to become Xian Cheng’s disciple at the same time as Feng Qing.

However, when she saw the hesitation on Xian Cheng’s face, the anger in Feng Jianing’s heart erupted. She looked at Feng Qing and said viciously, “Qingqing, you’re really good. Back then, you were the one who tampered with my biological test report and replaced me to pretend to be the daughter of the Feng family. I’ve already stopped holding this against you. Not only do you not know how to repent, but you target me even more so. Now, you actually want to fight with me for the right to be Master Xian Cheng’s disciple. Feng Qing, is your heart black? However, it’s useless for you to fight. Master Xian Cheng agreed to take me in as his disciple previously. Moreover, I’ll be his only disciple. No matter how talented you are, it’s useless. This is just a scheme you prepared in advance. From this, it can be seen that you really have evil intentions!”

Although Feng Jianing said this, she was also very surprised in her heart. She didn’t expect Feng Qing to come here today, but she could understand. After all, Madam Xie was the one who booked the entire banquet here today and invited guests from all over the world. According to her previous speculation, Feng Qing was very likely to have married a member of the Xie family’s collateral family. She was also considered a member of the Xie family and happened to be living in the Capital. Therefore, it was very normal for her to invite Feng Qing to the banquet.

However, Feng Qing was deliberately playing tricks. She knew that banquet hall number one was holding an apprenticeship banquet, but she still deliberately played the piano here. Clearly, she

wanted to seduce Xian Cheng. And the truth had proven that everything Feng Qing had done was effective. Now, Xian Cheng wanted to take her in as his disciple. How could she tolerate this?

Listening to Feng Jianing's accusation, the corners of Feng Qing's mouth curled up as she said, "Feng Jianing, is there something seriously wrong with your head? Why don't you think about it? I was only twelve years old when I was brought back to the Feng family. Do you think a twelve-year-old child would think of joining forces with the appraisal agency to tamper with your paternity test report? It's simply nonsense!"

Feng Jianing sneered and said, "Hmph, you indeed don't have the ability to tamper with the report, but who knows if you made some dirty deal with someone in private? That's why the person in charge of the appraisal agency secretly tampered with the results for you."
