

## The Wife I Picked Up Is Too Chapter Chapter 1102

Of course, the reason why Long Jiuyuan was remembered was mostly because of her status and background. She was the daughter of the Long family, one of the seven families in the Seven Stars Continent. With her illustrious family background and seductive beauty, she was also a very popular superstar in the Seven Stars Continent. In other countries, she was a top socialite. Many politicians and wealthy families in many countries were her good friends.

The Long family of the Seven Stars Continent was a very ancient family. More than three hundred years ago, they were still the wealthy family of the Capital. Later on, the direct descendants of the Long family moved to the Seven Stars Continent, and the collateral branches of the Long family stayed in the Capital to guard the status and resources of the Long family in the Capital. Until now, the Long family of the Seven Stars Continent and the Long family of the Capital still maintained a very good relationship.

Although Long Jiuyuan often entered the entertainment industry, she actually did not have many thoughts of becoming a celebrity. Compared to filming and singing, she still preferred to invest and do business. Moreover, she was very business-minded. She was also the president of the Long Corporation. Moreover, the Long family of the Seven Stars Continent had already said that the entire Long family would be handed over to Long Jiuyuan to manage in the future.

Everyone in the Seven Stars Continent knew that Long Jiuyuan had been chasing the head of the Xing family, Xing Wudi, and she was the kind that pestered him. It was said that the two of them had been playing together since they were naked. They were considered true childhood friends. Moreover, the previous generation of the two families had the intention of matchmaking the two of them. According to rumors, they had once been engaged.

At the thought of this, Mr. Qing Er couldn't help but look at Long Jiuyuan a few more times. This woman didn't seem to be as simple as he had imagined. She knew that Feng Qing was very likely her rival, but she still said in front of Xing Wudi that she wanted to spend six billion to save Feng Qing. Should he say that she was scheming or had a good mentality?

But Xing Wudi ignored Long Jiuyuan's suggestion. Long Jiuyuan seemed to be used to this. She turned to look at God Fu and smiled indifferently. "Young Master, you're not old, but you're quite arrogant. You actually want to snatch someone from the seven families of the Seven Stars Continent. You spent a lot of money at the auction just now. I think you're a young master of some family, right? But why don't I remember any of the seven families having a young master as rich as you?"

Long Jiuyuan's meaning was obvious. She was warning God Fu not to try to snatch people from the seven families of the Seven Stars Continent. Not everyone could provoke her.

However, God Fu raised his head and shouted at Long Jiuyuan, "Hey, you unfilial thing. You don't even recognize your father!"

Upon hearing this, Long Jiuyuan's expression froze, but she quickly recovered her smile and said, "Little fellow, you want to be my father? Then do you know who I am?"

Although Long Jiuyuan was smiling, her smile was filled with coldness. This child was obviously from the Seven Stars Continent, and he might be the young master of some family. As long as she was from the Seven Stars Continent, everyone knew her, Long Jiuyuan. Therefore, in Long Jiuyuan's eyes, this child wearing an Ultraman mask in front of her should lack upbringing. Therefore, she planned to find this child's parents and let their family kneel on the ground and kowtow to her to beg for mercy.

However, after looking at Long Jiuyuan's murderous smile, God Fu adjusted his mask and scolded again, "Of course I know you. According to seniority, I have to call you Auntie Long. However, you're ugly and fat. Seeing you is like seeing the sea. I feel like vomiting. Ugh..."

“Kid, you!” Long Jiuyuan’s expression turned cold. Just as she was about to walk up and teach God Fu a lesson, she saw two figures blocking in front of her. They were Mr. Qing Er and Xia Qianxue. With them around, how could they let Long Jiuyuan bully God Fu?

Long Jiuyuan glanced at the two of them and said disdainfully, “You two idiots actually dare to block me. Do you believe that I’ll get someone to throw you into the sea to feed the fish?”

However, God Fu said, “Auntie Long, are you blind? Can’t you tell that the two of them are protecting me, their master? They’re my servants, not yours, so they don’t have to listen to your orders at all. Moreover, this place is so spacious. Can’t you walk around it? Idiot!”

God Fu’s words were like a series of cannonballs, hitting Long Jiuyuan till her expression became incomparably gloomy. How could she tolerate being humiliated by a child in front of Xing Wudi?

After cursing, God Fu said, “Let’s go. Let’s find the owner of the Divine’s Light and ask him to sell Feng Qing to me!”

He naturally couldn’t let Long Jiuyuan have a chance to bully Mr. Qing Er and Xia Qianxue, so he hurriedly ordered them to leave this place. However, they had only taken a few steps when they realized that someone was following them. They turned around and saw that it was actually Xing Wudi.
