

The Wife I Picked Up Is Too Chapter Chapter 1117

Seeing the hyenas rush over, Boxing King Potian shouted at the person beside him, "Are you waiting for death? Hurry up and throw the trap on the ground!"

That person came back to his senses after being shouted at by Boxing King Potian, but he had never used a beast trap before. Faced with the aggressive hyenas, he could only hurriedly throw the beast trap to the ground. Seeing this, Boxing King Potian led the hyenas to run towards the beast trap on the ground. The next second, a hyena at the front had its leg clamped. Then, it fell to the ground and let out a scream, like a puppy that had been beaten up at home.

After seeing that a hyena had lost its combat strength, Boxing King Potian did not stay idle. He hurriedly tied a bundle of ropes in his hand into a trapping knot. Then, as he ran in front, he threw the rope back. The trapping knot was accurately placed on the neck of another hyena. The hyena reacted very quickly and hurriedly bit the rope, wanting to break free from the rope. However, the hyena realized that the rope around its neck was getting tighter and tighter as it struggled. The other end of the rope was also tied to a wooden stake by Boxing King Potian in advance.

Two hyenas lost their combat strength in a row, and the remaining six hyenas stopped in tacit understanding. They looked at Boxing King Potian, who had already run far away, and finally realized that they seemed to have been deceived by this human. This human was not the weakest, but the strongest. The six hyenas growled at each other a few times and turned their heads to rush towards the others. Seeing this scene, the other seven people who were watching the fun were all dumbfounded and ran around.

Boxing King Potian picked up a baseball bat from beside the corpse on the ground and rushed towards a hyena. The hyena's reaction was extremely fast. It raised a claw and slapped him. Boxing King Potian dodged the other party's attack and fell down. Then, he swung the baseball bat towards the hyena's waist. When dealing with such canine creatures like hyenas and wolves, the waist was their weakness. As long as he hit the right place, one strike could completely incapacitate them, just like a human's spine

breaking. Boxing King Potian's strike was very accurate, causing the hyena to fall to the ground and let out a shrill scream. In order to ensure that the hyena no longer had any attack power, Boxing King Potian struck the hyena's head a few more times until its white brain matter splattered everywhere.

The guests in the stands were in an uproar when they saw Boxing King Potian deal with a hyena so easily and quickly. This exciting scene was what they wanted to see.

"Potian! Potian!"

Di Minghao, who was sitting in the fifth row, stuffed a straw into the edge of his mask and took a deep slurp of the soda in his glass. In the end, he even burped in satisfaction. Seeing Boxing King Potian's brave performance, Di Minghao shouted excitedly, "D*mn, this Boxing King is too amazing. I must buy him too."

Just as Di Minghao was shouting, the baseball bat in the hands of Boxing King Potian spun again and took the initiative to attack the remaining five hyenas. Di Minghao's eyes, which were hidden behind the mask, were completely stunned. He did not even know that soda was flowing out of the corners of his mouth. The ferocity and bravery of Potian had completely conquered his tender heart.

"As expected of Boxing King Potian, he's actually so powerful. Other people are suppressed by wild beasts, but he took the initiative to fight those wild beasts."

"Forgive me for being blunt, but compared to those wild beasts, Boxing King Potian is more like a wild beast. I'm willing to call him the strongest human on the surface!"

“He’s too handsome. No wonder he can dominate the entire underground boxing world. This strength is simply too terrifying. I announce that I must win the Boxing King Potian.”

The colosseum was like a kettle of boiling water, boiling indescribably. Everyone’s emotions were ignited by Potian. At this moment, be it men, women, old, or young, everyone stood up to watch the competition. Many women from the Seven Stars Continent were still shouting that they wanted to keep Boxing King Potian. Di Minghao, who was sitting in the fifth row, was already short. Now, his vision was blocked by the person in front of him. Di Minghao wanted to take a look, but his vision was still blocked by the person in front of him. Hence, he could only turn to look at Mr. Qing Er. “Qing Er, quickly pick me up!”

Hearing his words, Mr. Qing Er placed his hands in his pockets. “You’re God Fu after all. Can’t you think of a solution yourself?”

Di Minghao immediately understood and hurriedly said, “I’ll pay one million!”
