

## The Wife I Picked Up Is Too Chapter Chapter 1042

Xian Cheng looked at Feng Qing and said sincerely, “Miss Feng Qing, I can promise you that if you’re willing to take me as your master, I’ll only take you in as my disciple in my life. As for Miss Feng Jianing, I can choose not to take her in as my disciple. It can be considered that I’ve broken my promise to her once.”

As soon as these words were out, the entire banquet venue was incomparably quiet. Everyone looked at Feng Qing with anticipation and envy. But Feng Jianing felt as if she had been struck by lightning and couldn’t help but stumble. Xian Cheng’s words were like a huge hammer smashing onto her head. The expression on her face was also covered in cracks, as if someone had smashed her with a hammer.

Because Feng Jianing suddenly left banquet hall number one and ran to banquet hall number two to chase after Xian Cheng, many guests invited by the Feng family and her also came to watch the fun. When the guests standing at the entrance of the hall heard Xian Cheng’s words, they instantly looked at each other.

Xian Cheng had actually changed his mind at the last minute and didn’t intend to take Feng Jianing in as his disciple. Was the grand apprenticeship banquet canceled just like that? Then why did they come here today? Wasn’t Xian Cheng’s action the same as stepping on the faces of the Feng family and Feng Jianing? Once that happened, the Feng family would once again become the laughing stock of the entire Capital. It had to be known that almost all the upper-class people in the Capital were here today. How could the Feng family raise their heads in the Capital in the future after making such a big joke in front of these people?

“Tsk tsk, this is too dramatic. A good apprenticeship banquet actually turned into such a scene. What a joke!”

“Feng Jianing’s reputation is already not good. She’s made such a big scene, but in the end, it’s all for someone else. If this matter gets out, I would probably want to commit suicide by jumping off a building if I were her.”

“Hmph, I knew it. How could Master Xian Cheng take her in as his disciple? As expected, he will immediately change his mind when he sees a better person. Don’t ever be too confident, nor can you be too smug. Otherwise, you will realize that the clown is actually you.”

Very quickly, the news of what happened in banquet hall number two spread to banquet hall number one. When the Cao family heard that Xian Cheng didn’t intend to take Feng Jianing as his disciple but Feng Qing instead, they wished they could pretend not to know the Feng family. They all turned around and prepared to leave this unlucky place.

After hearing this news, Feng Yuanzhou and Fu Anlan finally couldn’t sit still. The two of them ran to banquet hall number two one after another. After seeing Xian Cheng and Feng Qing standing face to face, Feng Yuanzhou seemed to have gone crazy and pounced on Feng Qing. “You damned little beast, where is your shame? Who do you think you are? You actually dare to snatch things from Jianing. Why don’t you die!”

However, before Feng Yuanzhou could touch Feng Qing, he saw a slap coming towards him. Feng Yuanzhou’s body spun three times uncontrollably and he fell to the ground with stars in his eyes. Blood flowed out of the corners of his fat mouth. He didn’t even see who made the move before he realized that he had already fallen to the ground.

Seeing this scene, Feng Jianing screamed, “Dad!”

With that, Feng Jianing looked at the tall figure standing in front of Feng Yuanzhou. In the end, she saw a man with an extremely arrogant expression. It was the young master of the Han family whom she had met once before—Han Jintian.

Feng Jianing was stunned. Everything had happened too quickly just now, so much so that she didn't see who had made a move. She thought that it was Feng Qing's bodyguard, but she never expected that it would be Han Jintian. This was a heavyweight figure who was famous in the entire Xia country's entertainment industry and a famous genius director in the world. He was a man she had always wanted to curry favor with, but she couldn't get close to him no matter what. Because Fu Anlan had set up her dream of being a celebrity since she was young, Feng Jianing still had longing for entering the entertainment industry. Therefore, Feng Jianing wanted to know Han Jintian even in her dreams. She wanted to build a relationship with this man. With this man's care, not only could she gain a foothold in the entertainment industry, but she could also have resources that others couldn't snatch even if they fought their heads off. She could even transform into the most sought-after love in the entertainment industry with a few words from Han Jintian.

Although she had already made a name for herself in the entertainment industry at the age of sixteen, she lost her shine in the competitive entertainment industry very quickly. Very few people could remember her. Now, the famous director, Han Jintian, was standing less than three meters away from her. This stunned her on the spot. Including the slap Han Jintian gave Feng Yuanzhou just now, it made her feel even more unrealistic. It was as if she was in a dream. The famous director slapped her father in public?
