

The Wife I Picked Up Is Too Chapter Chapter 1093

When Feng Qing appeared on the stage, the two maids beside the little boy had already secretly started to urge the little boy to make a move, asking him to buy Feng Qing quickly. These two maids were none other than Mr. Qing Er and Xia Qianxue from A Dark Organization. The little boy wearing the Ultraman mask was the character code-named God Fu in A Dark Organization.

1

A Dark Organization would bid for a lot of things on the Divine's Light every year. They did not bid for the things for collection, but for second-hand profit. Some other international organizations were not qualified to board the Divine's Light, but A Dark Organization had this connection. After all, the God Slayer and God Fu in A Dark Organization were native to the Seven Stars Continent. The only difference between the two of them was that the God Slayer had a proud and cold personality, and he was as cold as an iceberg. Therefore, Mr. Qing Er and Xia Qianxue rarely took the initiative to look to him for help. God Fu was usually in the Seven Stars Continent and was controlled strictly by his family, so he rarely came out.

In order to board the Divine's Light, Mr. Qing Er and Xia Qianxue had no choice but to kidnap a few people from the Seven Stars Continent and disguise themselves as them to sneak in. Because God Fu had taught them the secret code about the Seven Stars Continent, Mr. Qing Er and Xia Qianxue could successfully take advantage of the situation. However, every time they disguised themselves and sneaked in, they were on the verge of death. If they were not careful, they would be doomed.

However, what made them surprised was that God Fu had actually come out of the Seven Stars Continent this time and had personally brought them up. In exchange, they needed to be on the ship as maids, but they were all relieved. With Mr. Qing Er around, it was even easier for them to disguise themselves. Not only did they never use their true faces when they were on missions outside, but they were also shocked to encounter Feng Qing, this 'object', at the auction.

Until now, the only people who did not know that Feng Qing was Mr. Qingyi and the Healer were the Sword God and God Fu in the entire A Dark Organization. God Fu rarely came out to carry out missions, so he almost had no interactions with the Healer and Mr. Qingyi. However, in the internal system, God Fu had once provoked Mr. Qingyi. In the end, Mr. Qingyi tampered with some important documents sent to God Fu. After the God Fu was poisoned a few times, although he had a grudge with Mr. Qingyi, he was still very respectful to Mr. Qingyi from then on.

At this moment, God Fu retracted his gun and hugged the plush toy in his arms. However, his eyes were fixed on Feng Qing. He asked in confusion, "Tell me, why do you want me to bid for this woman called Feng Qing? Is there anything special about her?"

Hearing this question, Xia Qianxue and Mr. Qing Er were stunned. After the two of them looked at each other, Xia Qianxue said, "Has God Fu never heard her sing? She's the best female singer in Xia country. I like her very much!"

Mr. Qing Er, who was at the side, hurriedly said, "Not only that, but Feng Qing is also the only Nine-Star Fragrance Master, YLL, in the world who has been certified by the International Fragrance Alliance. God Fu, when you asked me what brand of perfume I used that day, that perfume was actually made by Feng Qing."

The little boy, who was sitting on the sofa with his legs still a long way from the ground, couldn't help but snort softly under the mask. "This Feng Qing is just a female Internet celebrity on Xia country's Internet. I heard her songs in the Di Palace by chance. They're average."

Although God Fu said this, he had completely opposite thoughts in his heart. He had indeed heard Feng Qing's singing by chance, but he was instantly captured by her singing and became a little fan. Therefore, he wanted to bid for Feng Qing and let her sing for him every day.

Mr. Qing Er said to God Fu, "Just bid. Xia Qianxue and I will give you the money."

However, God Fu curled his lips and said, "No need. Since I bid for it, she'll be mine in the future. Just don't snatch her from me."

Just as the three of them were whispering to each other, the host on the stage announced the latest bid. "The VIP in VIP room No. 3 has just bid 600 million. Anyone else want to continue bidding?"

Upon hearing this, Mr. Qing Er and Xia Qianxue looked at the third room on the second floor in unison. Although they couldn't see who was inside through the glass, they knew that the person sitting inside must have an extraordinary status.
