

The Wife I Picked Up Is Too Chapter Chapter 1090

The silver cage was quite stable, and a dazzling beam of light shot over. The light shone diagonally from the cage and landed on Feng Qing's head. Suddenly, she was illuminated by the strong light, making it difficult for her eyes to adapt. Although her eyes were closed, she could hear sounds from all directions. At this moment, her hands and feet were tightly handcuffed to the cage, and she couldn't even use her hands to face the light.

1

After witnessing Feng Qing's strength just now, Di Qianmo got the two female waiters on the bed to change Feng Qing's clothes into a long dress. However, this long dress was very ordinary. Moreover, it looked a little big, causing Feng Qing to look very incompatible with it.

During the process of changing her clothes, under Di Qianmo's instructions, the two female servants even found all the various medicinal powder that she had hidden in her hair. Of course, Feng Qing was not a pushover and could not be controlled by others. In order to prevent her from hurting anyone, Di Qianmo even personally injected her with an unknown medicine, making all her muscles powerless. Without strength and agility, Feng Qing could not escape even if she wanted to.

After adapting to the strong light, Feng Qing slowly opened her eyes. Her clear and clean eyes looked ahead in confusion. Only the platform was lit in the entire auction venue, and the guests who were participating in the auction were all wearing masks. No one knew their true identities. There was also a VIP room on the second floor of the auction venue. Only the guests in the private room would not wear masks. Because of the distance and height, they could only look at the auction items on the booth through the LED screen.

Feng Qing's face appeared on the high-definition crystal screen. Under the light of the spotlight, she looked exceptionally beautiful and charming. The moment she opened her eyes, the entire auction house exclaimed.

“Eh, why do I feel that she looks familiar?”

“That’s right, I feel like I’ve seen her before!”

“Ah, I remember now. Her name is Feng Qing. She’s a very famous singer on the Internet in Xia country. Not long ago, she even won the International Fragrance Competition in Country F. She’s the only Nine-Star Fragrance Master in the world now.”

“Yes, yes. It’s her. Not long ago, I went to Xia country’s Hong Meng Theater to watch a performance. This woman even performed a violin live.”

“So it’s her. I didn’t expect that such a famous person in Xia country would actually be caught and auctioned here. Hahaha, look at her snow-white skin and charming face. I’m already starting to get interested.”

Under the high-definition LED screen, Feng Qing’s face was infinitely enlarged. However, no matter how much it was enlarged, there were no flaws on her fair and tender face. The only flaw was that her clothes were not fitting and her hair was a little messy. Coupled with the weakness of her muscles, she gave off a very weak feeling.

The suspender dress on Feng Qing's body was pure white. Although there was nothing special about this color, it gave off a very pure feeling on her body. She was like a deer that had accidentally entered a wolf's den. Her pure eyes were staring at everything in front of her. Many guests below the stage had already started to be excited. They were used to playing with those sexy stunners. Occasionally, they would meet a young and cute woman like Feng Qing, so they naturally wanted a change of taste.

This was not the first time that the Divine's Light had auctioned people. In the past, there had been auctions of famous scientists, the daughters of rich families, Miss Universe, and world famous models. Although they were all living people, as long as they spent money to buy them, they would become slaves on the Divine's Light and could be controlled by the buyer.

Di Qianmo was also sitting in one of the luxurious private rooms. He wanted to see which man bought Feng Qing and how she would be tortured. He was not worried that Feng Qing would escape at all. As long as she was on the open sea, as long as she was on the Divine's Light, nothing could escape his control. Even if Feng Qing was pressed onto the bed by the buyer and violated, he could watch it at any time. If he was willing, he could even publicize those scenes at any time. He wanted to make full use of Feng Qing to attack Xie Jiuhan. He wanted Xie Jiuhan to break down and go crazy!

The host received a card and read from it, "The auction item this time is—Feng Qing, from Xia country. She's 168 cm tall and weighs 45 kg. Her education..."

After introducing all the information about Feng Qing's value, the host smiled and emphasized, "Only male guests are allowed to participate in this auction, and female guests are not allowed to participate."
