

The Wife I Picked Up Is Too Chapter Chapter 1087

With that, Xing Yue mumbled, "If he really took Qingqing away, Qingqing should be fine."

Xie Jiuhan asked, "What makes you think that Qingqing will be fine after he captured her?"

Xing Yue's expression froze. "Because God Di is my fourth brother."

Upon hearing this, Xie Jiuhan was instantly stunned. It was as if even the surrounding space and time had stopped. He stood in front of the warning line and was like a statue. He recalled the face of God Di he had seen previously. Xie Jiuhan used to think that God Di had found out that Feng Qing was his wife, so he specially disguised himself as Feng Qing to disgust him. However, after hearing Xing Yue's words, he understood that it was not that God Di was deliberately pretending to be Qingqing, but because he looked exactly like Feng Qing.

Feng Qing and God Di were biological siblings and they looked alike. Xie Jiuhan asked, "Xing Yue, do you know that your fourth brother looks identical to my wife?"

On the other end of the phone, Xing Yue was stunned for a moment. Thinking of Xian Cheng's reaction when he saw Feng Qing back then, he said in embarrassment, "I'm sorry, although we're biological brothers, I've never seen Little Four's appearance. As he was raised as a girl since he was young, it caused his personality to be flawed, so he has always been wearing a mask to see people. Moreover, he has never said a word to us three brothers until now."

Upon hearing this, Xie Jiuhan's expression could not be any colder. It was as if there was a layer of frost on his face. He asked Xing Yue, "Do you think that with God Di's temper, he will show mercy to Feng Qing because she's his younger sister?"

This time, it was Xing Yue's turn to be at a loss. Xie Jiuhan's question was like a sharp knife stabbing into his chest. A layer of cold sweat instantly appeared on his forehead. Although Di Qianmo was their fourth brother by blood, he had never interacted with the three of them, let alone have a brotherly relationship. That was purely nonsense, so he couldn't answer Xie Jiuhan's question. If Di Qianmo really captured Feng Qing, would he show mercy to Feng Qing?

At the thought of this, Xing Yue seemed to have discovered an important problem. He hurriedly asked, "Xie Jiuhan, tell me the truth. Why did my fourth brother capture Qingqing?"

In his memory, not only was Di Qianmo's personality unpredictable, but he was also very indifferent and cold-blooded when it came to treating people. In his world, there was only him and no one else. He was someone who was purely without any warmth. It was an extreme illness. Di Qianmo was also the person who resembled Di Tianxing the most. It was not an exaggeration to say that he was the future Di Tianxing.

Xie Jiuhan took a deep breath and said truthfully, "If I'm not wrong, he took Qingqing away mainly because he wanted to use Qingqing to threaten me and even take revenge on me."

Upon hearing this, Xing Yue felt a headache coming on. No wonder Di Qianmo had tried so hard to capture Feng Qing. It turned out that he was after Xie Jiuhan. With his understanding of Di Qianmo, as long as he could deal with Xie Jiuhan, it was useless even if Feng Qing was his biological sister. He would still be ruthless!

Xie Jiuhan raised his chin, his handsome face suffused with violent killing intent. It was the worst situation for Feng Qing to fall into the hands of God Di. Moreover, Old Master Xie was right. Anyone close to him would become his biggest weakness. It was very likely that because of him, Feng Qing would ultimately suffer a calamity and die.

Xie Jiuhan's voice was dry and hoarse as he said, "Help me board the Divine's Light. After you come to Chenghai, replace a group of my people and continue to search for Qingqing in Chenghai City. My people aren't 100% sure that Qingqing is on the Divine's Light. I'm only guessing that the probability was high."

Xing Yue nodded. "No problem. Then you go to the Divine's Light and take a look. However, you must remember not to expose your identity after you board the Divine's Light. That's Di Qianmo's palace, and it's his people inside and out. Once you're exposed, it'll be impossible for you to escape unscathed, let alone on the open sea."

Actually, there was something else that Xing Yue did not say as he was afraid that it would be counterproductive to cause too much psychological burden to Xie Jiuhan. According to his understanding, the Divine's Light was filled with some desperadoes, some extreme people who had broken the law in the Seven Stars Continent. It was said that these people were naturally superior to others, so even the locals of the Seven Stars Continent would be treated as second-class people by them. As for the people from other countries outside the Seven Stars Continent, they were even more obsessed and terrifying. They treated them all as enemies. Although Xie Jiuhan was a man who stood at the pinnacle of the entire Capital, in the eyes of those people, the Capital's Xie Corporation was nothing much.
