

## The Wife I Picked Up Is Too Chapter Chapter 1060

Old Madam Feng saw that Feng Yiru didn't remember anything and that Feng Yiru was a beauty since she was young, so she felt pity for her and directly brought Feng Yiru back to the Feng family. However, she was discovered by the monks who passed by the temple. After chatting with the monks, she found out that Feng Yiru had already lived in the temple for a period of time. Later on, the abbot in the temple also found out about this, so he simply let Old Madam Feng adopt Feng Yiru. Although Feng Yiru was only eight or nine years old at that time, she was a girl after all. It was not convenient for her to live in a temple filled with men.

However, other than Old Madam Feng, Feng Yuanzhou, and Old Master Feng, no one knew Feng Yiru's true background. In the subsequent daily life, the Feng family discovered that Feng Yiru had many extraordinary abilities. Originally, the Feng family was worried that Feng Yiru had never attended kindergarten or preschool and would not be able to keep up when she was in primary school. Unexpectedly, Feng Yiru had the best results in the entire school even though she had only attended school for half a year. She could also understand high-level functions in the third grade. Only then did the Feng family understand that Feng Yiru should be a child born with high IQ. In order to verify this guess, Old Master Feng specially invited the most famous professor at Capital University at that time to personally do an intelligence test for Feng Yiru. In the end, just as they thought, Feng Yiru's intelligence level had already reached 260. She was a top genius!

After knowing that Feng Yiru's IQ far exceeded that of ordinary people, the Feng family went crazy, as if they had picked up a sought-after item. However, they did not let Feng Yiru continue to study. Instead, they forced Feng Yiru to participate in the Feng family's business at a young age. They squeezed out Feng Yiru's ability to the greatest extent and made her the money tree of the Feng family. The Feng family also relied on Feng Yiru and only used four years to become the strongest wealthy family in Penang.

However, it was also at this time that Feng Yiru finally had enough of being manipulated by others. For the first time, she mustered her courage and quarreled with the Feng family. The trigger for all of this was that when she was sleeping one night, Feng Yuanzhou actually had designs on her. He sneaked into her room in the middle of the night and tried to rape her. However, Feng Yuanzhou never expected that

not only did he not succeed, but Feng Yiru also counterattacked and beat him up fiercely. According to Feng Yuanzhou's own account, his screams at that time shocked the entire Penang City.

When Old Madam Feng ran to Feng Yiru's room, she saw Feng Yuanzhou lying on the ground with blood flowing out of his nose and mouth. Hence, she slapped Feng Yiru a few times in anger. Old Madam Feng's indiscriminate actions also made the last bit of gratitude Feng Yiru had for the Feng family completely disappear. Not only that, but as she gradually grew up, Feng Yiru also realized that she was incompatible with the Feng family. The Feng family did not treat her as a person much. Even Old Master Feng and Old Madam Feng silently acknowledged Feng Yuanzhou's lust for Feng Yiru. They wanted Feng Yuanzhou to gain the upper hand and let Feng Yuanzhou take Feng Yiru down so that Feng Yiru could be a money-making machine for the Feng family for the rest of her life.

Faced with such a scene, Feng Yiru was naturally unwilling to spend the rest of her life in the Feng family. Therefore, on a dark night, Feng Yiru secretly climbed over the wall and escaped without leaving any news for the Feng family. The Feng family had indeed searched for Feng Yiru for a long time, but they had never found her whereabouts, much less know what she had experienced outside while she was away from home. However, what shocked the Feng family was that when they had almost forgotten about Feng Yiru, Feng Yiru's figure suddenly appeared on the television one day. After knowing her whereabouts, the Feng family rushed out to capture Feng Yiru. But when they arrived, Feng Yiru was no longer there.

When the Feng family saw Feng Yiru again, Feng Yiru's appearance had already been destroyed, and her stomach was bulging. After seeing Feng Yiru's change, Feng Yuanzhou was also quite surprised. However, at that time, Feng Yuanzhou was someone who was only good at eating, drinking, and gambling. After one round of prostitution, he was extorted by that prostitute. That prostitute was still quite good-looking. Feng Yuanzhou also had some feelings for her, so he arranged for the prostitute to give birth in the same hospital as Fu Anlan. Coincidentally, Fu Anlan's newborn child died prematurely. Feng Yuanzhou had an idea and immediately carried the child that the prostitute had just given birth to to Fu Anlan. At that time, the hospital management was far less strict than now. Coupled with the Feng family's strength in Penang at that time, the hospital pretended that nothing happened even when they witnessed Feng Yuanzhou's actions.
